Love Evangelist Adekunle Emmanuel Oke, 2021-04-02 LOVE Fulfilling of the Law By Evangelist Adekunle Emmanuel Oke
LOVE Fulfilling of the Law is an expository study on practical love The book teaches what love is the qualities and characteristics of love It enables us to understand the love of God to man love of man to God and love among men in their communities and their societies Love is the first and the greatest Law Jesus said unto him thou shall love the Lord thy God with all thy heart and with all thy soul and with all thy mind This is the first and great commandment And the second is like unto it Thou shall love thy neighbor as thyself On these two commandments hang all the law and the prophets Matt 22 37 40 Love works no ill to his neighbors therefore love is the fulfilling of the law Romans 13 10 The above passages and many others are the mind of God in love also this book Love is very important for a heavenly minded Christian Heaven is the greatest inheritance of a Christian Every heavenly minded and focused Christian is advised to have a copy of this book James 2 20 But wilt thou know O vain man that faith without works is dead 21 was not Abraham our father justified by works when he had offered Isaac his son upon the altar 26 For as the body without the spirit is dead so faith without work is dead also One cannot make heaven by force or by self conviction it all depends on your works through grace no work done without love Hence heaven cannot be real without love Love, the Fulfilling of the Law Kenneth Hunt, Beatrice Hunt, 1983 **Love, the fulfilling of the Law. An assize sermon, etc** Robert ANDERSON (Perpetual Curate of Trinity Chapel, Brighton.), 1828

Packull, 2008-12-30 Werner Packull delineates more clearly than any previous scholar the theological and spiritual differences between South German and Swiss Anabaptists He examines thoroughly the dominant medieval mystical influence in the thought of Denck and Hut and the latter s immediate South German Anabaptist followers Indeed Packull decides that South German Anabaptism derives more from medieval mysticism than from the Reformation Packull is convincing in his demonstration of this thesis because of his meticulous care in reading the primary sources and because he examines and refutes the arguments of those who would place the Protestant influence as the primary one He carefully isolates and explains particular ideas of the medieval mystics and demonstrates their influence on Denck and Hut Packull expands and elaborates the earlier suggestions of Kiwiet and Williams both of whom postulated a discrete Anabaptism in South Germany as against that of Switzerland He draws on the more recent and still unpublished work of Gottfried Seebass especially on Seebass selection of writings which he ascribes to Hut Packull s second major thesis is that the earliest form of South German Anabaptism was transitional both sociologically and theologically He demonstrates that there were indeed strains of Anabaptism which were not as clearly biblicist in emphasis as the one in Zurich Packull s work makes the phenomenon of early Anabaptism more complex less uniform but hi252 00historically more accurate more in line with the realities of the religious ferment of the 1520s among German speaking

people **The New Testament of Our Lord and Saviour Jesus Christ: Tr. Out of the Original Greek; and with the Former Translations Diligently Compared and Rev ,1847** Imitating Jesus Richard A. Burrridge,2007-10-22 In contrast to many studies of New Testament ethics which treat the New Testament in general and Paul in particular this book focuses on the person of Jesus himself Richard Burrridge maintains that imitating Jesus means following both his words which are very demanding ethical teachings and his deeds and example of being inclusive and accepting of everyone Burrridge carefully and systematically traces that combination of rigorous ethical instruction and inclusive community through the letters of Paul and the four Gospels treating specific ethical issues pertaining to each part of Scripture The book culminates with a chapter on apartheid as an ethical challenge to reading the New Testament using South Africa as a contemporary case study enables Burrridge to highlight and further apply his previous discussion and conclusions *Seeing the Forest Despite the Tree* Rick Schramm,2014-02 Imagine you are a young person seeking an education career a loving family a dream home and all the good things this world has to offer Having gone to college married your soul mate conceived a miraculous son and built your dream home you are well on your way when you are diagnosed with a brain tumor and told by a neurosurgeon that you are going to go blind and die But God saves your life in an eight hour brain surgery He gives you an incredible near death experience in a second brain surgery in which you are shown amazing knowledge that is so far above what this world knows that you are filled with the unspeakable joy of being able to understand this knowledge Then God removes all this understanding from you except for two words and calls you to recreate this knowledge from the Bible and share it with others Come with me as we recreate this knowledge by piecing together amazing truths and hidden wisdom found in the Word of God and we will learn things we never knew that we never knew The word mystery is found in the Bible some twenty one times along with many parables signs metaphors and symbolic language Someone once described the Bible as a ten thousand piece puzzle to be solved without the benefit of a picture on the box to guide you We will piece together these truths going into the ancient Hebrew and Greek definitions when necessary to understand what the writers of the Bible understood to create a picture of reality that goes far beyond this world we know This understanding will challenge what we believe to be true and change what we desire in our hearts And that is exactly what the Bible was meant to do

Contemplations on the God of Israel, in a Series of Letters to a Friend William Huntington,1802 Seventh-Day Adventists, Ellen G. White, and Salvation R. Van Orden,2018-06-11 This book started out as an intense personal study by the author to evaluate and confirm his beliefs about God and salvation in regard to the teaching of the Seventh Day Adventist Church Why is it that so many Seventh Day Adventists do not have the assurance of salvation What criteria in the Bible and what specifically in Ellen G White s writings might lead someone to believe they were not fit for heaven that they did not qualify to be there that God would not forgive them and there was more required than just relying on Jesus s sacrifice to cover their sins If they did not meet a strict set of rules would God cast them aside in the end In this book you will find out

just who are the saved who are the lost and what happens to them in the end and what end times will look like according to Ellen G White and the SDA Church The author estimates he has spent well in excess of ten thousand hours and has read over fifteen thousand pages of material over a seven year period in the preparation of this book It is the author s hope and prayer that this book will make the reader question not their belief in the saving grace of God and the loving sacrifice of Jesus but rather question anything that might have come between them and that grace Christ Has Set Us Free D. A. Carson,Jeff Robinson Sr.,2019-04-17 How can a sinful human stand before a holy God The New Testament book of Galatians deals with this question a question that stands at the heart of the gospel In Christ Has Set Us Free nine seasoned Bible teachers walk through the entirety of Galatians offering insights on how to interpret and apply its important message about justification by faith This book will help all who teach or study the Bible better understand what Christ has done to set us free from the power of sin through his death and resurrection *The Holy Bible* ,1815 *The Christian Worker* ,1872
