Sex is Like a Hot Fudge Sundae Pauline Falstrom, Gregory A. Cook, 1993-11-01 *Weight, Sex, and Marriage* Richard B. Stuart, Barbara Jacobson, 1994-12-01 Reveals the intricate connection between weight problems and marital satisfaction in women and describes the often hidden rewards of being overweight Clearly delineating the issues surrounding weight gain this encouraging book helps readers set attainable weight goals and also offers concrete strategies for success [Talk about Sex](#) Janice M. Irvine, 2004 Describes the political transformations cultural dynamics and affective rhetorics that together helped ignite the passionate conflicts over sex education on both the national and local levels in the United States [Talk about Sex](#) Janice Irvine, 2023-03-24 A rich social history of how the American right wing used sex education as one of its first battlegrounds on which to build a political movement and regulate sexual morality by controlling sexual speech **A Month of Sundaes** Michael Turback, 2002 The author remembers great soda fountains of the past and visits today's best ice cream parlors to collect 150 sundae recipes included in his book [ELEPHANT-THE LADY BOSS](#) Dr. C.H. Basappanavar, 2021-04-09 Why elephant is known as The Lady Boss The Indian elephant *Elephas maximus* the matriarchal society is led by the wisest and eldest female of the family herd Here the matriarch is the boss Being hub of the family she not only performs the usual maternal tasks but also protects the family with extreme efficiency from potential enemies apart from guiding the family to safety in times of crises The matriarch keeps male suitors at a trunk's distance only allowing them to join the herd when their presence is felt necessary to service the females in oestrus Her long memory over fifty years experiences among others help in leading the family to introduce potential feeding grounds waterholes natural springs and salt licks within her domain ranging over 50 or more km² The matriarchal family remains united and truly stable to enable to wage war against adversaries and enemies With prowess and devotion to her kin the gentle giant remains the unquestionable authority She acts like a lady and thinks like a boss Hence the book [ELEPHANT-THE LADY BOSS](#) [This Is Your Brain on Birth Control](#) Sarah Hill, 2023-07-11 An eye opening book that reveals crucial information every woman taking hormonal birth control should know This groundbreaking book sheds light on how hormonal birth control affects women and the world around them in ways we are just now beginning to understand By allowing women to control their fertility the birth control pill has revolutionized women's lives Women are going to college graduating and entering the workforce in greater numbers than ever before and there's good reason to believe that the birth control pill has a lot to do with this But there's a lot more to the pill than meets the eye Although women go on the pill for a small handful of targeted effects pregnancy prevention and clearer skin yay sex hormones can't work that way Sex hormones impact the activities of billions of cells in the body at once many of which are in the brain There they play a role in influencing attraction sexual motivation stress hunger eating patterns emotion regulation friendships aggression mood learning and more This means that being on the birth control pill makes women a different version of themselves than when they are off of it And this is a big deal For

instance women on the pill have a dampened cortisol spike in response to stress While this might sound great no stress it can have negative implications for learning memory and mood Additionally because the pill influences who women are attracted to being on the pill may inadvertently influence who women choose as partners which can have important implications for their relationships once they go off it Sometimes these changes are for the better but other times they re for the worse By changing what women s brains do the pill also has the ability to have cascading effects on everything and everyone that a woman encounters This means that the reach of the pill extends far beyond women s own bodies having a major impact on society and the world This paradigm shattering book provides an even handed science based understanding of who women are both on and off the pill It will change the way that women think about their hormones and how they view themselves It also serves as a rallying cry for women to demand more information from science about how their bodies and brains work and to advocate for better research This book will help women make more informed decisions about their health whether they re on the pill or off of it

Marriage Matters Janice Crouse,2017-07-05 In Marriage Matters Janice Shaw Crouse argues that marriage is a critical element in a free society and that society s most vulnerable communities especially minorities and the poor suffer the most from the nation s retreat from marriage Crouse writes that marriage advances the public interest and we should create laws and policies that support rather than undermine it She demonstrates both the public and private importance of marriage and organizes her argument in a thoughtful and logical manner Compared to other household arrangements Crouse observes marriage is by far the best for raising children and offers financial advantages as well Writing about bullying Crouse shows how the trend away from marriage has lead to poor child rearing and to some of the nation s worst contemporary problems In household arrangements with an absence of traditional fathers the government has in some ways overtaken this role by creating social programs such as food stamps Social Security and Medicare Social programs are but a small part of an effective solution The groundwork for strong marriages and lasting relationships is examined in detail Crouse then discusses the role of sex in marriages and the harmful influence of casual sex The second half of the work shows how marriage matters to individuals specifically to women and children and depicts same sex marriage as a threat to the institution Other public policy issues affecting marriage are also explored
