**Married Love** Marie Carmichael Stopes, 2004 In my own marriage I paid such a terrible price for sex ignorance that I feel that knowledge gained at such a cost should be placed at the service of humanity The book that was to become Married Love grew from Marie Stopes's conviction that the state of modern middle class marriage was like her own desperate and that the cause of this desperation was sexual unhappiness She knew her book would probably electrify this country and it remains one of the best known sex manuals ever written It combines a lyrical evocation of marital love with a no nonsense

and detailed account of sexual intercourse and sexual pleasure that was a sensation when it was published in 1918 Stopes advocated equality in marriage and the importance of women's sexuality and sexual desire as well as openly supporting birth control. In this edition of Stopes's ground-breaking work, Ross McKibbin's introduction reveals fascinating insights into Stopes and prevailing attitudes to class, religion, science, and above all, sex.

**Married Love** Marie Stopes, 2022-06-03 Marie Stopes's ground-breaking work *Married Love* delves into the intimate aspects of marriage, offering both practical advice and psychological insights into the dynamics of marital relationships. Written in a clear and accessible style, the book addresses taboo topics such as sexual desire, contraception, and communication between partners, challenging social norms of the time. Stopes's exploration of these themes resonates with the early 20th-century literary context of modernism as she seeks to push the boundaries of conventional thinking. Through personal anecdotes and scientific explanations, Stopes creates a narrative that is both informative and thought-provoking, paving the way for future discussions on marital intimacy. Marie Stopes, a renowned British author and advocate for women's reproductive rights, drew upon her background in science and psychology to write *Married Love*. Stopes's own experiences in marriage and her observations of societal expectations influenced her to embark on this pioneering work, which remains relevant and influential to this day. I highly recommend *Married Love* to readers interested in the intersection of literature, psychology, and social history. Stopes's insightful analysis and compassionate approach make this book a valuable resource for anyone seeking to deepen their understanding of marital relationships.

**Married Love: A New Contribution to the Solution of Sex Difficulties** Marie Carmichael Stopes, 2021-05-19 In *Married Love: A New Contribution to the Solution of Sex Difficulties*, Marie Carmichael Stopes explores the intricate dynamics of marital intimacy, advocating for a holistic understanding of sexuality within the institution of marriage. Written in an accessible yet scholarly style, Stopes combines progressive scientific insights with candid discourse. The book breaks the taboo surrounding sexuality, urging couples to embrace a more fulfilling and enlightened approach to their relationships. As a pioneering work in the realm of sexual education, it stands as a notable contribution to early 20th-century feminist literature, aligning with the burgeoning movements advocating for women's rights and sexual autonomy. Marie Carmichael Stopes, a prominent paleobotanist and advocate for women's rights, drew upon her extensive academic background and personal experiences to craft this influential text. Her candidness and commitment to sexual enlightenment were radical for her time, reflecting her belief that knowledge was essential for nurturing healthy marital relationships. Stopes's passionate advocacy for reproductive health and women's education illuminates her motivations and provides context for her groundbreaking approach to topics previously shrouded in silence. For readers seeking a deeper understanding of marital intimacy and the historical context of sexual education, *Married Love* is an essential read. Stopes's work not only champions the importance of sexual fulfillment but also serves as a call to action for couples to engage authentically with each other, making it a timeless resource for aiding discussions around love, sex, and relationships.
