**Older People** Rhonda Nay,Sally Garratt,Deirdre Fetherstonhaugh,2013-11-07 Now in its fourth edition trusted textbook Older People Issues and Innovations in Care provides a unique collection of conversations and commentaries by leading international and local experts on a range of contemporary issues around the care of older people Featuring six new chapters current research and policy changes the esteemed author team continue to highlight the importance of interdisciplinary healthcare in providing a comprehensive person centred approach to care This edition encourages readers to explore care issues innovations and change and to utilise evidence based practice to improve the care of older people and their families Editors comments precede each chapter providing a snapshot of the issues addressed Dementia care has an increased focus New chapters include Caring for older people issues for consumers Younger people in residential aged care facilities Health and care of

older Aboriginal and Torres Strait Islander peoples Alzheimer's dementia neuropsychology early diagnosis and intervention Self esteem dignity and finding meaning in dementia My journey of heartbreak my parents and Alzheimer's disease Vignettes highlight innovative approaches to care that result in improved health outcomes for older people Key points are woven through the text to reiterate vital information relevant to nurses and aged care workers Reflective questions encourage critical thinking as an instrument for improving practice In text references are made to video interviews available on the Evolve site This text reflects new thinking in care include the ideas and experiences of policy analysts nurses doctors allied health professionals and the consumer experience mainly from Australia but with international contributions and be based on contemporary research It will also point readers to the evidence where it exists and include vignettes of practice and video clips where appropriate

Ageing and Sexualities Rosie Harding, Elizabeth Peel, 2017-05-15 This book showcases developments in theory research and practice regarding sexuality and ageing considering the differences as well as similarities between and among ageing heterosexual and LGBT older people Identifying the questions central to future social scientific research on ageing and sexuality it focuses on the important emerging dimensions of sexuality and ageing embodiment the diversification of the ageing context and the intersections of care and sexuality With attention to the different forms of sexualities particularly at their intersection with gender this volume explores the importance of spatial and relational contexts whether individual residential or virtual with authors offering studies of online dating sexuality in the context of residential care and the relationship between sexuality legal frameworks and social policy Interdisciplinary in scope and offering the latest research from scholars in the UK Australasia and Africa Ageing and Sexualities constitutes an integrated approach to the conceptual and practical challenges of understanding the interplay of ageing and sexuality in contemporary society As such it will appeal to scholars from a variety of disciplinary backgrounds including sociology cultural studies socio legal studies social gerontology psychology medicine and health care

EBOOK: Sexuality, Sexual Health and Ageing Merryn Gott, 2004-12-16 What factors underpin dominant understandings of later life sexuality How do older people experience and prioritise sexuality and sexual health What sexual health issues are relevant to older people and how are these addressed by health care professionals This is the first book to integrate theoretical insights into sexuality sexual health and ageing with research findings from studies conducted with older people and the professionals that work with them The book is split into three sections In the first section stereotypes that typify contemporary understandings of sexuality and ageing are explored particularly the myth of asexual old age and the more recent stereotype of the sexy oldie Section two identifies what we actually know about ageing and sexuality by reviewing current literature as well as presenting findings from one of the first qualitative studies to explore sexuality from the perspective of older people themselves The final section of the book explores what sexual health means within the context of ageing and focuses on issues relevant to health professionals working with older people Sexuality Sexual Health and Ageing provides key reading for students researchers

practitioners and policymakers working within gerontology sociology psychology social work health sciences nursing and medicine This book is likely to become essential reading for all academics and professionals working with older people or in the area of sexual health **Elder Care Made Easier** Marion Somers, 2020-07-15 If you are caring for an aging parent spouse or other loved one you are not alone Statistics show that nearly 25 percent of all households in the United States are providing care for an elderly person Although you may be willing to help you may find the task comes with unexpected challenges Matters you never thought about are now your responsibility healthcare housing financial and legal matters as well as day to day issues involving nutrition medications and personal safety You may find yourself worried overworked and exhausted Over the past forty five years Doctor Marion Somers a leading geriatric specialist has helped thousands of individuals and their families with these matters In **Elder Care Made Easier** she draws from those decades of experience to offer 10 practical steps to help you navigate your caregiver's journey Communicate openly Put safety first Improve the lifestyle Make life easier with adapted equipment Manage financial issues Take care of legal matters Find mobility in disability Find the right housing Hire help when it's needed Learn to let go Doctor Marion Will Save You Time Money and Heartache **Addressing the Sexual Rights of Older People** Catherine Barrett, Sharron Hinchliff, 2017-11-02 There is growing evidence that the sexual rights of older people are not being met One reason perhaps the main reason relates to the way that old age is viewed In many cultures being old is associated with decline and disease which positions older people as dependent and powerless Furthermore an absence of positive or celebratory discourses around older people's sexuality is particularly striking The book addresses a gap in research and policy Using an adaptation of the Declaration of Sexual Rights from the World Association of Sexual Health it provides readers with an innovative and evidence based framework for achieving the sexual rights of older people Drawing on interdisciplinary research it explores the cultural and social locations of old age and its intersections with sexual orientation gender identity and intersex status Key themes include stigma silencing invisibility prejudice discrimination and a lack of information awareness and understanding **Addressing the Sexual Rights of Older People Theory Policy and Practice** is a text for academics health professionals social professionals service providers and policy makers It is a timely and insightful collection which suggests ways to apply the sexual rights framework raise awareness and engage communities in constructing strategies for reform **Vulnerability and Marginality in Human Services** Mark Henrickson, Christa Fouché, 2017-06-26 Vulnerability has traditionally been conceived as a dichotomised status where an individual by reason of a personal characteristic is classified as vulnerable or not However vulnerability is not static and most if not all people are vulnerable at some time in their lives Similarly marginality is a social construct linked to power and control Marginalised populations are relegated to the perimeters of power by legal and political structures and limited access to resources Neither are fixed or essential categories This book draws on international research and scholarship related to these constructs exploring vulnerability and marginality as they intersect with power and

privilege This exploration is undertaken through the lenses of intimacy and sexuality to consider vulnerability and marginality in the most personal of ways This includes examining these concepts in relation to a range of professions including social work psychology nursing and allied health A strong emphasis on the fluidity and complexity of vulnerability and marginality across cultures and at different times makes this a unique contribution to scholarship in this field This is essential reading for students and researchers involved with social work social policy sociology and gender and sexuality studies

**A Handbook Of Dementia Care** Caroline Cantley, 2001-09-16 Recently professional understanding of dementia has broadened and has opened up new thinking about how we can provide more imaginative responsive and person centred services for people with dementia Against this background A Handbook of Dementia Care provides a wide ranging up to date overview of the current state of knowledge in the field It is comprehensive authoritative accessible and thought provoking It asks How do different theoretical perspectives help us to understand dementia What do we know about what constitutes good practice in dementia care How can we improve practice and service delivery in dementia care How do policy organizational issues and research impact on dementia care This handbook provides a unique multidisciplinary and critical guide to what we know about dementia and dementia care It is written by leading academics practitioners and managers involved in the development of dementia care It demonstrates the value of a wide range of perspectives in understanding dementia care reviews the latest thinking about good practice and examines key ethical issues It explores the way organizations policy and research shape dementia care and introduces a range of approaches to practice and service development A Handbook of Dementia Care is an essential resource for students and professionals in such fields as gerontology social work nursing occupational therapy geriatric medicine psychiatry mental health psychology social services and health services management social policy and health policy

### **Ageing, Gender and Sexuality** Sue

Westwood, 2016-03-10 Ageing Gender and Sexuality focuses on the experiences of older lesbian gay and bisexual LGB individuals in order to analyse how ageing gender and sexuality intersect to produce particular inequalities relating to resources recognition and representation in later life The book adopts a feminist socio legal perspective to propose that these inequalities are informed by and play out in relation to temporal spatial and regulatory contexts Discussing topics such as ageing sexual subjectivities ageing kinship formations classed trajectories and anticipated care futures this book provides a new perspective on older individuals in same sex relationships including those who choose not to label their sexualities Drawing upon recent empirical data the book offers new theoretical approaches for understanding the intersectionality of ageing gender and sexuality as well as analysing the social policy implications of these findings With an emphasis on the accounts of individuals who have experienced the dramatically changing socio legal landscape for LGB people first hand this book is essential reading for students scholars and policymakers working in the areas of gender and sexuality studies ageing studies and gerontology gender sexuality and law equality and human rights sociology socio legal studies and social policy

Ageing Gender and Sexuality won the Socio Legal Studies Association SLSA Hart Prize for Early Career Academics for 2017

*Ethical Considerations and Challenges in Geriatrics* Angela Georgia Catic, 2017-01-31 This book is designed to present an overview of common geriatrics ethical issues that arise during patient care and research activities Each chapter includes a case example and practical learning pearls that are useful in day to day patient care Coverage includes a brief overview of geriatric epidemiology highlighting the high rates of dementia use of surrogate decisions makers at the end of life relocation from home to long term care facilities and low health literacy in the geriatrics population Sections are devoted to issues around capacity surrogate decision making end of life care hemodialysis in the elderly and futility as well as challenges presented by independence questions such as dementia care driving feeding and intimacy in nursing homes The text also addresses questions around recognizing reporting and treating elder abuse and self neglect ethics related to research and technology in the geriatric population and the use of e mail Facebook and open notes Written by experts in the field *Ethical Considerations and Challenges in Geriatrics* is a valuable tool for trainees at a variety of levels including medical students residents and fellows In addition it provides practical guidance and a useful reference for practicing geriatricians primary care physicians geriatric nurses social workers nursing home workers hospice care employees and all medical health professionals working with the elderly

*The Law and Ethics of Dementia* Charles Foster, Jonathan Herring, Israel Doron, 2014-12-01 Dementia is a topic of enormous human medical economic legal and ethical importance Its importance grows as more of us live longer The legal and ethical problems it raises are complex intertwined and under discussed This book brings together contributions from clinicians lawyers and ethicists all of them world leaders in the field of dementia and is a comprehensive scholarly yet accessible library of all the main and many of the fringe perspectives It begins with the medical facts what is dementia Who gets it What are the current and future therapeutic and palliative options What are the main challenges for medical and nursing care The story is then taken up by the ethicists who grapple with questions such as is it legitimate to lie to dementia patients if that is a kind thing to do Who is the person whose memory preferences and personality have all been transformed by their disease Should any constraints be placed on the sexual activity of patients Are GPS tracking devices an unpardonable interference with the patient's freedom These issues and many more are then examined through legal lenses The book closes with accounts from dementia sufferers and their carers It is the first and only book of its kind and the authoritative text This title is included in Bloomsbury Professional's Family Law online service

*Evidence-Based Practice in Dementia for Nurses and Nursing Students* Karen Harrison Denning, 2019-06-21 This essential textbook on dementia care introduces the knowledge that nurses need including the evidence base for practice and the guidance to transfer this newly acquired knowledge into everyday practice Each of the 25 chapters are written by experts in the field of dementia care and are grounded in thoroughly researched up to date evidence have a direct bearing to nurse practice and use case studies to give examples of application of the evidence to practice It begins by introducing dementia as

a diagnosis a syndrome and a set of diseases signs and symptoms It then deals with various principles that underpin dementia care including person centred care behaviours that challenge risk management and understanding relationships affected by dementia Finally it assesses dementia care across a range of care settings such as primary care care homes domiciliary care acute hospital and hospice services

**Intersections of Ageing, Gender and Sexualities** Andrew King, Kathryn Almack, Rebecca L. Jones, 2020-09-16 Available Open Access under CC BY NC licence With an increasingly diverse ageing population we need to expand our understanding of how social divisions intersect to affect outcomes in later life This edited collection examines ageing gender and sexualities from multidisciplinary and geographically diverse perspectives and looks at how these factors combine with other social divisions to affect experiences of ageing It draws on theory and empirical data to provide both conceptual knowledge and clear real world illustrations The book includes section introductions to guide the reader through the debates and ideas and a glossary offering clear definitions of key terms and concepts

**HIV, Sex and Sexuality in Later Life** Mark Henrickson, Casey Charles, Shiv Ganesh, Sulaimon Giwa, Kan Diana Kwok, Tetyana Semigina, 2024-05-21 Drawing on international perspectives and research this book explores the experiences of sex and sexuality in individuals and groups living with HIV in later life 50

*Sex and Diversity in Later Life* Trish Hafford-Letchfield, Paul Simpson, Paul Reynolds, 2022-11-15 Addressing diversity in sexual and intimate experience later in life 50 this collection explores how being older intersects with ethnicity gender sexuality and class This original text extends knowledge concerning intimacies practices and pleasures for those thought to represent normative forms of sexual identification and expression
