## **Loved By Choice True Stories That Celebrate Adoption:**

**Loved By Choice** Susan Horner, Kelly Fordyce Martindale, 2002-03-01 Loved by Choice offers a clear and uplifting look at adoption from virtually every perspective. It is comprised of true stories that reflect the joys and the difficulties of those touched by adoption. Families working out an overseas adoption, those creating interracial families, grandparents, birth mothers, and even birth fathers are among the many who tell their stories. Two appendices define adoption terms and outline resources that will be helpful to those exploring adoption. The emphasis of Loved by Choice though is to demonstrate how adoption can complete a family. It is a poignant celebration of adoption led by those who understand it best. This book's pro-life, positive, and upbeat message will be a welcomed source for women facing pregnancy choices, anyone working with unwed mothers, adoptees, adoption advocates, pro-life advocates, couples considering adoption, and anyone else interested in stories that celebrate adoption. It is an ideal book for bookstores and libraries to display in November, which is Adoption Awareness Month. Loved by Choice will also be popular at the many adoption-related conferences, book readings, and fairs that take place around the world.

20 Life-Transforming Choices Adoptees Need to Make, Second Edition Sherrie Eldridge, 2015-03-21 Adoption authority Sherrie Eldridge offers personal, life-affirming advice to adoptees who have mixed emotions about adoption.

**Twenty Things Adopted Kids Wish Their Adoptive Parents Knew** Sherrie Eldridge, 2009-10-07 Birthdays may be difficult for me. I want you to take the initiative in opening conversations about my birth family. When I act out my fears in obnoxious ways, please hang in there with me. I am afraid you will abandon me. The voices of adopted children are poignant, questioning. And they tell a familiar story of loss, fear, and hope. This extraordinary book, written by a woman who was adopted herself, gives voice to children's unspoken concerns and shows adoptive parents how to free their kids from feelings of fear, abandonment, and shame. With warmth and candor, Sherrie Eldridge reveals the twenty complex emotional issues you must understand to nurture the child you love: that he must grieve his loss now if he is to receive love fully in the future; that she needs honest information about her birth family, no matter how painful the details may be; and that although he may choose to search for his birth family, he will always rely on you to be his parents. Filled with powerful insights from children, parents, and experts in the field, plus practical strategies and case histories that will ring true for every adoptive family, *Twenty Things Adopted Kids Wish Their Adoptive Parents Knew* is an invaluable guide to the complex emotions that take up residence within the heart of the adopted child and within the adoptive home.

**Quick Scripture Reference for Counseling Women** Patricia A. Miller, 2013-09-15 For counselors pastors women s ministry leaders and any Christian woman who wants a user friendly quick reference guide to Scripture here is an essential resource Scripture passages are conveniently gathered under ninety topics that concern today s women including adoption birth control career contentment dating courtship depression friendship prodigal children self worth singleness an unsaved spouse worry and more Perfect for counseling or for personal study and memorization this revised and updated edition includes new topics and features an attractive new cover design **Mustard Seed Faith** Bethanee Syversen, 2019-05-21

After seven miscarriages and three failed adoptions where do you find the strength to pursue your dream of parenthood Bethanee Syversen's deeply personal debut *Mustard Seed Faith: A Journey through Infertility, Miscarriages, Adoption, and Faith* is a story of believing in a God who is powerful enough and generous enough to do the impossible. Bethanee always wanted to be a parent. When the doctors gave their prognosis, she had to decide where her strength would come from. She and her husband chose to trust in God. Each negative pregnancy test, each unexpected loss, and each adoption delay would test her heart's resolve. However, through every blow, Bethanee discovered that God doesn't give up. He never goes away. And He never leaves His children unrestored. Now a mother of six, Bethanee has experienced the hardship and joy of becoming a mom through birth and through adoption. Much of *Mustard Seed Faith* comes from Bethanee's blog, which captured the raw emotion of her story as it unfolded. In part one, Bethanee confronts the heartbreak of infertility and the private grief of multiple miscarriages. In part two, she recounts the physical toll and emotional extremes of adopting. For many, Bethanee's fourteen-year journey is all too familiar, but it is her uncommon faith in God's good and sovereign plan that inspires readers to keep hoping, keep praying, and keep believing.

**Forthcoming Books** Rose Arny, 2002 *Children and Youth in Adoption, Orphanages, and Foster Care* Lori Askeland, 2006 Divided into three sections, this collection of original essays reviews the practice of adoption, orphanage placement, and foster care from the colonial period to the present day. Featuring a strong focus on developments in the 20th century, the book also covers representations of orphans that have populated children's literature from the folk tales of many different cultures to films that constitute part of the cultural inheritance of American children. Selected primary documents, including materials by children, as well as an in-depth bibliographic section, provide crucial information and insight for high school and college students, social workers, journalists, and the general reader.

**BOOK JACKET** **Subject Guide to Books in Print**, 1971 *Choice* Karen E. Bender, Nina de Gramont, 2010-05-22 A moving collection of personal essays about the real human experiences behind the highly politicized issue of reproductive choice. At a time when a woman's most complex decisions have been reduced to political rhetoric and impersonal theory and political debate has been hijacked by pundits and name callers, *Choice* joins the discourse with an assortment of candid voices in an effort to humanize the debate about reproductive rights. In addressing a wide range of women's choices from using birth control to taking the morning after pill, from adopting a child to putting a child up for adoption, from having an abortion to bringing a pregnancy to full term, *Choice* explores the complexities inherent in every reproductive decision. Including twenty-four honest, heartrending essays from established writers such as Francine Prose, Jacquelyn Mitchard, Pam Houston, Ann Hood, and Sarah Messer, and emerging talents such as Kimi Faxon Hemingway, Stephanie Anderson, and Ashley Talley, *Choice* will allow you to truly understand the meaning of the word choice, regardless of what side of the debate you stand on.
