The V-Files Nelson Onit Vazquez tell, 2002-05-21 In becoming a poet Ive noticed that I now pay strict attention to every detail around me I used to take my surroundings for granted and I didnt always pay close attention to everything there was to notice Welcome Welcome once again to another book of poetry and to my wild creative and imaginative mind In this second poetry book I hope you find the stories much more interesting the comedy much more refreshing and that the romance takes you to a few nostalgic moments of your own You may notice that this second collection of my work is a little different to my first TRUTH COMEDY POETRY for ALL in that there are not as many love poems This time around I wanted to express a little more of my other sides instead of just the romance So I decided sure there is still going to be plenty of heart felt tales in here but there will be more emphasis on the serious and comic aspects this time around I also made most of the poems much much shorter I wanted to make sure there wouldnt be constant thoughts of Gee this poem is a little too long and therefore I am uncontrollably daydreaming due to the length of this study hall of a poem Then again according to my test group it seems that the long stories here are pretty good But you can be the judge of that The reason I wrote my first book was to get others into reading poetry and writing some of their own However the reason I wanted to write this second book was because I wanted to know that if I were to die tomorrow I would leave something behind that could still make people smile or think I wanted to create something that would last and be appreciated for generations to come I wanted to leave behind a mark of my existence And so here is my book If you havent read my first book well I want to start over with a Hello I am a fairly new poet and writer who will either make you think laugh or say My God this romantic material is going to come in handy for the next time I meet someone I like Whatever the scenario I just want to remind everyone that we all have three sides to us We may not show all of them every day but within

all of us exists a serious side a humorous side and a romantic side In both of my poetry books I show my different characters and then some Especially in THE V FILES **Tarot D'Amour** Kooch Daniels, Victor Daniels, 2003-06-01 Our focus is on presenting material that soothes stimulates and awakens emotional and sexual understanding through learning and interpreting the Tarot write the card reading husband and wife team in which they share more than a quarter century experience with the tarot and as life partners Begin with the simple yet never before written about premise every card and its reverse have romantic and sexual indications And whether you re a newcomer to tarot a longtime student or somewhere in between Tarot d Amour will unveil a whole new way to interpret the cards **While Adam Slept** Jessie Pearson-Darrough, 2007-04 While Adam Slept is written to challenge the imagination of God s daughters beyond prevalent perspectives and into realities of kingdom authority and rule Each challenge is designed to be spiritually liberating intellectually enlightening and emotionally empowering We do not know implicitly what interactions took place between our Creator and Eve while Adam slept exploring various possibilities beyond traditional perspectives will be an edifying and enlightening journey Set your heart to preview the awe inspiring potentials of a woman groomed by the Spirit and summoned for an audience with The King of kings These contemporary times necessitates our understanding of the Spirit s shift towards kingdom authority and dominion which is inextricably linked to our true identity and purpose as heirs of eternal life My hope daughter of Zion is that you will receive personal illumination from God s message to you This is your grandest hour As the Lord s betrothed prepare your heart to receive the substance needed for heirs of the kingdom to groom their entire essence for spiritual understanding and ascension A different perspective will challenge existing knowledge decide if you are ready for a spiritual expedition or is a mundane existence satisfying and fulfilling **Virginity in Young Adult Literature after Twilight** Christine Seifert, 2015-01-27 Around 2005 something surprising happened in young adult literature YA books became obsessed with presenting characters who wanted to have sex but couldn t at least not without losing something vital to their identity Since the publication of Twilight the YA market has been flooded with books that feature naive virgins finding true love While some YA novels do present nuanced depictions of sex and of healthy sexual relationships the fiction most popular with young adult readers presents adolescent girls as virginal sex objects waiting to be fulfilled by their love interests In Virginity in Young Adult Literature after Twilight Christine Seifert looks at an alarming trend in YA novels Labeling this phenomenon abstinence porn Seifert argues that these novels that fetishize virginity are harmful to readers Like pornography such works reduce female characters to objects whose sexual acts are the sole expression of their identities Chapters in this book examine paranormal dystopian and contemporary romance paying particular attention to recurring virginity themes or tropes The book also provides an antidote by showing how some sex positive teen novels provide more empowering messages to readers Organized by genre the books were selected for this study based on their popularity with teens Exploring how messages about virginity are sustained and repeated from text to text this book also

calls out key reader reactions to demonstrate how they are responding to these messages Featuring a list of discussion questions *Virginity in Young Adult Literature after Twilight* will be a valuable resource for teachers librarians parents and mature young adult readers **Jet** ,2000-04-03 The weekly source of African American political and entertainment news
