Chasing Mystery Carey Walsh, 2012-11-01 Why does God have to be so exasperatingly silent Why can't we see him at least long enough to allay doubt How does one grow deeper in love with God against the cultural currents of disdain and antagonism Chasing Mystery is an exploration into how the Bible negotiates the presence and absence of God in the hopes of forging a path in situations where absences often seem more pressing than presences Amid the prevailing skepticism and restlessness says Walsh we must relearn the skill of trust in reading Scripture The aim is to experience God through holy writing Walsh offers a work in biblical theology that explores the liveliness of the God of the Bible She insists that the pages of the Bible do not simply describe divine presence they evoke it in the process of reading Not all the time certainly not predictably but enough to warrant a trust Her goal is to strengthen the heart's reading competency in order to facilitate our encounter with God

Restructuring Capitalism Rogene Buchholz, 2017-04-21 The main theme of

this book is that within contemporary capitalist societies a materialist outlook informed by science has triumphed creating the lack of a spiritual dimension to give meaning and purpose to the activities that are necessary for a capitalist society to function effectively Capitalist societies are in trouble and need to be restructured to provide for the material needs of all the people who work within the system not just the one percent but because of the lack of a spiritual connection with each other and with nature this is not likely to happen It has been said that society and the organizations within treat one another as objects to be manipulated in the interests of promoting economic growth and treat nature as an object to be exploited for the same purpose This way of treating each other and nature is consistent with the way a capitalist system has worked in the past and was supposed to enable it to function efficiently to provide a fulfilling and enriched life for all its adherents through growth of the economy However as capitalist societies have become dysfunctional they will need a different kind of orientation to continue in existence Restructuring Capitalism Materialism and Spiritualism in Business argues that what is needed is a new sense of a spiritualization of the self and its relation to others and to the establishment of a spiritual connection with nature in order for capitalism to be restructured to work for everyone and for the society as a whole

Campbell Morgan,2024-06-23 This is a collection of commentaries written by G Campbell Morgan These include Matthew Mark Luke John Acts Romans 1Corinthians and 2Corinthians This is different from his *Analysed Bible Through* he had no formal training for the ministry G Campbell's devotion to studying of the Bible made him one of the leading Bible teachers in his day His reputation as preacher and Bible expositor grew throughout England and spread to the United States These commentaries are the culmination of his study of God's Word *Islamikaze* Raphael Israeli,2004-08-02 *Islamikaze* Manifestations of Islamic Martyrology explains the historical background to the events of 11 September 2001 the Western countermeasures and the reactions to both in the Muslim world The attacks generated much debate over the role of religion and Israeli makes a very important contribution to the understanding of the concept of the Martyr in Islam and the doctrine of Martyrdom as well as those who champion it ideologically and theologically and the identified enemies of the Muslim fundamentalists He illustrates his thesis with a selection of texts extolling the Martyrs erroneously called suicide bombers BOOK JACKET Title Summary field provided by Blackwell North America Inc All Rights Reserved **Manchester al mondo, a contemplation of death & immortality** Henry Montagu Earl of Manchester,1902 **The Acts of The Apostles** G. Campbell Morgan,2012-02-08 G Campbell Morgan Reprint Series Foreword If it is true that the measure of a person's greatness is their influence not only on his own time but on future generations G Campbell Morgan must be regarded as a great person His greatness is seen not only in the wide impact of his ministry on both sides of the Atlantic but in the fact that his books are still read and studied sixty five years after his death Named one of the ten greatest preachers of the twentieth century by the contributing board of

Preaching magazine Morgan made the Bible a new and living book not only to the congregations who listened to him but the vast multitude of persons who read his books. For sixty seven years Morgan preached and taught the Scriptures and served churches in England and the United States. What is remarkable is that his commentaries and expositions of the Bible still speak to persons of a new millennium. There have been many changes in the world since he faithfully preached and taught the Scriptures but the wide appeal of his books testify to the timelessness of his message. Although he held pastorates in the Congregational and Presbyterian denominations he had an ecumenical appeal to persons of all denominations and traditions. The mystic Thomas Kempis once wrote He to whom the eternal word speaks is delivered from many opinions. In one of his sermons he referred to the words of Amos that there would be a famine for hearing the word of God Amos 8 11. The timeless work of G Campbell Morgan addresses that hunger as his books enable his readers to get beyond opinions to the living Word. Wipf and Stock Publishers have rendered a great gift to the religious world in reprinting dozens of Morgan's books. This growing collection makes his books more available so that readers have an option other than searching the internet for used and often expensive copies. Among this collection is the classic *The Great Physician* and commentaries on the Gospel of Matthew and John. Persons seeking a living faith and a meaningful encounter with God would profit from reading any of these Morgan books. Near the end of his ministry in a sermon entitled *But One Thing* Morgan commented on how Portugal changed the words of a coin after Christopher Columbus discovered America. No longer did the inscription say *Ne Plus Ultra* nothing more beyond but *Plus Ultra* more beyond. It is the hope of the G Campbell Morgan Trust that the reprinting of these books will bring readers to the more beyond and an even deeper encounter with the Word in Scripture. Dickens, Family, Authorship Lynn Cain, 2017-05-15 Drawing on a wide range of Dickens's writings including all of his novels and a selection of his letters, journalism and shorter fiction, *Dickens Family Authorship* provides a provocative account of the evolution of an author from whose psychological honesty and imaginative generosity emerged precocious fictional portents of Freudian and post-Freudian theory. The decade 1843-1853 was pivotal in Dickens's career. A phase of feverish activity on both personal and professional fronts, it included the irrevocable souring of his relations with his parents, the peripatetic residence in continental Europe and a massive proliferation of writing and editing activities including the aborted autobiography. It was a period of astounding creativity which consolidated Dickens's authorial and financial stature. It was also one tainted by loss: the deaths of his father, sister and daughter and the alarming desertion of his early facility for composition. Lynn Cain's substantial study of the four novels produced during this turbulent decade, *Martin Chuzzlewit*, *Dombey and Son*, *David Copperfield* and *Bleak House*, traces the evolution of Dickens's creative imagination to discover in the modulating fictional representation of family relationships a paradigm for his authorial development. Closely argued readings demonstrate a reorientation from a patriarchal to a maternal dynamic which signals a radical shift in Dickens's creative technique.

Interweaving critical analysis of the four novels with biography and the linguistic and psychoanalytic writings of modern theorists especially Kristeva and Lacan Lynn Cain explores the connection between Dickens's susceptibility to depression during this period and his increasingly self-conscious exploitation of his own mental states in his fiction Barbara Stanwyck Dan Callahan, 2012-02-03 Barbara Stanwyck 1907-1990 rose from the ranks of chorus girl to become one of Hollywood's most talented leading women and America's highest paid woman in the mid 1940s. Shuttled among foster homes as a child, she took a number of low wage jobs while she determinedly made the connections that landed her in successful Broadway productions. Stanwyck then acted in a stream of high quality films from the 1930s through the 1950s. Directors such as Cecil B. DeMille, Fritz Lang, and Frank Capra treasured her particular magic. A four-time Academy Award nominee, winner of three Emmys and a Golden Globe, she was honored with a Lifetime Achievement Award by the Academy. Dan Callahan considers both Stanwyck's life and her art, exploring her seminal collaborations with Capra in such great films as *Ladies of Leisure*, *The Miracle Woman*, and *The Bitter Tea of General Yen*; her Pre-Code movies *Night Nurse* and *Baby Face*; and her classic roles in *Stella Dallas*, *Remember the Night*, *The Lady Eve*, and *Double Indemnity*. After making more than eighty films in Hollywood, she revived her career by turning to television, where her role in the 1960s series *The Big Valley* renewed her immense popularity. Callahan examines Stanwyck's career in relation to the directors she worked with and the genres she worked in, leading up to her late career triumphs in two films directed by Douglas Sirk, *All I Desire* and *There's Always Tomorrow*, and two outrageous westerns, *The Furies* and *Forty Guns*. The book positions Stanwyck where she belongs, at the very top of her profession, and offers a close, sympathetic reading of her performances in all their range and complexity.
