Book-lovers' Anthology Robert Maynard Leonard,1911 **But for the Lovers** Wilfrido D. Nollado,1994 In the 25 years since its original publication But for the Lovers has acquired an underground reputation as one of the most remarkable novels about World War II doing for the Pacific war theater what Joseph Heller s Catch 22 did for the European one Set in the Philippines But for the Lovers depicts the survival of a cross section of Filipinos during the Japanese Occupation and the American Liberation The cast is enormous including an old man who used to wander the countryside entertaining children a young girl raped by Japanese soldiers guerrilla messengers bringing word of the coming of the American army and a Japanese major who views the war as the first step of the liberation of the Asian people from Western civilization This extraordinary novel is no less remarkable for the power and the beauty of its language than for the exotic and magical world it creates Ranging from hallucinatory lyricism to documentary realism from black humor sketches to scenes of horror and degradation But for the Lovers is a rich and complex exploration of language history and mythology The hardcover edition Dutton 1970 was praised by the New York Times Book Review as stunning this is the first paperback edition for which

novelist Robert Coover has written an appreciative foreword **The Paper Lovers** Gerard Woodward,2018-05-31 Hugely enjoyable a unique love story that s both witty and poignant John Boyne author of The Heart s Invisible Furies Arnold Proctor s quiet life is thrown off balance when he falls obsessively in love with Vera a religious woman and one of his wife s friends Vera seems untroubled by her wrongdoing yet faithless Arnold is wracked with guilt He has never believed in God but now he wonders if he truly believes in anything at all Polly makes handcrafted paper and even though the age of paper is dead she runs a successful shop selling her exquisite products Polly is secure and happy in her life until the day her husband Arnold makes a very uncharacteristic declaration Gerard Woodward s The Paper Lovers is a devastating story of sexual religious and artistic obsession It is about love and betrayal and what becomes of us after our greatest certainties have been shattered
