Sex And Spirit Exploring Gay Mens Spirituality

Stephen Hunt

Sex And Spirit Exploring Gay Mens Spirituality:

Sex and Spirit Robert Barzan,1995 Explore new perspectives in gay men s spirituality Coming out Zen sexuality shamanism ecology HIV whatever is part of gay life is explored in this dynamic collection of essays by some of our most respected spokesmen Page 4 of cover

Queering Christ Robert E. Goss,2007-01-01 In *Queering Christ* Robert E Goss summarizes a decade of his thinking as a queer Christian theologian sharing his queering of four critical areas sexuality Christ the Bible and theology These areas form the quadrants of his own spirituality that aims at the queer reconstruction of Christianity and reflects a life that strives to integrate the depths of spirituality and sexuality with a practice of justice Many aspects of the work are guaranteed to be highly controversial within and outside of the LGBT community

Gays and Grays Donal Godfrey,2008-04-01 This book tells the story of a unique Catholic Parish Most Holy Redeemer Parish in San Francisco The story tells how the original parishioners the gray accepted the new gay community especially in response to the AIDS epidemic

Men and Masculinities in Christianity and Judaism Bjorn Krondorfer,2013-02-12 Bjorn Krondorfer one of the leading scholars in this field has collected 35 key texts that have shaped this field within the wider area of the study of gender religion and culture The texts in this critical reader engage actively and critically with the position of men in society and church men s privileged relation to the sacred and to religious authority the ideals of masculinity as engendered by religious discourse and alternative trajectories of being in the world whether spiritually relationally or sexually Each of the texts is introduced by the editor and accompanied by bibliographies that make this the ideal tool for study

God vs. Gay? Jay Michaelson,2012-05-08 A passionate argument for LGBTQ equality within religious communities a book for our times and a book for the ages EDGE The myth that the Bible forbids homosexuality the myth of God versus Gay is behind some of the most divisive and painful conflicts of our day In this provocative and game changing book scholar and activist Jay Michaelson shows that the Bible does not prohibit same sex intimacy but does quite the opposite In fact the vast majority of the Bible s teachings support the full equality and dignity of LGBTQ people from the first flaw it finds in creation It is not good for a person to be alone to the way religious communities grow through reflection and conscience Michaelson argues passionately for equality not despite religion but because of it With close readings of the Hebrew Bible and New Testament the latest data on the science of sexual orientation and a sympathetic accessible and ecumenical approach to religious faith Michaelson makes the case that sexual diversity is part of the beauty of nature The recognition of same sex families will strengthen not threaten the values religious people hold dear Whatever your views on religion and sexual diversity *God vs Gay* is a plea for a more compassionate informed conversation and a first step toward creating one

Religion and LGBTQ Sexualities Stephen Hunt,2016-12-05 This compiled and edited collection engages with a theme which is increasingly attracting scholarly attention namely religion and LGBTQ sexuality Each section of the volume provides perspectives to understanding academic discourse and wide ranging debates around LGBTQ sexualities and religion and spirituality The collection also draws

attention to aspects of religiosity that shape the lived experiences of LGBTQ people and shows how sexual orientation forges dimensions of faith and spirituality Taken together the essays represent an exploration of contestations around sexual diversity in the major religions the search of sexual minorities for spiritual safe spaces in both established and new forms of religiosity and spiritual paths formed in reconciling and expressing faith and sexual orientation This collection which features contributions from a number of disciplines including sociology anthropology psychology history religious studies and theology provides an indispensable teaching resource for educators and students in an era when LGBTQ topics are increasingly finding their way onto numerous undergraduate post graduate and profession orientated programmes

A Special Illumination Rollan McCleary, 2017-07-28 Gay spirituality represents a hidden strand in Western thought that was only publically declared from the Gay Liberation of the 1970s Since coming out expressions of gay spirituality have proliferated in both number and diversity Beginning with gay theology within Christianity the phenomenon has now reached as far as Buddhism and neo paganism But so far critical analysis of the movement has been very limited largely because gay spirituality has been treated as a political and social movement arguing for rights and acceptance within religious circles A Special Illumination offers an indepth analysis and argues that gay spirituality should be placed at the heart of religion

The Wonder of Boys Michael Gurian, 2006-09-07 THE WONDER OF BOYS is a provocative book that electrifies the debate over how this nation raises sons USA Today In this insightful and practical book Michael Gurian describes what boys need to become strong responsible sensitive men Instead of encouraging us to stifle boys natural propensities for competition and aggression Gurian offers effective and practical guidelines for channeling them He shows how the evils boys are susceptible to including gang activity sexual misconduct and crime become necessary outlets when positive role models and adult support are not available Most important Gurian explains what a boy really needs a primary and an extended family relationships with mentors and intense support from his school and community and details how we can provide these things for the boys we love

Body and Soul Marvin M. Ellison, Sylvia Thorson-Smith, 2008-07-01 Ellison and Thorson Smith have coedited a collection of essays in collaboration with two dozen prominent theologians that plays off the controversial 1991 Presbyterian study they coauthored entitled Keeping Body and Soul Together Sexuality Spirituality and Social Justice and takes stock of sexuality religion and ethics at the beginning of the new millennium The cutting edge analyses address the possibilities and demands of a justice love ethic for individuals church and society

Queer Religion Donald Boisvert, Jay E. Johnson, 2011-12-13 This ground breaking and eye opening book examines the intersections of religion and same sex desire from St Augustine to Hinduism to contemporary LGBT and queer culture Queer Religion provides a systematic and detailed overview of the challenges and issues that the intersections of religion same sex desire and gender variance have generated both now and in the past It focuses upon the development of these areas of overlap through three distinct historical periods modern religious history LGBT liberation movements and the emergence of queer theory and analysis This two volume

collection of eclectic essays investigates the experiences of queer people and religion providing a broad unique and invaluable analysis of this important cultural and theological encounter As a group the contributors offer brave insights and diverse perspectives on a variety of topics dealing with religion same sex desire and gender expression Some of these essays are explicitly historical in focus or scholarly articles while others provide autobiographical viewpoints and personal reminiscences This book provides a comprehensive look at the queer dimensions of religious practice and belief essential reading for religious scholars those within the LGBT community and anyone interested in human spirituality and sexuality

Tarot Shadow Work Christine Jette, 2000 In *Tarot Shadow Work* Christine Jette bravely takes the practice of tarot readings to new depths and places many people fear to go She shows us how we can use the cards to trigger awareness in ourselves of troubling aspects of our lives and histories and then go beyond discovery to use the cards as tools for healing This is part of the work that needs to be done with tarot in this new century Rachel Pollack author of *78 Degrees of Wisdom* and the forthcoming *Shining Tribe Tarot* Deep within our psyches the unconscious holds our forbidden feelings secret wishes and creative urges Over time these dark forces take on a life of their own and form the shadow a powerful force of unresolved inner conflicts and unexpressed emotions that defies our efforts to control it The shadow takes its shape from a menagerie of archetypes each recognizable throughout time and around the world troubling characters who thrive within our persona The shadow is saboteur martyr victim addict sadist masochist or tyrant all the dark figures that prey on the lighter qualities of the human personality The shadow also represents those latent talents and positive traits that were banished from us at some time along our life path artistic musical athletic or creative talents An undeveloped ability a dream that has gone unexpressed a fantasy of what might have been these too make up the personal shadow the lost parts of ourselves *Tarot Shadow Work* shows you how to free yourself from the shackles of the shadow's power Through tarot work journaling meditation creative visualization and dream work you will bring the shadow into the light This book is ideal for those who are in recovery from a serious addiction or illness as well as any person seeking a deeper understanding of his or her true self By exploring the dark and uncharted territory of the unconscious mind you will work towards understanding and integrating the shadow No prior knowledge of the tarot is required You will learn to use the cards as a tool to help you break free from negative patterns and self destructive behavior Once we realize that we are made of both light and darkness life will start to make sense When we accept our dual natures we stop sabotaging our own efforts and learn to be compassionate with others and with ourselves

From Sin to Amazing Grace Patrick S. Cheng, 2012-03-01 Throughout the history of Christianity lesbian gay bisexual and transgender LGBT or queer people have been condemned as unrepentant sinners who are in dire need of God's saving grace As a result of this condemnation LGBT people have been subjected to great spiritual emotional and physical abuse and violence This issue takes on a particular urgency in light of the ongoing harassment and bullying of LGBT young people by their classmates Cheng argues that people need to be liberated from the traditional legal model of

thinking about sin and grace as a violation of divine and natural laws in which grace is understood as the strength to refrain from violating such laws Rather Cheng proposes a Christological model based upon the theologies of Irenaeus Bonaventure and Barth in which sin and grace are defined in terms of what God has done for us in Jesus Christ This book serves as a useful resource for all people who struggle to make sense of the traditional Christian doctrines of sin and grace in the context of the 21st century

A Church Wide Enough for Everyone Steven H. Propp, 2018-02-03 Robert Schaeffer and Douglas West are best friends living in Oklahoma in 1963 when they discover that they both sense a calling to become ministers in a mainline Christian denomination But from seminary and their early years in ministry to their golden years looking back on what it takes to lead a congregation a stimulating sometimes puzzling yet often inspirational world of theological controversies and congregational concerns would unfold for these two men of God *A Church Wide Enough for Everyone* follows these two men on their journey to demonstrate the continuing relevance of the Christian faith in a postmodern world After moving to Berkeley California to attend college and seminary they have little time to ponder the vast social changes taking place before they immediately enter into intensive critical study of the Bible and Christian theology And as Robert is then thrust into the ordained ministry with his wife Faye both men must in their own ways face the political cultural and ideological pressures of each passing decade responding to challenges from both within the church and from outsiders Are mainline churches and Christian theology dead Or might they be revitalized in the current century *A Church Wide Enough for Everyone* and the inspired journeys of two ministers offers a window into how this revitalization and new understanding is possible

Mr Isherwood Changes Trains Victor Marsh, 2021-01-01 British expatriate writer Christopher Isherwood 1904-1986 moved to America prior to the Second World War and lived more than half his life in California writing for the Hollywood studios Famous initially for the stories he wrote during the rise of the Nazis he attracted a second wave of interest in the 1970s with his out autobiography *Christopher and His Kind* 1976 But much less is known about Isherwood's writing during his forty years as a student of a guru from the Ramakrishna Order In *Mr Isherwood Changes Trains* Victor Marsh interrogates the assumptions and prejudices that have combined to disparage the sincerity of Isherwood's religious life Marsh elucidates those features of Vedanta philosophy that enabled Isherwood to integrate the various aspects of his dharma his vocation as a writer and a spirituality not predicated on the repudiation of his sexuality Marsh details the heartfelt search for a home self that found expression in later works such as *My Guru and his disciple* and in what is seen as Isherwood's finest novel *A single man* 1964

Thoughts of a Tribal Elder Roger Goodman, 2011-12-07 This book documents Roger's extraordinary life's journey through the sources of his addictions and how they played an integral part in his life experiences These are detailed in his spiritual quest to understand his being in this life His quest takes him through Queer history symbols mythology rituals and spiritualities This spiritual quest is further developed through his experiencing AIDS related illnesses and with returning to life after encounters with the Death Crone These all unfolded through his recovery from these

addictions until where he has today peace and serenity as he never achieved previously **Not Just a Passing Phase**

George A. Appleby, Jeane W. Anastas, 1998 This comprehensive textbook helps social workers understand and meet the needs of lesbian gay and bisexual people It outlines approaches to a range of everyday problems associated with issues of oppression family acceptance shame identity development HIV disease and addiction The first of the book's three sections provides an overview of what it means to be gay lesbian or bisexual and locates the text within the ecological model of social work on individual interpersonal and institutional levels of intervention This section includes definitions of sexual orientation forms of heterosexism and homophobia and issues of community among gay lesbian and bisexual people The second section covers life transitions including childhood adolescence and late life as well as sexual relationships parenting and life in the workplace The last part covers the special issues and challenges of mental health substance abuse violence both gay bashing and domestic violence and HIV disease The final chapter pulls together the practice concepts introduced in the book and provides a blueprint for knowledge development and dissemination in the field **Defying the Darkness** J. Michael

Clark, 2010-01-01 Clark's work is original in that he has inserted himself precisely as a gay scholar in the midst of an ongoing conversation far larger than that of the gay world including ecofeminism Judaism and Native American and shows especially how queer theory and ecofeminism can illuminate each other Richard L Smith author of AIDS Gays and the American Catholic Church The Pilgrim Press *Reader's Guide to Lesbian and Gay Studies* Timothy F. Murphy, 2000 A guide to existing academic literature on issues persons periods and topics important in lesbian and gay studies With a focus on book length studies in English entries offer a very brief introduction and a more detailed overview of the secondary literature including the relative merits of each source under consideration While the overall arrangement of entries is alphabetical other means of access include a booklist general indexes cross references and a thematic list African American culture AIDS art and artists Asian studies biological sciences lesbian and gay culture education family gender studies history law literature media studies medicine music performing arts politics psychology philosophy and ethics and others Annotation copyrighted by Book News Inc Portland OR *Counseling Gay Men and Lesbians* Robert L. Barret, Colleen Logan, 2002 1 Sexual

orientation Social and cultural context 2 Gay and lesbian identity development 3 Counseling lesbians 4 Counseling gay men 5 Counseling gay and lesbian couples 6 Counseling bisexual and transgendered clients 7 Sexual minority youth 8 Spiritual issues for gay men and lesbians 9 Gay and lesbian parenting 10 Gay and lesbian health issues **Blessing Same-Sex**

Unions Mark D. Jordan, 2013-09-03 At most church weddings the person presiding over the ritual is not a priest or a pastor but the wedding planner followed by the photographer the florist and the caterer And in this day and age more wedding theology is supplied by Modern Bride magazine or reality television than by any of the Christian treatises on holy matrimony Indeed church weddings have strayed long and far from distinctly Christian aspirations The costumes and gestures might still be right but the intentions are hardly religious Why then asks noted gay commentator Mark D Jordan are so many churches

vehemently opposed to blessing same sex unions In this incisive work Jordan shows how carefully selected ideals of Christian marriage have come to dominate recent debates over same sex unions Opponents of gay marriage he reveals too often confuse simplified ideals of matrimony with historical facts They suppose for instance that there has been a stable Christian tradition of marriage across millennia when in reality Christians have quarreled among themselves for centuries about even the most basic elements of marital theology authorizing experiments like polygamy and divorce Jordan also argues that no matter what the courts do Christian churches will have to decide for themselves whether to bless same sex unions No civil compromise can settle the religious questions surrounding gay marriage And queer Christians he contends will have to discover for themselves what they really want out of marriage If they are not just after legal recognition as a couple or a place at the social table do they really seek the blessing of God Or just the garish melodrama of a white wedding Posing trenchant questions such as these Blessing Same Sex Unions will be a must read for both sides of the debate over gay marriage in America today

Decoding **Sex And Spirit Exploring Gay Mens Spirituality**: Revealing the Captivating Potential of Verbal Expression

In an era characterized by interconnectedness and an insatiable thirst for knowledge, the captivating potential of verbal expression has emerged as a formidable force. Its capability to evoke sentiments, stimulate introspection, and incite profound transformations is genuinely awe-inspiring.
