**Let's spend the night together** Subcultures Network,2023-11-07 Let s spend the night together explores how sex and sexuality provided essential elements of British youth culture in the 1950s through to the 1980s It shows how the underlying sexual charge of rock n roll and pop music more generally was integral to the broader challenge embodied in the youth cultures that developed after World War Two As teenage hormones rushed to move to the music and take advantage of the spaces opening up through consumption education and employment so the boundaries of British morality and cultural propriety were tested and often transgressed Be it the assertive masculinity of the teds or the lustful longings of the teeny bopper the gender bending of glam or the subterranean allure of an underground club disco the free love of the 1960s or the punk provocations in the 1970s sex was forever to the fore and more often than not underpinned the moral panics that fitfully followed any cultural shift in youthful style and behaviour Drawing from scholarship across a range of disciplines the Subcultures Network explore how sex and sexuality were experienced presented conferred responded to and understood within the context of youth culture popular music and social change in the period between World War Two and the advent of AIDS The essays locate sex music and youth culture in the context of post war Britain with a widening and ever more prevalent media amidst the loosening bonds of censorship in a society shaped by changing patterns of consumption and the emergence of the teenager existing as Jeff Nuttall famously argued under the shadow of the nuclear bomb *The Phantom Killer* James Presley,2014-11-15 The salacious and scandalous murders of a series of couples on Texarkana s lovers lanes in seemingly idyllic post WWII America created a media maelstrom and cast a pall of fear over an entire region What is even more surprising is that the case has remained cold for decades Combining archival research and investigative journalism Pulitzer Prize nominated historian James Presley reveals evidence that provides crucial keys to unlocking this decades old puzzle Dubbed the Phantom murders by the press these grisly crimes took place in an America before dial telephones DNA science and criminal profiling Even pre television print and radio media stirred emotions to a fever pitch *The Phantom Killer* exhaustively researched is the only definitive nonfiction book on the case and includes details from an unpublished account by a survivor and rare never before published photographs Although the case lives on today on television the Internet a revived fictional movie and even an off Broadway play with so much of the investigation shrouded in mystery since 1946 rumors and fractured facts have distorted the reality Now for the first time a careful examination of the archival record personal interviews and stubborn fact checking come together to produce new insights and revelations on the old slayings

Longings W. J. Manares, 2023-11-16 Longings and other Longer Poems is a captivating collection of poetry that explores the depths of human emotions delving into the complexities of longing desire and introspection Written by a bunch of extraordinary poets this book is a must read for anyone seeking to experience the beauty and power of language One of the most compelling aspects of this collection is the way it embraces the longer poetic form While many contemporary poems are known for their brevity the authors defy convention allowing the themes to unfold and develop over multiple stanzas This deliberate choice imbues each poem with a rich narrative quality drawing readers into a shared experience of profound emotions In a world where attention spans are increasingly shorter Longings and other Longer Poems offers a refreshing departure from the norm Its lengthier compositions not only showcase the authors skill and creativity but also demand the reader's time and focus The poems encourage a slower more deliberate reading experience allowing readers to truly immerse themselves in the emotions and ideas expressed **Gardening**, 1907 **Michiganensian**, 1959 **In the Grip**
