will be of interest to students faculty and other professionals in social psychology sociology communication and family and women s studies It is also a valuable source of information for teachers researchers and clinicians working in the areas of human sexuality and or close relationships

**Sex and Human Relationships, Edited by Cecil E. Johnson** Cecil E. Johnson (Comp),1970 The Origins and Role of Same-Sex Relations in Human Societies James Neill,2011-10-17 This groundbreaking work draws on a vast range of research into human sexuality to demonstrate that homosexuality is not a phenomenon limited to a small minority of society but is an aspect of a complex sexual harmony that the human race inherited from its animal ancestors Through a survey of the patterns of sexual expression found among animals and among societies around the world and an examination of the functional role homosexual behavior has played among animal species and human societies alike the author arrives at some provocative conclusions that a homosexual or bisexual phase is a normal part of sexual development that same sex relations play an important balancing role in regulating human reproduction that many societies have institutionalized homosexual traditions in the past and that the harsh condemnation of homosexuality in Western society is a relatively recent phenomenon unique among world societies throughout history This well researched and meticulously documented book is the first that integrates into a coherent picture the startling revelations about human sexuality coming from the recent work of sexual researchers psychologists anthropologists and historians The view that emerges of an ambisexual human species whose complex sexual harmony is being thwarted by the imposition of an artificial understanding of nature represents a new way of thinking about sex

**Love and Sex with Robots** Adrian David Cheok,David Levy,2018-03-03 This book constitutes the refereed proceedings of the Third International Conference on Love and Sex with Robots LSR 2017 held in December 2017 in London UK The 12 revised papers presented together with 2 keynotes were carefully reviewed and selected from a total of 83 submissions One of the biggest challenges of the Love and Sex with Robots conference is to engage a wider scientific community in the discussions of the multifaceted topic which has only recently established itself as an academic research topic within but not limited to the disciplines of artificial intelligence human computer interaction robotics biomedical science and robot ethics etc

Sex, Love, and Friendship Adrienne Leigh McEvoy,2011-08 The joke is that all the prostitutes go on vacation when the philosophers come to town The reason that the other conventioners do it philosophers just talk about it And talk about sex and love and friendship is what the contributors to this volume do They talk and argue split hairs and clarify all trying to advance our understanding of this most interesting practice of the human species Some of the best minds on three continents from four nations and eighteen of the United States discuss such topics as adultery commitment cross dressing gender politics date rape family friendship friends as lovers gayness love marital pluralism marriage prostitution religiously motivated anti queer sentiments same sex marriage seduction and self respect Rather than preach participants probe our attitudes and practices involving these issues with the aim of better understanding the broad range of sexual practices of our species The result is a collection

of stimulating essays that can enliven class discussions as well as provide guidance for the sexually perplexed The work is accessible to readers from high school through college and beyond      Marriage, Sex, and Procreation Steven Schafer, 2019-09-09 The contemporary church's debate on the inclusion of same sex individuals and their relationships has devolved into diametrically opposed positions Rather than resolving the argument the conversation between the two sides reflects the impasse that is taking place in denominations across the West It is clear that the dispute cannot be resolved while couched in these terms In this timely work Steven Schafer invites the reader to move beyond the terms of the current debate toward the underlying doctrinal concerns so often glossed over by that discussion This book is a work of hermeneutics that engages the contemporary discussion on the legitimacy of same sex relationships with the grand theological narrative handed down by the church By placing four contemporary revisionists in dialogue with the work of Augustine the book provides language and theological avenues to reframe the debate and contributes to the church's ongoing discernment

*Gender, Power, and Communication in Human Relationships* Pamela J. Kalbfleisch, Michael J. Cody, 2012-12-06 This edited volume establishes a state of the art perspective on theory and research on gender power and communication in human relationships Both theoretical essays and review chapters address issues relevant to female and male differences in power dominance communication equality and expectations beliefs All chapter contributors share two commonalities First each provides a 1990s assessment of power and equality in female and male relationships Second each reviews respective programs of research and focuses attention on the relevance of this research to understanding the relationships of women and men Unique because it incorporates a multidisciplinary approach to the study of gender and the communication of power in human relationships this book includes the original work of intellectuals with national and international reputations in the social sciences The volume provides both scholastic breadth and centralized treatment of issues that form the very foundation of social and personal relationships It will appeal to scholars working in the disciplines of communication and psychology as well as other areas of social science research      *Theology and Sexuality* Susannah Cornwall, 2013 The SCM Studyguide Pastoral Theology designed to support undergraduate courses for the training of clergy and lay pastoral workers at an accessible introductory level The book aims to develop pastoral wisdom and integrity through a critical integration of theology and the human sciences Introducing key themes in theological anthropology and pastoral practice it shapes a creative pastoral vision which is deeply rooted in a Christian vision of what it means to be human and what it takes to care Working with case studies the book will introduce broad frameworks of understanding of issues such as growth loss and sexuality together with critical perspectives on important aspects of practice such as language power and boundaries The book provides an accessible overview of key concepts in pastoral theology offering key entry points for further discussion and study Each chapter includes discussion questions and or reflective exercises at the end of each chapter together with a short bibliography Throughout the text key summaries of learning will be indicated by boxed Practice Points      *Love, Sexuality,*

*and Matriarchy* Erich Fromm, 2024-02-27 A fascinating collection of essays on the complicated relations between men and women from the New York Times bestselling author of *The Art of Loving* The New York Times Book Review The renowned social psychologist delves deep into the fraught relationship between genders drawing upon the influential insights of Bachofen Freud Marx and Briffault Not primarily interested in the existence of anatomical and biological differences between the sexes Fromm instead analyzes how these differences have been made use of throughout human history Drawing from Bachofen's *Mother Right* Fromm expounds on how matriarchal and patriarchal social structures determine relations between the sexes in essential ways and how they are shaped by the dominant orientation of the social character at any given time He posits that the most important question concerning gender relations is which characterological orientation determines human relationships love or hate love of life or fascination with force Thus it will not be gender conflict that will determine humanity's future but whether we opt for love of life or love of death As these essays show Fromm was a wide ranging thinker whose writings sometimes manifested brilliant insights or practical wisdom Kirkus Reviews

*Robot Sex* John Danaher, Neil McArthur, 2018-09-11 Perspectives from philosophy psychology religious studies economics and law on the possible future of robot human sexual relationships Sexbots are coming Given the pace of technological advances it is inevitable that realistic robots specifically designed for people's sexual gratification will be developed in the not too distant future Despite popular culture's fascination with the topic and the emergence of the much publicized Campaign Against Sex Robots there has been little academic research on the social philosophical moral and legal implications of robot sex This book fills the gap offering perspectives from philosophy psychology religious studies economics and law on the possible future of robot human sexual relationships Contributors discuss what a sex robot is if they exist why we should take the issue seriously and what it means to have sex with a robot They make the case for developing sex robots arguing for their beneficial nature and the case against it on religious and moral grounds they consider the subject from the robot's perspective addressing such issues as consent and agency and they ask whether it is possible for a human to form a mutually satisfying loving relationship with a robot Finally they speculate about the future of human robot sexual interaction considering the social acceptability of sex robots and the possible effect on society Contributors Marina Adshade Thomas Arnold Julie Carpenter John Danaher Brian Earp Lily Eva Frank Joshua Goldstein Michael Hauskeller Noreen Herzfeld Neil McArthur Mark Migotti Sven Nyholm Ezio di Nucci Steve Petersen Anders Sandberg Matthias Scheutz Litska Strikwerda Nicole Wyatt

Human-Robot Intimate Relationships Adrian David Cheok, Emma Yann Zhang, 2019-02-12 The idea of humans falling in love with artificial beings is not a modern conception Our relationship with artificial partners has come a long way since Pygmalion and his ivory lover In recent years there has been a strong upsurge of interest and discussions in the various aspects of intimate relationships between humans and artificial partners This interest is evidenced by the increase in media coverage TV documentaries and films on this topic as well as the active research efforts within the academic community This

book provides a comprehensive collection and overview of the latest development in the field of intimate relationships between humans and artificial partners in particular robots and virtual agents It includes relevant research work undertaken by the authors the latest advancements in technology and commercial products and future predictions and insights from leading experts in the area This book contains an in depth discussion of the engineering philosophical psychological ethical and sociological implications of relationships with artificial companions It also gives a glimpse of some future directions of artificial intelligence human computer love and sexual interaction robotics engineering etc It is a great resource for researchers and professionals working in these areas The narrative style of the book also makes it an enjoyable and educational read for everyone     SCM Core Text Theology and Sexuality Susannah Cornwall,2013-02-18 The SCM Core Text Theology and Sexuality provides a clear overview of the theological debate surrounding sexuality as broadly understood It gives an outline of the major themes surrounding sexuality in theological perspective focusing on key thinkers concepts and areas of discussion This student friendly textbook is aimed at theology students and ordinands studying at undergraduate level 3 and MA level who are undertaking modules on theology and sexuality gender sex and the human body It is also accessible to Christian clergy and laypeople who wish to engage with issues of sexuality in congregations The use of extensive glossaries breakout definitions and examples makes the book accessible to those with little existing knowledge of contemporary debates on theology and sexuality The book includes chapters on definitions of sexuality sexuality in the Christian tradition Christian approaches to marriage celibacy and virginity and same sex relationships     The Sexual Life of Our Time in Its Relations to Modern Civilization Iwan Bloch,1909     Sex Difference in Christian Theology Megan K. DeFranza,2015-05-16 How different are men and women When does it matter to us or to God Are male and female the only two options In Sex Difference in Christian Theology Megan DeFranza explores such questions in light of the Bible theology and science Many Christians entrenched in culture wars over sexual ethics are either ignorant of the existence of intersex persons or avoid the inherent challenge they bring to the assumption that everybody is born after the pattern of either Adam or Eve DeFranza argues from a conservative theological standpoint that all people are made in the image of God male female and intersex and that we must listen to and learn from the voices of the intersexed among us     *Practicing Science Fiction* Karen Hellekson,Craig B. Jacobsen,Patrick B. Sharp,2014-01-10 Drawn from the Science Fiction Research Association conference held in Lawrence Kansas in 2008 the essays in this volume address intersections among the reading writing and teaching of science fiction Part 1 studies the teaching of SF placing analytical and pedagogical research next to each other to reveal how SF can be both an object of study as well as a teaching tool for other disciplines Part 2 examines SF as a genre of mediation between the sciences and the humanities using close readings and analyses of the literary scientific nexus Part 3 examines SF in the media using specific television programs graphic novels and films as examples of how SF successfully transcends the medium of transmission Finally Part 4 features close readings of SF texts by women including Joanna Russ

Ursula K Le Guin and Octavia E Butler
