## **Sex Lives Of The Us Presidents:**

*Sex Lives of the U.S. Presidents* Nigel Cawthorne,1996 This work is by the author of *Sex Lives of the Kings and Queens of England* Since the 19th Amendment gave women the vote in 1920 the Presidents of the United States have depended on their appeal to women to get elected This book looks at the sexual history of one of the most powerful offices in the world Many of the office s incumbents have been men with avid sexual appetites from the adulterous Thomas Jefferson in Paris to the womanizing antics of JFK right up to the scandals to rock the presidency of Bill Clinton [Secret Lives of the U.S. Presidents](#)

Cormac O'Brien,2009 Presents little known facts and trivia about the United States presidents from George Washington to Barack Obama including information on personal lives political stances and election scandals [Sex Lives of the Presidents](#) Nigel Cawthorne,1998 Recounts some of the scandals associated with the private lives of the presidents including rumors of love affairs illegitimate children and other episodes **Planet Neptune and the Modern Us**

**Presidents: Franklin Roosevelt to Barack Obama** Suzanne Angioli,2016-04-05 While studying the astrological birth charts of all the US presidents I discovered that those of the thirteen modern US presidents from Franklin Roosevelt to Barack Obama all had the natal Sun the planet most associated with ones basic identity making an aspect certain designated degrees between two planets to their natal Neptune This was surprising since I would have thought that politicians particularly those aspiring to the presidency would have an overwhelming emphasis on the Sun Mars aspect but not on the Sun Neptune aspect What I discovered in my research was that good politicians are not warriors Sun Mars per se who use the techniques of warfare to muscle their way through adversity Rather they are good actors Sun Neptune who are essentially chameleons Sun Neptune operating in the foggy Neptune realm of subtlety Neptune and seduction using their sensitivity Neptune and charm Neptune to serve their intuitive Neptune sides to try to achieve their goals It became apparent that a good politician is excellent at assuming different roles in order to fit a given political situation and move his agenda forward The Sun in aspect to Neptune is not unusual but there is no aggregate population that has 100 percent of its members with this aspect like the modern presidents I was intrigued with this occurrence and thus set out to research their individual biographies to see just how this aspect played out in their lives After all it seemed to be almost a prerequisite for being elected to the modern Oval Office **Ten Key Steps to Selecting a U.S. President** Dr. Ruby L.
