**The Truth about Crime** Jean Comaroff,John L. Comaroff,2016-12-05 This new book by the well known anthropologists Jean and John L Comaroff explores the global preoccupation with criminality in the early twenty first century a preoccupation strikingly disproportionate in most places and for most people to the risks posed by lawlessness to the conduct of everyday life Ours in an epoch in which law making law breaking and law enforcement are ever more critical registers in which societies construct contest and confront truths about themselves an epoch in which criminology broadly defined has displaced sociology as the privileged means by which the social world knows itself They also argue that as the result of a tectonic shift in the triangulation of capital the state and governance the meanings attached to crime and with it the nature of policing have undergone significant change also that there has been a palpable muddying of the lines between legality and illegality between corruption and conventional business even between crime and policing which exist nowadays in ever greater hyphenated complicity Thinking through Crime and Policing is therefore an excursion into the contemporary Order of Things or rather into the metaphysic of disorder that saturates the late modern world indeed has become its

leitmotif It is also a meditation on sovereignty and citizenship on civility class and race on the law and its transgression on the political economy of representation People: True Crime Stories Editors of People Magazine, 2005-07-19 The evidence suspects trials testimony and turning points of the most dramatic or most curious crimes of the past 30 years as told by the writers and editors who covered the stories from the first gunshot to the final clank of the prison gate Meet the rich cast of perps heroes and victims who make true crime stories among Peoples most read features year after year Also included great photos sections on oddball crimes and celebrity mug shots and reviews of the best true crime made for TV movies
