Nuggets Alfonso Burrelli, 2014-11-26 In this aptly titled collection of short stories the author offers his personal observations on the human condition as well as the nuggets of precious wisdom the reader might extract from them The settings of these stories are varied and range from a cabin in the freezing northlands to a baronial palazzo In compelling scenes of betrayal despair murderous rage hallucination and violence the moral of these tales is implicit humanity has lost its way and Eden appears to be out of reach Redemption beckons however in the form of love and acceptance and without limitations of age While the emotional tenor of many of the stories is dark and forbidding it is counterbalanced by the sheer joy of the stories that celebrate young love belated love and the good will of rescuers and Samaritans Eden emerges triumphant in this collection through the author's belief that while humanity creates its own brand of evil it is also capable of engendering its own miracles

These Are Love(D) Letters Ames Hawkins,2019-10-15 Intimate and unwavering exploration of love loss and the queer possibilities inherent in artistic aspiration Ames Hawkins s These are Love d Letters is a genre bending visual memoir and work of literary nonfiction that explores the questions What inspires a person to write a love letter What inspires a person to save a love letter even when the love has shifted or left And what does it mean when a person uses someone else s love letters as a place from which to create their own sense of self Beginning with the simple act of the author receiving twenty letters written by her father to her mother over a six week period in 1966 These are Love d Letters provides a complex pictorial and textual exploration of the work of the love letter Through intimate and incisive prose the letters were after all always intended to be a private dialogue between her parents Hawkins weaves her own struggles with gender sexuality and artistic awakening in relation to the story of her parents marriage that ended in divorce Her father s HIV diagnosis and death by complications related to AIDS provide the context for an unflinchingly honest look at bodily disease and mortality Hawkins delicately and relentlessly explores the tensions in a father daughter relationship that stem from a differently situated connection to queer identity and a shared struggle with artistic desire In communion with queer and lesbian writers from Emily Dickinson and Virginia Woolf to Alison Bechdel and Maggie Nelson Hawkins pushes exploration of the self with the

same intellectual rigor that she critiques the limits of epistolarity by continually relocating all the generative and arresting creative powers of this found art with scholarly rhetorical strategies Exquisitely designed by Jessica Jacobs These are Love d Letters presents an affective experience that reinforces Hawkins s meditations on the ephemeral beauty of love letters As poetic as it is visually enticing the book offers both an unconventional and queer ed understanding of the documentarian form which will excite both readers and artists across and beyond genres *Love You to Bits and Pieces* Gillian Helfgott,Alissa Tanskaya,1996 Biography of Australian pianist David Helfgott written by his wife Tells of his recovery from a mental breakdown the resurrection of his musical career and the process of making the movie Shine based on his life The British National Bibliography Arthur James Wells,1998 *I Love You So Mochi* Sarah Kuhn,2019-05-28 Perfect for fans of Jenny Han and Kasie West I Love You So Mochi is a delightfully sweet and irrepressibly funny novel from accomplished author Sarah Kuhn As sweet and satisfying as actual mochi a tender love story wrapped up in food fashion and family I gobbled it up Maurene Goo author of The Way You Make Me FeelKimi Nakamura loves a good fashion statement She s obsessed with transforming everyday ephemera into Kimi Originals bold outfits that make her and her friends feel like the Ultimate versions of themselves But her mother disapproves and when they get into an explosive fight Kimi s entire future seems on the verge of falling apart So when a surprise letter comes in the mail from Kimi s estranged grandparents inviting her to Kyoto for spring break she seizes the opportunity to get away from the disaster of her life When she arrives in Japan she s met with a culture both familiar and completely foreign to her She loses herself in the city s outdoor markets art installations and cherry blossom festival and meets Akira a cute aspiring med student who moonlights as a costumed mochi mascot And what begins as a trip to escape her problems quickly becomes a way for Kimi to learn more about the mother she left behind and to figure out where her own heart lies In I Love You So Mochi author Sarah Kuhn has penned a delightfully sweet and irrepressibly funny novel that will make you squee at the cute cringe at the awkward and show that sometimes you have to lose yourself in something you love to find your Ultimate self *The Best Friend in My Life* Reader John,2016-06-30 John Young has just died without a shave As he watches his family a police sergeant and the constable crowd around his lifeless body on his kitchen floor John curiously observes all the action unable to communicate Moments later his body is placed in the undertakers hearse where he has nothing to do but wonder if he will see his beautiful Burmese Mandalay Panther who has already passed to the other side After John realizes he can communicate with other corpses and angels he begins a journey to enter a new stage of life When it is decided he is not good enough for heaven John is renamed Adam the Lonely and released to a wilderness park where he and his beloved cat Panther can spend eternity together As he and Panther embark on a quest to find and adopt misplaced animals they transform into a close knit family who encourages each other to develop into better souls The Best Friend in My Life is the poignant tale of one mans journey from life to death and finally to a wilderness park on the other side where he reunites with his beloved pet and finds the family he has always
