Sex Positive Larry J. Uhrig, 1986 **Christian Perspectives on Sexuality and Gender** Elizabeth Stuart, Adrian Thatcher, 1996 This collection of articles present a variety of broadly Christian responses to issues such as sexuality and gender sexuality and spirituality gay and lesbian sexuality sexuality and violence sexuality and singleness and the family

The Erotic Word David M. Carr, 2005-02-24 Historically the Bible has been used to drive a wedge between the spirit and the body In this book David Carr argues that it can and should do just the opposite Sexuality and spirituality Carr contends are intricately interwoven when one is impoverished the other is warped *Erotic Justice* Marvin Mahan Ellison, 1996-01-01 Ethicist Marvin Ellison compellingly argues that current crises in family personal life and sexuality are related to our culture s prevailing attitudes about human sexuality He proposes a liberating Christian ethic of erotic justice that goes beyond the prevailing patriarchal paradigm Handbook of Affirmative Psychotherapy with Lesbians and Gay Men Kathleen Ritter, Anthony I. Terndrup, 2002-01-16 Grounded in current research this comprehensive volume lays the foundations for effective affirmative therapeutic practice with lesbian gay and bisexual clients Addressed are family of origin issues couple problems including sex therapy with same sex partners vocational and workplace issues and more The extensive appendix lists a broad array of publications advocacy groups and Web based resources for both professionals and consumers 12 01

A Church Wide Enough for Everyone Steven H. Propp, 2018-02-03 Robert Schaeffer and Douglas West are best friends living in Oklahoma in 1963 when they discover that they both sense a calling to become ministers in a mainline Christian denomination But from seminary and their early years in ministry to their golden years looking back on what it takes to lead a congregation a stimulating sometimes puzzling yet often inspirational world of theological controversies and congregational concerns would unfold for these two men of God *A Church Wide Enough for Everyone* follows these two men on their journey to demonstrate the continuing relevance of the Christian faith in a postmodern world After moving to Berkeley California to attend college and seminary they have little time to ponder the vast social changes taking place before they immediately enter into intensive critical study of the Bible and Christian theology And as Robert is then thrust into the ordained ministry with his wife Faye both men must in their own ways face the political cultural and ideological pressures of each passing decade responding to challenges from both within the church and from outsiders Are mainline churches and Christian theology dead Or might they be revitalized in the current century *A Church Wide Enough for Everyone* and the inspired journeys of two ministers offers a window into how this revitalization and new understanding is possible

Just As I Am Robert Williams, 2013-01-02 The first openly gay man to be ordained an Episcopal priest offers lesbians and gays good news about being Christian and homosexual discussing the positive images of homosexuality in the scriptures and more **Celebrating Christian Marriage** Adrian Thatcher, 2002-04-30 The interest in marriage and the future of marriage is urgent and increasing This collection of expert research analysis and discussion may be the most

significant ever assembled on this subject There are contributions from different continents and cultures from Roman Catholic Protestant Anglican and Orthodox traditions from theologians and many other professionals including historians social theorists sex therapists lawyers psychiatrists and demographers all in conversation with the idea of Christian marriage There are introductions to each topical section by Adrian Thatcher Marriage at the Start of the Millennium Beginning Marriage Love and Marriage The Marriage Relationship Children and Marriage Single Sex Marriage Ending Marriage Roman Catholic Perspectives Ending Marriage Anglican Perspectives **SIECUS Report** ,1995 **Constructing the Erotic** Barbara J. Blodgett,2002 Barbara J Blodgett proposes a practical sexual ethic for adolescent girls based on a discourse of vulnerability and trust rather than one of erotic liberation Her work directly challenges feminist theologies of the erotic which seek to establish the erotic as unquestionably freeing and empowering Blodgett declares that inconsistent worlds of meaning surround girls moral deliberation about sexual activity despite their sincere yearning for guidance This groundbreaking book Critiques feminist theologies of the erotic Draws upon actual narratives of adolescent girls about sexuality and romance Uses a psychoanalytic theory for Christian ethics Points the way to an alternative model of sexual ethics in theological ethics while factoring in the stark realities of gender power and culture Blodgett suggests relationships are either stabilized by the exercise of trust or friendly distrust **Beyond Tolerance** Nancy J. Evans,Vernon A. Wall,1991 This book provides strategies for using what is known about gay lesbian and bisexual individuals in a college student affairs setting These chapters are included 1 The Development of Gay Lesbian and Bisexual Identities Heidi Levine and Nancy J Evans 2 Using Psychosocial Development Theories To Understand and Work with Gay and Lesbian Persons Vernon A Wall and Nancy J Evans 3 Homophobia Kathy Obear 4 Understanding Gay and Lesbian Students of Color Vernon A Wall and Jamie Washington 5 Addressing Lesbian and Gay Issues in Residence Hall Environments Donna Bourassa and Bill Shipton 6 Addressing Gay Lesbian and Bisexual Issues in Fraternities and Sororities Michael J Hughes 7 Working with Gay and Lesbian Student Organizations Dick Scott 8 Life Planning and Career Counseling with Gay and Lesbian Students Cheryl Hetherington 9 Counseling Gay and Lesbian Students Natalie S Eldridge and David C Barnett 10 Issues of Gay Lesbian and Bisexual Student Affairs Professionals Maura Cullen and Jim Smart 11 Becoming an Ally Jamie Washington and Nancy J Evans and 12 Including Bisexuality It s More than Just a Label Raechele L Pope and Amy L Reynolds A resource list compiled by Shawn Eric Brooks includes these categories general works on gay lesbian and bisexual lifestyles coming out counseling issues spirituality religion and homosexuality diversity within the gay lesbian and bisexual community gay and lesbian literature programming resources movies videos journals and magazines and gay and lesbian organizations ABL **A Special Illumination** Rollan McCleary,2004 Gay spirituality represents a hidden strand in Western thought that was only publically declared from the Gay Liberation of the 1970s Since coming out expressions of gay spirituality have proliferated in both number and diversity Beginning with gay theology within Christianity the phenomenon has now reached as far as Buddhism

and neo paganism But so far critical analysis of the movement has been very limited largely because gay spirituality has been treated as a political and social movement arguing for rights and acceptance within religious circles A Special Illumination offers an indepth analysis and argues that gay spirituality should be placed at the heart of religion Sexuality Today Gary F. Kelly,1994 **Drames humains et foi chrétienne** Camil Ménard,Florent Villeneuve,Société canadienne de théologie. Congrès,1995 On reproche souvent au christianisme soit d exalter la souffrance au point d en faire une médiation de salut Nietzsche soit d oublier de prendre au sérieux le tragique de l existence Drewermann Ce tragique pourtant est une réalité qui rejoint notre expérience humaine fondamentale Alors que la maladie et la mort proviennent de notre finitude et sont vraiment incontournables d autres formes de mal manent de la malice du cœur humain et de sa soif effrénée de pouvoir Il y a donc des drames que nous subissons Mais il y a aussi des drames que nous construisons jour après jour La théologie ne peut luder ces questions fondamentales pourquoi le mal la souffrance le péché existent ils Comment faire face aux drames qui affectent notre vie Devons nous accepter passivement le destin qui nous afflige ou pouvons nous résister et lutter Les contributions de ce livre ouvrent des avenues de réflexion et d action sur des problèmes fort débattus de nos jours les questions bio éthiques sur la vie et la mort la violence faite aux jeunes l homosexualité les abus de pouvoir de toutes sortes Cet ouvrage propose aussi des solidarités nouvelles pour lutter ensemble contre le fatalisme Page 4 de la couverture **Religion and Spirituality** Don Bell,1992 **Counseling** Mary Thomas Burke,Judith G. Miranti,1995 Although spirituality is gaining increased interest in counseling counselors are reluctant to incorporate the spiritual dimension into their practice This text explores spirituality in counseling so as to encourage counselors to consider their own spirituality and to facilitate the enhancement of spiritual wellness for their clients The chapters present a balance of practical and theoretical concerns Some of the theoretical issues covered here include the interplay of spirituality religion and counseling theories behind spiritual wellness the cross cultural issues presented by religious values approaching clients of different religious background the spiritual and ethical beliefs of humanists the spiritual journey and observers perceptions of how one counselor handled religious issues Articles which explore some of the more practical concerns in counseling examine feminist therapy the spiritual journey of gays and lesbians interreligious group encounters views held by counselors and clergy about depressive religious ideation multicultural awareness of religious beliefs and practices the spiritual needs of the dying and the counselor's role in right to die decisions It is hoped that the information here will be useful to neophytes researchers and practitioners Practitioners should also be challenged to explore their own spiritual dimensions RJM **Christopher Street** ,1990 Sessualità, religioni e sette Giorgio Nadali,1999 *Gay Tantra in Action* William Schindler,2017-08-25 Integrating sexuality with spirituality has been the specialty of traditional Hindu Tantra for at least 1500 years The short readings in this book adapt the concepts and methods of the ancient tantric tradition for LGBT persons of all genders living in our modern rapidly changing world Gay and gender non conforming persons have been condemned or ignored by all major religions and many

LGBT persons may reject religion in general sometimes substituting sex drugs or other diversions Substitutes for true spirituality ultimately fail to remedy the existential conditions of mortality isolation and meaninglessness as only a deep spiritual practice can These readings demonstrate various ways LGBT people can tap into the deepest currents of human spirituality while recognizing the special spiritual needs and aptitudes that come with an LGBT identity Gay Tantra teaches us to attain the heights of spiritual enlightenment utilizing fully our LGBT experiences and ways of being in the world

The Rainbow and the Spirit Carlos C. Roberts, 2012-10 By providing both theoretical and practical primary research data this book gives a spiritual and theological voice to the religious experiences of persons whom many Christians ostracize as persons outside of God's blessings and salvation This study provides that voice by listening respectfully to some LGBT Christians stories of their spiritual experiences and allowing those narratives of their experiences of God in their lives to be heard while letting them speak for themselves alongside the theoretical historical information Through their experiences of God working in different ways in their lives all four research participants were able to reconcile and integrate their faith with their sexual orientation and to arrive at the point of believing that holiness or salvation and homosexuality are not mutually exclusive This book treats the narratives of these same sex oriented Christians as spiritually revelatory and thus a contemporary medium of God's revelation in our post modern era It can therefore help us all homosexual and heterosexual Christians alike including those who are struggling to reconcile their faith and their sexual orientation to see that holiness or salvation and homosexuality are not necessarily mutually exclusive This book is a sequel to my earlier book Blessing Same Sex Unions Theological Reflections 2005
