## **Sex And Sensibility Stories Of A Lesbian Generation:**

Sex and Sensibility Arlene Stein, 2023-04-28 In the first book to analyze shifts in lesbian identity consciousness and culture from the 1970s to the 1990s Arlene Stein contributes an important chapter to the study of the women's movement and offers a revealing portrait of the exchange between a radical generation of feminists and its successors Tracing the evolution of the lesbian movement from the bar scene to the growth of alternative families Stein illustrates how a generation of women transformed the woman centered ideals of feminism into a culture and a lifestyle Sex and Sensibility relates the development of a queer sensibility in the 1990s to the foundation laid by the gay rights and feminist movements a generation earlier Beginning with the stories of thirty women who came of age at the climax of the 70s women's movement many of whom defined lesbianism as a form of resistance to dominant gender and sexual norms Stein explores the complex issues of identity that these women confronted as they discovered who they were and defined themselves in relation to their communities and to society at large Sex and Sensibility ends with interviews of ten younger women members of the post feminist generation who have made it a fashion to dismiss lesbian feminism as overly idealistic and reductive Enmeshed in Stein's compelling and personal narrative are coming out experiences questions of separatism work desire children and family Stein considers the multiple identities of women of color and the experiences of intermittent and ex lesbians Was the lesbian feminist experiment a success What has become of these ideas and the women who held them In answering these questions Stein illustrates the lasting and profound effect that the lesbian feminist movement had and continues to have on contemporary women's definitions of sexual identity In the first book to analyze shifts in lesbian identity consciousness and culture from the 1970s to the 1990s Arlene Stein contributes an important chapter to the study of the women's movement and offers a revealing portrait of the exchange between a r

*Sex and Sensibility* Arlene Stein, 1997 Tracing the evolution of the lesbian movement from the bar scene to the growth of alternative families this text illustrates how a generation of women transformed the woman centered ideals of feminism into a culture and a lifestyle The text relates the development of a queer sensibility in the 1990s to the foundation laid by gay rights and feminist movements a generation earlier It considers the effect that the lesbian feminist movement had and continues to have on contemporary women's definitions of sexual identity

**Sex and Sensibility** Arlene Stein, 1997 In describing brilliantly the great complexity of sexual identity as an individual a cultural and a political project Arlene Stein definitively reshapes our understanding of sexuality No one after reading Sex and Sensibility can think that sexual orientation is an obvious matter Nancy J Chodorow author of Femininities Masculinities Sexualities Freud and Beyond Stein does an outstanding job of relating the development of a queer sensibility in the 1990s to the foundation created by gay rights and feminist movements a generation earlier Ellen Lewin author of Lesbian Mothers Accounts of Gender in American Culture At last a work that escapes the stultifying quagmire of the feminist sex wars between social constructionism and essentialism Arlene Stein is the Jane Austen of lesbian identity politics Judith Stacey

author of *In the Name of the Family*      *The Ashgate Research Companion to Lesbian and Gay Activism* David Paternotte, Manon Tremblay, 2016-03-03 The Ashgate Research Companion to Lesbian and Gay Activism provides scholars and students with a comprehensive and authoritative state of the art review of the current research in this subject Each of the 22 specially commissioned chapters develops and summarises their key issue or debate in relation to activism that is the claims strategies and mobilisations including internal debates and divisions impediments and state responses of the lesbian and gay movement By drawing together leading scholars from political science sociology anthropology and history this companion provides an up to the minute snapshot of current scholarship as well as signposting several fruitful avenues for future research This book is both an invaluable resource for scholars and an indispensable teaching tool for use in the classroom      *Lesbian Discourses* Veronika Koller, 2008-02-19 *Lesbian Discourses* is the first book length treatment of lesbian text and discourse It looks at what changing images of community American and British lesbian authors have communicated since 1970 how this change can be traced in texts such as pamphlets magazines and blogs and why this change has taken place At the heart of the book is a detailed linguistic analysis which is embedded in a discussion of the relevant socio political contexts and discourse practices and supplemented by interview data The book can more generally be read as an example of how to do textual analysis in social research in particular how to engage in the discourse historical and socio cognitive study of collective identity Despite its text centered approach the book avoids being overly technical and will therefore be of interest not only to postgraduate students and researchers in linguistics but also to those in anthropology history and sociology especially women s gender studies      *Capitalisms and Gay Identities* Stephen Valocchi, 2019-09-04 In this important text Stephen Valocchi brings capitalism back into the study of the gay and lesbian movement He argues that to understand the collective identity structure strategies and goals of the movement we need to understand the role that capitalism and the state have played While capitalism and the state have figured centrally in earlier analyses of social movements these important institutions and their social processes are no longer central concerns of the theory and research of social movements in the United States *Capitalisms and Gay Identities* examines how the class based inequalities and changing class structures of capitalism interact with and indeed help shape the dynamics of other types of inequalities such as gender sexuality race and ethnicity These inequalities and structures in turn shape the specific grievances of and affect the nature of stigma levied against individuals with sexual and gender nonconformity Valocchi shows that capitalism is a dynamic system and as it changes the nature of the movement and the collective identity created by the movement also changes A vital text for undergraduate and postgraduate students of sociology social movements LGBTQ politics and American studies *Capitalisms and Gay Identities* challenges our understanding of many aspects of the gay and lesbian movement when viewed through the lens of capitalism particularly its ability to advance the cause of sexual freedom and gender justice      *Mapping Intimacies* T. Sanger, Y. Taylor, 2013-09-05 This collection explores sexualities families caring

practices and the ways in which people practice intimacy in an ever changing social and political landscape Authors map desires struggles and reconfigurations thereby broadening current understandings of what contemporary intimate life looks like

**Rethinking the Gay and Lesbian Movement** Marc Stein, 2012-11-18 Now in its second edition *Rethinking the Gay and Lesbian Movement* provides an accessible overview of an important and transformational struggle for social change highlighting key individuals and events influential groups and organizations major successes and failures and the movement's lasting effects and unfinished work Focusing on four decades of social cultural and political change in the second half of the twentieth century Marc Stein examines the changing agendas beliefs strategies and vocabularies of a movement that encompassed diverse actions campaigns ideologies and organizations From the homophile activism of the 1950s and 1960s through the rise of gay liberation and lesbian feminism in the 1970s to the multicultural and AIDS activist movements of the 1980s this book provides a strong foundation for understanding gay lesbian bisexual transgender and queer politics today This new edition reflects the substantial changes in the field since the book's original publication eleven years ago *Rethinking the Gay and Lesbian Movement* will be valued by everyone interested in LGBTQ struggles the politics of movement activism and the history of social justice in the United States

**Culture, Health and Sexuality** Peter Aggleton, Richard Parker, Felicity Thomas, 2015-04-24 The last twenty years have seen a growth in multi disciplinary work in the area of sexuality culture and health What was once a set of specialist concerns has been steadily mainstreamed Alongside this a broader interest has developed in social and cultural factors relating to sexuality and sexual health from family planning and STI management to gender and intimate partner violence and the technologisation of sex This book offers a research based overview of key topics relevant to social and cultural perspectives on sexuality and sexual health Beginning with an extended introduction and divided into six sections it looks at culture sex and gender sexual diversity sex work migration and sexual violence Each section opens with an editorial discussion which places the theme and the chapters that follow in a contemporary context Six additional substantive chapters can be accessed online at [www.routledge.com/cw/aggleton](http://www.routledge.com/cw/aggleton) Including cutting edge conceptual and empirical material from around the world this is a key resource for students in and across a variety of academic disciplines in the social and health sciences It is especially suitable for readers from sexuality studies gender studies development studies anthropology and sociology as well as those with public health and social work backgrounds

**Historical Dictionary of the Lesbian and Gay Liberation Movements** JoAnne Myers, 2013-09-19 Not so long ago hardly anything was said of the Lesbian Liberation Movement and the Gay Liberation Movement indeed the terms gay and lesbian were not even used if some other expression could be found Today by contrast hardly a day passes when something important does not occur and is carried by the major media and disseminated on more personal levels through blogs and the social media If anything there is perhaps too much news and not enough information Obviously a book like this cannot keep up with the news but it can do something equally important when it comes to

information by reminding us of the past and what has been going and just how fast events are moving The Historical Dictionary of the Lesbian and Gay Liberation Movements covers the history of this movement through a cross referenced dictionary with over 1000 entries on specific countries and regions influential historical figures laws that criminalized same sex sexuality various historical terms that have been used to refer to aspects of same sex love and contemporary events and legal decisions Including a comprehensive chronology and bibliography this book is an excellent access point for students researchers and anyone interested in learning more about the struggle for equality *A Queer New York* Jen Jack Giesecking,2020-09-15 Winner 2021 Glenda Laws Award given by the American Association of Geographers The first lesbian and queer historical geography of New York City Over the past few decades rapid gentrification in New York City has led to the disappearance of many lesbian and queer spaces displacing some of the most marginalized members of the LGBTQ community In *A Queer New York* Jen Jack Giesecking highlights the historic significance of these spaces mapping the political economic and geographic dispossession of an important thriving community that once called certain New York neighborhoods home Focusing on well known neighborhoods like Greenwich Village Park Slope Bedford Stuyvesant and Crown Heights Giesecking shows how lesbian and queer neighborhoods have folded under the capitalist influence of white wealthy gentrifiers who have ultimately failed to make room for them Nevertheless they highlight the ways lesbian and queer communities have succeeded in carving out spaces and lives in a city that has consistently pushed its most vulnerable citizens away Beautifully written *A Queer New York* is an eye opening account of how lesbians and queers have survived in the face of twenty first century gentrification and urban development Historical Dictionary of Lesbian Literature Meredith Miller,2006 This Historical Dictionary of Lesbian Literature serves two primary functions to provide further information to those already familiar with the field and to explain it to those discovering it for the first time A chronology provides a historical perspective an introduction gives a general yet detailed overview and the dictionary contains several hundred cross referenced entries on important writers such as Sappho Colette and Mary Wollstonecraft styles themes literary movement publishers and outstanding works of the genre Completed by an extensive bibliography this book examines the factors influencing the development of the lesbian identity as an interaction between readers and writers of all kinds of literature BOOK JACKET *Handbook of Lesbian and Gay Studies* Diane Richardson,Steven Seidman,2002-11-18 Drawing from a rich team of global contributors and carefully structured to elucidate the core issues in the field this text is organised into four sections History and theory Identity and community Institutions and Politics **Gay and Lesbian Aging** Gilbert Herdt,Brian De Vries,2003-11-17 The year 2003 marks the 30th anniversary of the landmark declassification of homosexuality as a disease by the American Psychiatric Association a watershed in the lives of gays and lesbians in the United States For the first time in history a generation of self identified lesbians gay men bisexuals and transgender individuals are approaching retirement This volume brings to the forefront important issues concerning the health mental

health and concomitant special social service needs of this population and emphasizes the need for more research on aging sexual minorities Based on empirical and qualitative research methods chapters focus on the myriad issues of aging for lesbians and gay men including Social and Cultural Considerations about HIV Among Midlife and Older Gay Men Psychological Well Being in Midlife Older Gay Men Well Being Among Middle Aged and Older Single Gay Men Lesbian Friendships at and Beyond Midlife Contributors include Judith Barker Jacqueline Weinstock Bertram Cohler and Doug Kimmel among others Beyond the Closet Steven Seidman, 2013-10-18 Gay life has become increasingly open in the last decade In Beyond the Closet Steven Seidman a well known author and leading scholar in sexuality is the first to chronicle this lifestyle change and to look at the lives of contemporary gays and lesbians to see how their out status has changed This compelling well written and smart account is an important step forward for the gay and lesbian community **Gender,**

**Sexuality, and Intimacy: A Contexts Reader** Jodi O'Brien, Arlene Stein, SAGE Publications, Inc., 2017-01-13 This new anthology from SAGE brings together over 90 recent readings on gender sexuality and intimate relationships from *Contexts* the award winning magazine published by the American Sociological Association Each contributor is a contemporary sociologist writing in the clear concise and jargon free style that has made *Contexts* the public face of sociology Jodi O'Brien and Arlene Stein former *Contexts* Editors have chosen pieces that are timely thought provoking and especially suitable for classroom use written introductions that frame each of the books three main sections and provided questions for discussion

*Identity Politics in the Women's Movement* Barbara Ryan, 2001-08 An essential collection that constructs the arguments of similarity and difference dividing and uniting women In recent years identity has come to be seen as a process rather than a fact or deterministic force Yet recognizable identity traits continue to draw people together and provide them with a sense of empowering commonality Although the plasticity afforded identity has freed up rigid definitions and guidelines for affiliation some believe that nebulous demarcations of identity may deprive women of a solid position from which to effectively contest centers of power Bringing together articles by well known authors and theorists such as Audre Lorde June Jordan Daphne Patai Barbara Smith Marilyn Frye Shane Phelan Leila J Rupp Hazel Carby and Adrienne Rich with lesser known writers and scholars this broad based anthology ranges widely from personal narratives to empirical research The book unpacks issues of race class gender ethnicity sexuality disability and age contributing a m range of sharp lively perspectives to current debate In a postmodern era of feminism how do women come to identify organize and mobilize themselves within a complex global network of relationships *Identity Politics in the Women's Movement* offers critical examination of the inescapable role of identity in academic and activist feminism and the opportunities challenges and conflicts identity politics pose **Heterophobia** Daphne Patai, 2000-06-28 Once confident in the potential of feminism to create a more equitable and just society Daphne Patai persuasively demonstrates in *Heterophobia* how the efforts of some feminists members of what she calls the sexual harassment industry have created an environment that stifles healthy and

natural interactions between the sexes The tremendous growth of sexual harassment legislation represents feminism's greatest contemporary success but this victory has dubious consequences a world where kindergarten boys face legal action for kissing female classmates and men are sued by coworkers for offenses such as unwanted hugs uninvited compliments or glances that last too long

**The Handbook of Fashion Studies** Sandy Black, Amy de la Haye, Joanne Entwistle, Regina Root, Agnès Rocamora, Helen Thomas, 2014-01-02 The Handbook of Fashion Studies identifies an innovative spectrum of thematic approaches key strands and interdisciplinary concepts that continue to push forward the boundaries of fashion studies The book is divided into seven sections Fashion Identity and Difference Spaces of Fashion Fashion and Materiality Fashion Agency and Policy Science Technology and New fashion Fashion and Time and Sustainable Fashion in a Globalised world Each section consists of approximately four essays authored by established researchers in the field from the UK USA Netherlands Sweden Canada and Australia The essays are written by international subject specialists who each engage with their section's theme in the light of their own discipline and provide clear case studies to further knowledge on fashion This consistency provides clarity and permits comparative analysis The handbook will be essential reading for students of fashion as well as professionals in the industry

*Queers, Bis, and Straight Lies* Meredith Worthen, 2020-03-16 Though there have been great advances for LGBTQ people in recent years stigma intolerance and prejudice remain *Queers Bis and Straight Lies* An Intersectional Examination of LGBTQ Stigma offers an in depth exploration of LGBTQ negativity through its groundbreaking use of Norm Centered Stigma Theory NCST the first ever theory about stigma that is both testable and well positioned in existing stigma scholarship Based on research with more than 3 000 respondents hetero cis normativity and intersectionality are highlighted as fundamental in understanding separate but interconnected discussions about LGBTQ individuals' experiences with discrimination harassment and violence With chapters dedicated to lesbian women gay men bisexual women bisexual men trans women trans men non binary genderqueer people queer women and queer men *Queers Bis and Straight Lies* brings together empirically driven findings that work toward dismantling straight lies in an innovative and impactful manner Through its novel and critical approach *Queers Bis and Straight Lies* is the ideal resource for those who want to learn about LGBTQ stigma more broadly and for those who seek a nuanced theory driven and intersectional examination of how LGBTQ prejudices and prejudicial experiences differ by gender identity sexual identity race ethnicity and class
