The Life of Love: An Invitation: Fifty-two Reflections on Emotional and Spiritual Healing Sharon Southwell, 2014-10-26 Is love the place where psychological observation and spiritual wisdom about healing meet? If love is associated with healing of all sorts how do I more consciously set about to grow in love seeking healing for myself and for my neighbours community and world? How do I encourage others in their journeys into love? Drawing on a broad Christian heritage a deep respect for the insights of other religious and spiritual traditions and two decades of work in welfare and clinical settings psychologist Sharon Southwell encourages spiritual seekers of all backgrounds to consider these questions for themselves. Structured in 52 Reflections each followed by Invitations The Life of Love invites you to grow in love by embracing life giving connection to yourself to others your community to art nature and to your ultimate context whether you experience this as God or as some other immanent or transcendent spiritual connection.
