This book warns against following intellectualism and moralism in liberals which are driven by the marred image of God due to Adam's sin as guides for one's thoughts and actions Justification by God's grace alone is the foundation of true Christian growth in Jesus the core of a Christian's identity and the source of gratitude joy and peace This book continually encourages readers Don't give up on yourself You are a child of God Walk On Water Deborah B. McDermet,2022-02-03 Most of us settle We live average safe mediocre lives But does that kind of living reflect what God has called us to The abundant life that Jesus promised his followers is nothing less than amazing when we realize that God is working in us so that we may be conformed to the image of his Son Romans 8:29 Jesus did not live an ordinary life and nor should we Walk on Water invites believers to rise above the norm This daily devotional takes a fresh look at the Word of God Be inspired by the lives of Esther Daniel Jonah and others Be challenged with Jesus no nonsense conversations with the Pharisees and the disciples Be emboldened through the honest emotions that pour from the hearts of the writers of the Psalms In addition to daily devotionals twelve true stories experienced by Deb herself are added at the end of each month to encourage and humor the soul The Life System: God and Man 101 Matthew Thedford,2012-04-02 The Life System God and Man 101 is a spiritual how to book that teaches people how to use God's Word and their own words to solve any issue and actually create the things they want to see in life by imitating God This book takes the notion that God works in mysterious ways and turns it head over heels by pointing out the simplicity of God and His relationship with Man **Almsgiving and Atonement Mystery - Essays in First Christianity** Jonathan Ramachandran,2021-01-07 This Book is written to highlight some First Christian Perspectives regarding Almsgiving and Atonement We do not believe that Almsgiving can remove sins as only the Blood of Christ can do that making us New in the Resurrection where we taste the powers of the age to come now by His Mercy We do believe that Almsgiving does remove some Judgment of sins Regardless of how Scriptural one might argue we all point to men of God which history sets before us as the founding persons of certain theology or exegesis So if God used John Calvin as almost all protestants will agree and John Calvin in turn points to St Augustine then if St Augustine contemplated these same doctrinal points to some extent and is not a heretic so we contemplating on these possibilities likewise to even a deeper extent without concluding anything must likewise be not deemed as false teachers right If this Book causes your faith in Christ to stumble in any way we encourage you to stop reading but if it increases solidifies or increases your faith in Lord Jesus Christ we exhort you to continue reading it in any way that may be beneficial as you may seek our Most Blessed Saviour and Pray for His Leading in this accordingly Thank you for reading it Peace to you Big Buts of the Bible Jan Thomas,2008-04 Big Buts of the Bible is a must read for anyone who wants to study the familiar and not so familiar people and stories of Scripture in a fresh way According to author Jan Thomas one of the most important words in the Bible is but So much hinges on that single word A but always changes reality That's where our God dwells in that other reality whose values and actions and reactions are not of this world And when we dwell there with him our lives are forever changed Big Buts of

the Bible helps us learn the amazing power of Scripture's many circumstance changing mind changing reality changing life changing butts

Choosing Stillness, Knowing Love Christine Dixon, 2016-06-03 Often our default is to turn for guidance to external sources rather than connecting to the God given Spirit of Love within us We may effectively forfeit our direct connection to God and become dependent on outside authorities causing our spiritual roots to remain shallow and insecure Choosing Stillness Knowing Love offers a practical daily plan that makes connecting to the Spirit of God personal and tangible Through guided journaling awareness and stillness exercises this book encourages the reader to develop the habit of creating space to listen to the still small voice of God This leads to deeper roots that result in healing wisdom and a natural production of the fruit of the Spirit This book is designed to focus on one person at a time one moment at a time **"Amen, I Say to You"** Clyde A. Bonar, 2007-11-06 Amen I Say to You includes homilies for Cycles A B and C of the liturgical year and a homily for each Holy Day of Obligation within the Roman Catholic Church Each homily consists of three main points with supporting examples and illustrations These are homilies I have preached and they have been constructed with attention to verbal presentation Another homilist easily should be able to substitute or include examples from his or her own pastoral or lived experience within the conceptual structure each homily provides These homilies are not essays they include no long convoluted hard to understand sentences I try for simplicity of words and sentences for concrete language everyone can understand Feedback from posting some of the homilies on the internet has characterized the homilies as well planned with ideas placed in a logical and precise order They have been called simple personal and practical very inspired and insightful containing deep reflection and authentic Christian faith and illustrative applied and down to earth practical **The Friendship Book** Steve Wingfield, 2008-10-21 Friendships are one of the most powerful forces in our culture and should be one of your most enduring possessions Yet almost one third of Americans acknowledge that they're trying to find a few good friends and say they are starving for a meaningful friendship The Friendship Book offers all the information you need in a relevant practical guide that will help you discover The purpose and plan for friendship The source of all friendships The three vital dimensions of friendship How to start a friendship from scratch How to turn a casual acquaintance into a deep friendship The glue that holds friendships together Friends are rare and precious Come discover how to have meaningful and purposeful friendships *PROBING THE NEW TESTAMENT* Jon Valset, 2024-05-31 To navigate through every single verse of the New Testament and show how they were put together in a book is not an easy task To make sense of the life and death of Jesus is no less challenging But not for Jon Valset In about 700 pages and over 200 topics one is exposed to stories and events that have been systematically and meticulously analyzed and cross referenced At times irreverent and controversial but without preconceived notions or doctrinal goals he extends his probing to works by contemporary writers for more fascinating incidents related to Jesus and the epoch in which he lived He carries his research down to the smallest detail connects the dots fills in the blanks and comes up with assessments and conclusions that are hard to dispute Frequent

annotations and insightful commentary throughout Probing the New Testament bring greater clarity and understanding of the Holy Text In his journey for truth Valset elaborates on many passages of the New Testament claiming prophetic credibility in the Old Testament He turns his attention to the effects of the hatred Roman occupation of the land and to other political and religious forces controlling everyone s life From here it was only a short step to the harsh conditions that made inevitable Jesus s death on the Cross He then goes on to discuss in great detail how acceptance of new theological ideas by Gentiles led to the creation of early Christianity Probing the New Testament is a real eye opener sure to please those with a keen and open intellect

Without Denomination: A Critique of Church Doctrines Roy D. Perkins, 2016-01-20 As the subtitle says the book is a critique of denominational church doctrines It is an objective writing as I the author have made every attempt to keep personal biases and subjective thinking out of the writing It deals with denominational churches as to what s right in their doctrines and what s wrong As mentioned 100% of all church doctrines do not line up with the scriptures Some churches come close but no cigar Others are so far out that I cannot fathom why they are called Christian Churches The book discusses a host of contemporary topics which the Bible mentions in detail In addition to man made traditions of all the churches the book tackles taboo topics in the church world such as abortion alcoholism smoking drugs gambling homosexuality infant baptism Jehovah s Witnesses Mormons Islam Agnosticism Atheism Women in the Church Divorce Interfaith Services The Tribulation Tithing 666 Welfare Social Security Disability and paid salaries for the clergy The book has mostly scriptural references but some non scriptural references too All statements are supported with a Biblical verse s or occasionally with an article or a personal reference The Biblical references are from the King James Version the New International Version or sometimes paraphrased The book flows easily as I used 1 98 words rather than 100 00 words It is written so that the average 12 year old will understand it Although I mention particular denominations I never mention the names of churches or the names of people who were involved in the various scenes of the book The book is an educational and enlightening tool for pastors sermons Bible studies and Sunday School Classes The book s one endeavor is to reveal the truth about Christianity I don t understand why someone else didn t write this book decades ago This book reveals to the readers that their churches and church leaders are not what they claim to be In the book there are some interesting and humorous anecdotes about situations which help to get a point across They are lessons learned This book is meant for Christian readers as well as non believers and for those who are on the fence This book will cause one to think and perhaps reevaluate his or her position on God salvation and what is next after he or she departs this world

The Anointed ONE Mark Brand, 2024-09-17 Here Am I reflects the attitude of our Anointed One The words were spoken initially in Isaiah 6 8 when the Lord was looking for a messenger and Isaiah was saying Here am I Send me Those words also reflect the heart and mission of our Messiah Many of the prophets spoke about Him and He brought a message of hope for the sinner a message of mercy and forgiveness originating from our loving Heavenly Father We find our promise of the coming Anointed One from

the garden of Eden through the covenants In the temple and the holidays we see things that also point us toward our Messiah He s in too many places to list here We find Him throughout the Old Testament in the stories in the text in the prophecies saying Here Am I the one foretold about It s incredible how many places in God s Word our Messiah the Anointed One shows up My prayer for you is that you are blessed through the reading May the Lord bless you and keep you Amen

JOURNEY THROUGHOUT THE BIBLE Robert Gobelet,2018-05-18 The Bible is one continuous story from the story of creation to the story of Jesus future return at the end of time And yet there are smaller pivotal stories that make up the basic structure of this one big story This book is a series of 52 lessons that walk you through the main stories of the Bible 26 in the Old Testament the time leading up to Jesus and 26 in the New Testament the time of Jesus and beyond These lessons are geared especially for people who learn better through stories than teaching Prepare yourself as you go on a spiritual JOURNEY THROUGHOUT THE BIBLE

Let There Be Light Pastor Raymond H. Vietmeier,2021-03-16 This book is the author s second book Let There Be Light refers to the fact that the Bible teaches us to walk in the light and be children of light We walk in the light when we try our best to do and say things as if Jesus was doing and saying them The old saying What would Jesus do is a perfect example The beginning of the book teaches us what it means to live in the light and how to continue to strive to live in the light The book then moves on to the problems facing Christians today Christians are being persecuted both in other countries of the world and in our own country the United States of America In chapter 9 God directed the author to write based on a vision he received one night It was about what will happen if we are not successful in changing our culture s direction It is currently turning away from God and heading in the direction inspired by Satan Satan preys on us by studying our weaknesses and our desires He promises to give those to us just as he promised Eve things based on her desires that is to be more like God Jesus said that Satan is the father of lies and all that is evil Please keep that in mind It just may save you
