Sex Machine:

Sex/Machine Patrick D. Hopkins,1998 As powerful interacting social and physical forces gender and technology shape our experiences cultures and identities sometimes in such comfortable and subtle ways that it takes effort to appreciate them sometimes in such conspicuous and explosive ways that everyone recognizes their importance Delving into these issues is an opportunity to discover how technology promises or threatens to rewrite our ideas about sex sexuality and gender identity

Sex Machine Charlotte Kane,2019-10-19 So you d really like to please her in bed Well now you can In *Sex Machine A Man s Guide to What Really Pleases a Woman in Bed* Charlotte Kane gives advice to men about what women really want in bed If you re ready to expend the effort you re ready to be all your woman wants and more You are ready to become a Sex Machine All men want a sexually satisfied woman but most don t have a clue as to where to start The thing to realize is that great lovers are made not born Women aren t that hard to please and pleasing them shouldn t involve any anxiety What most women want is to be loved and desired On top of that they want massive orgasms You too can give your lover sexual pleasure and massive orgasms This book explains how You can become the lover she s always wanted you to be The good news is that it s not something that s beyond your grasp The better news is that you can have fun while you learn *Sex Machine A Man s Guide to What Really Pleases a Woman in Bed* will show you how

Model Machines Long T. Bui,2022-06-10 A study of the stereotype and representation of Asians as robotic machines through history *Pornography and Seriality* S. Schaschek,2013-12-05 Repetition and seriality are inherent in pornography and is constitutive for its functionality as a film genre an industry and an area of gender studies By linking the styles of the genre to processes of serial production consumption and discussion Schaschek questions the dominant assumptions about pornography and the stability of the genre

Groove Theory Tony Bolden,2020-10-21 Tony Bolden presents an innovative history of funk music focused on the performers regarding them as intellectuals who fashioned a new aesthetic Utilizing musicology literary studies performance studies and African American intellectual history Bolden explores what it means for music or any cultural artifact to be funky Multitudes of African American musicians and dancers created aesthetic frameworks with artistic principles and cultural politics that proved transformative Bolden approaches the study of funk and black musicians by examining aesthetics poetics cultural history and intellectual history The study traces the concept of funk from early blues culture to a metamorphosis into a full fledged artistic framework and a named musical genre in the 1970s and thereby Bolden presents an alternative reading of the blues tradition In part one of this two part book Bolden undertakes a theoretical examination of the development of funk and the historical conditions in which black artists reimagined their music In part two he provides historical and biographical studies of key funk artists all of whom transfigured elements of

blues tradition into new styles and visions Funk artists like their blues relatives tended to contest and contextualize racialized notions of blackness sexualized notions of gender and bourgeois notions of artistic value Funk artists displayed contempt for the status quo and conveyed alternative stylistic concepts and social perspectives through multimedia expression Bolden argues that on this road to cultural recognition funk accentuated many of the qualities of black expression that had been stigmatized throughout much of American history

The Amant Chronicles M. J. Brunnabend, 2017-11-09 Do you enjoy a thrilling science fiction novel a roller coaster ride of mystery and intrigue with a smattering of romance The Amant Chronicles has all this and more with two strong female lead characters aliens action ranging from fistfights to firefights and a continually twisting building plotline Each novel comprises two separate but interconnected story lines joined by lineage The main story follows Amant Ducet a half alien half human hybrid over 250 years in the future As a wealthy well educated woman she translates between the Qyron an advanced telepathic alien race and us humans Her job demands frequent traveling between planets while meeting with heads of state and pillars of industry But a chance meeting with an old friend John starts her down a long and winding journey full of action and mystery The second story line focuses on Jennifer Winston in our very near future Shes a young naive country girl from Montana But after her violent abduction by the Qyron she finds her quiet country life transformed into a fast paced lifestyle of rubbing elbows with the president dodging dangerous situations and being guarded by Secret Service agents Jennifers tumultuous story lays the foundation for the entire series and ends in the first volume

Most Beautiful JM Blake, 2024-11-26 Every year Persuasion Park Magazine publishes its Most In The City List of New York s most and least eligible bachelors Untamable unapologetic and unforgettable these are the men riding for the most brutal fall of them all Malcolm Bancroft Clare has it all an ancient american name a family dynasty a future as clear as glass and a face no one can forget But unfortunately his upcoming engagement to the perfect Park Avenue princess has all of New York on pins and needles so he leaves suddenly hoping to escape the pressure from society and his demanding parents But a night filled with anonymity a baseball game and a wild head of red hair changes his life forever Decisions have to be made and time is not on his side Does he want a marriage of cold obligations and tradition Or what all his friends have

found a forever and lasting love Yes this is the Malcolm from The Possession Series **Responsibility and Resistance** Tobias Eberwein,Matthias Karmasin,Friedrich Krotz,Matthias Rath,2019-08-05 The volume deals with the normative challenges and the ethical questions imposed by and through the developments and changes in everyday life culture and society in the context of media change It is thus concerned with the questions of whether and how the central concept of enlightened ethics must evolve under these premises or in other words what form do ethics take in mediatized societies In order to address this question and to stimulate and initiate a debate the authors focus on two concepts responsibility and resistance Their contributions try to shed light not only on the empirical shreds of evidence of change in mediatized societies but also on the normative challenges and ethical possibilities of these developments **Chimpanzee Man and Other Stories** Dominick Ricca,2012-07 **True Destiny** Annu Hirae,2010-09-30 This book tells the story of a bilingual girl growing up on the island of Okinawa who possesses unusual intelligence and obsesses with movie stars and a pornographic novel she reads by accident She meets and falls in love with a man through language practices but when her wild imagination leads her to create a naughty love story it prevents him from proposing to her They are separated for thirty five years but miraculously meet on a trip and rekindle their relationship True Destiny is a heartwarming romance novel about a love lost and found after many long years It shows that love can endure even after a long separation and as it is rekindled proves that love is sweeter the second time around The book weaves a rich tapestry of love and life in general that explore and analyze the fears of marriage and a story that unravels through two languages Readers who love romantic stories about destiny and fated encounters with their own lost love will love this book It will make them reminisce about their youth and dream about having their own miraculous encounters with their lost love and at the same time they can fancy their own True Destiny **James Brown** ,1991 **Bouncers** Julian Davies,Terry Currie,2016-04-07 Bouncers Reviled feared and admired in equal measure yet rarely are their voices heard What they can t tell their customers their bosses or the cops they have now told Julian Davies and Terry Currie From the nervous first nighter to the hardened veteran here are the unforgettable voices of dozens of door staff from across the UK and abroad the drugs girls and gangs the door wars reprisals and straighteners the sex mad groupies and broken marriages the hardmen nutters cowards and bullies the tragedies the camaraderie and the grim humour of a dangerous thankless job With tales from the bow tie and knuckleduster days of the Sixties to the huge security firms of today BOUNCERS tells it like it is working the doors of pub and club land **There Was a Time** Alan Leeds,2020-02-25 A behind the scenes look at the Chitlin Circuit during American s most vital period of soul music from the eyes and ears of a young Jewish kid from Queens who joined the team of the hardest working man in show business and learned the art of the music business at the hand of the performer who mastered it In the mid 60s Alan Leeds was a young DJ looking for his way into the music business An interview with James Brown to promote a local show in Virginia led to an opportunity to promote one of Brown s concerts which then led to Brown hiring him to help run his tours Soon Leeds was

wearing many hats and traveling around the country as Brown battled a complicated web of local promoters and managers all too willing to try to rip him off In this riveting book part memoir part history Leeds weaves a wholly new and remarkable portrait of Brown as an idiosyncratic iconoclast determined artist and forceful businessman It is a rare look into a world little known to white America immediately following the Civil Rights Movement Leeds discovers that Brown is a fascinatingly complex man and their experiences both business and personal range from emotional to humorous All the while they navigate the complicated world of popular Black music in America told by someone who actually lived it Over the course of his long life in music as a tour manager archivist writer and fan Alan Leeds had a ringside seat for some of the greatest moments in soul and funk history from James Brown in the sixties to Prince in the eighties to D Angelo in the first years of the 21st century His eye for detail and his abiding love for the music shine through in this affectionate inspirational memoir Alan is one of my all time heroes Ahmir Questlove Thompson Alan Leeds is one of those cats that absorbs the situation can recite it back to u word for word always on point with details graphics That is what drew me closer to observing him other than his big red Afro We all started with James Brown around the same time I didn t know what all Alan was doing at the time but I knew if JB hired him he had to be on Heel Toe or else u got to Blow That was one of JB s famous expressions to me while he was laughing but u knew he was serious To this day when Alan speaks about something that happened back in our JB days u can just about take it to the Bank Thxs Mr Leeds for helping to preserve that funky sometimes funk up history Bootsy Collins

Presence and Pleasure Anne Danielsen, 2024-08-06 Winner of the 2007 Irving Lowens Book Award from the Society for American Music Winner of IASPM s 2007 International Book Award In this exploration of the funk groove and its unique sounds author Anne Danielsen takes an in depth look at this under explored genre Danielsen concentrates on the golden age of funk in the late 1960s and the 1970s focusing on two of the era s artists who made a substantial impact on the landscape of popular music James Brown and George Clinton Parliament Aiming to understand funk not only as objectified musical meaning but also as lived experience she begins with the musical events themselves and draws on her experiences as both a fan and a scholar to capture how their particular organization creates the funk listener s pleasure Danielsen further examines issues surrounding race in the construction and consumption of this music focusing her study with how white listeners responded to funk in the 1970s and arguing that African American music has remained a means of catharsis and of dealing with pleasures of the body Funk s crossover to international success among listeners of pop and rock music affected both the music itself and audiences understanding of it Presence and Pleasure shows us how

Human-Robot Intimate Relationships Adrian David Cheok, Emma Yann Zhang, 2019-02-12 The idea of humans falling in love with artificial beings is not a modern conception Our relationship with artificial partners has come a long way since Pygmalion and his ivory lover In recent years there has been a strong upsurge of interest and discussions in the various aspects of intimate relationships between humans and artificial partners This interest is evidenced by the increase in media coverage TV documentaries and

films on this topic as well as the active research efforts within the academic community This book provides a comprehensive collection and overview of the latest development in the field of intimate relationships between humans and artificial partners in particular robots and virtual agents It includes relevant research work undertaken by the authors the latest advancements in technology and commercial products and future predictions and insights from leading experts in the area This book contains an in depth discussion of the engineering philosophical psychological ethical and sociological implications of relationships with artificial companions It also gives a glimpse of some future directions of artificial intelligence human computer love and sexual interaction robotics engineering etc It is a great resource for researchers and professionals working in these areas The narrative style of the book also makes it an enjoyable and educational read for everyone

Journals of the Plague Years Norman Spinrad,1995 **Secrets of Past Lives** Wayne Cook,2018-04-20 A group once counting millions of practitioners successfully uncovered fantastic amounts of information concerning the universe Discovering anything about the universe outside our small world is an extreme rare event in history Technically such depth of information never occurred at any time on Earth including data recovered by the Magi This group Scientology recovered a profound amount of data some of which is related within Secrets of Past Lives Millions of practitioners independently acquired this information before evil destroyed them as a group Before the downfall hundreds of thousands of people and more recovered much of the secrets contained within this work As there are no further people recovering in that church there is no longer need to keep their secrets from you and from being lost for eternity For the most part this book is about you Your history your past and what is in your present Also Secrets reveals how ability and sanity at least equal to the sanest person you ever met this life can once again become your own without the need of that lost church Sanity turns out to be nothing like most of us were led to believe This book contains myriad aspects of this universe in its complexity and its utter simplicity never even suspected such as what is going on in our world the solar system the local group and the entire universe Revealed are a few great mysteries of science secrets of Ancient Egypt continental drift why we are here astronomical oddities and a vastly greater understanding of life You will learn of who controls the core of space and why You will find out why no one is in control of the remainder You will discover what causes sunspots variable densities of space how our atmosphere smells and why You will learn why magic does not work well unless it is fun You will find out why gurus sit on mountaintops You will find out why and who keep this vital and fascinating data from us In our past as we gazed at stars and saw magic and mystery as we attempted to live on Earth we fell to share opinions of what is reality from those who yelled the loudest Our world became a twisted warring dangerous place no person should endure This book dedicates to removing millennia of misinformation to set our sights once more on finding reality out of the ranting of Authority To the chance of fulfilling our greatest desire to discover a way to rejoin better worlds Although reading these secrets is dangerous you may key in deeply you will never look upon life the same again It is not easy it is not without risk but wouldnt you rather know
