MATCH4LOVE Jorge Dyszel, 2024-06-17 With a rich tapestry of experience across 15 countries Jorge's global footprint would make most travel bloggers green with envy. But it's his writer's hat that truly makes Jorge's story a blockbuster. His passion for weaving words has not only produced captivating narratives but it has also equipped him with a unique cinematic flair, turning the drab world of trading into a riveting screenplay. Trainees, whether rookie or old hat, get a touch of Hollywood drama with their dose of trade wisdom. Now let's talk cinema. Jorge isn't just a fan; he's a game changer. He pioneered a method to usher blind individuals into the magical realm of theaters, a contribution that garnered him standing ovations across the globe. A creative force with a holistic approach, Jorge is in the business of turning ventures into vibrant victories. To him, life isn't merely a reel of past events; it's the art of sculpting those experiences into captivating tales. *MATCH4LOVE* is not just a book; it's an extension of Jorge's fascinating journey. Grab your popcorn; it's going to be a delightful read. *Love's Light*

Dana Nicole Haley, 2016-05-31 *Loves Light* is a refreshing dive into a blissful state. It is meant to be enjoyed in any way you like: front to back, back to front, jumped into in the middle, one page at a time, or all pages at once. Let the words and images engulf you in the feeling of paradise right at this very moment. Step into *Loves Light*. *Modern Spirituality* Aastha Rajwade, 2022-10-06 In this modern era where there is sorrow, pain, and suffering, how can we have influence over our lives and make it heaven? I have mentioned all of these in my book. I have unfolded little secrets to live the most fulfilling life ever. After reading this book, *Modern Spirituality*, your life will transform miraculously in immense ways. *The Business That is Not Business—Marriage* Olehile Moses Setilo, 2025-07-17 When one starts a business, one researches, conducts background checks, drafts business plans, works on the budget, and focuses on establishing, running, and growing the business, and continually evaluates to improve where necessary. Why not do the same for marriage, since business and marriage both have direct psychosocial, physical, emotional, and economic impacts on one's life? Hence, throughout this book, there is a thread of a business concept that runs across, stitching out marital activities to business. The idea is meant to give reality, confront, mitigate challenges accompanying marriage, provoke deep thinking, and keep one attentive. This book also serves as a lamp in a marital voyage. In *The Business That is Not Business: Marriage*, author Olehile Moses Setilo discusses making marriage your business. He helps you understand why marriage is a merger, quantify the happiness index, know your business before you venture into it, learn to spot red flags, consider the cultural influences and differences, realize the power of language in your marriage, analyze the opportunity cost, invest in the marriage, know the factors that can harm your marriage, and acknowledge and internalize the needs of internal and external stakeholders. *The Business That is Not Business: Marriage* communicates that marriage is serious business and it must be handled with care. Delving into a range of topics, this guide contributes to strengthening marriages and building strong family bases and offers the opportunity to enjoy the serendipity of business familiarity. The bottom line: Marriage is a journey, not a destination. *At Home with the Armadillo* Gary P. Nunn, 2018-01-23 I want to go home with the

Initiation: My Journey to Enlightenment Through Hell Ambar De Jesus,2021-02-26 I remember most of my childhood since I was 4 years old at the age of 7 I had a weird seed like thought in my mind something like I had to help my brothers out of this ugly world we were living in the ghetto slums of South Central Los Angeles I started creative writing at the age of 10 literature has always been my favorite subject Since a teen I realized my favorite gifts were books especially growing into an adult and realizing my ex husband never allowed me to go to school took me out of school as soon as I became a freshman at Fremont High School on my first day of school At the age of 16 years old the first time I stepped in Umatilla OR I astral traveled for the first time ever to visit my past lives I experienced the three most recent ones it was an amazing journey to be able to do that at such a young age I had no idea I was on a real mission to save humanity still on earth blinded by the bullshit on television media it s a mission to help humanity evolve out of the current modern day slavery system I ve reached that spiritual level of immortality and of course I ve chosen this life I AM currently in here in the present moment to make history and help change the world as I start with me first on the front lines It is time for peace and love WORLDWIDE drop the restrictions borders and open up the cages for WE ARE SPIRITUAL BEINGS OF LIGHT here to EXPERIENCE HUMAN LIFE

Whispers of the Soul' verses unveiled Meenu Lodha,2024-03-30 About the book Right from my school and college days I was considerably fascinated by literature As a student of two varied languages Sanskrit and English and Hindi being my mother tongue it gave

me a vast arena to learn and colour my world of imagination I have tried to compose a few dainty delicacies in emulating a flower that opens up slowly and steadily inhaling the morning breath till it fully blooms I have tried to capture the essence of love and nature those everlasting desires along with scattered dreams and broken hearts with a faith in the eternal gleam I hope you will savour my sojourn full of poetic fragrance as readers With wings of aspirations uninhibited love from my family friends and support from the literary fraternity I hope to soar upwards with an unstoppable heart With these words I take this opportunity with utmost pleasure and proudly present you all the Susurrations of my unhindered unfettered heart my aspirations culminating into my book entitled *Whispers of the soul* Star Maker's Apprentice Francis Louis Szot, 2007

Detective Jack Diamond Investigations Mary Beni, 2012-06-12 CEAs Jack Diamond Schuster is an intelligent doctor of forensics He has years of experience with problem solving especially with crime scene investigations He doesn't like the district attorneys offices way of doing things Diamond feels that it should be the police that solve the crimes The district attorneys staff judges the crimes too soon Schuster has a close partner who he appreciates very much Rachel Machiavelli is usually right by his side These two hard working detectives dive head first into the crime scene investigations Each crime is unique Jack is sure that there is more than meets the eye in each investigation Jack is suspicious all the time Diamond's spiritual love life is tantalizing Diamond smokes cherry cigars so often the reader can actually smell the aroma of the cloudy smoke *Situations* Linda Cannady, 2005-02-15 This book was wrote with a sense of urgency to prompt those who are in an abusive relationship And to alert those who may be heading in that direction Get out of it save money and have an escape plan don't wait on the worst to happen because once you go back the situation gets worst and you may say to your self that no one could be that cruel but the best of them can and will Because no matter how good you look how good you make love the fact that your a good working person or how much money you have the problem comes from within them it could be the way they were raised or a mental problem from birth or both So my advice is never get in a relationship with someone to cover the pain from a previous relationship because you will be blinded of their faults until its to late Plus even bandages wear out and fall and if you wear a bandage to long it makes your skin pale so never put a bandage which is that new person coming in your life on your pain in your heart but let it air out meaning stay single until you are sure the wound is completely healed Use that time to get back to number one you And see what you want to do in life on you own and then and only then will you be able to see a person for who they really are **STAY TUNED FOR SITUATIONS PART TWO** **Internal Soul - The**
