Loves Face:

Love Has a Face Michele Perry, 2009-09-01 Termites for dinner Bombs in the backyard A nation torn by decades of war still on the brink Can one life really make a difference Born without her left hip and leg Michele Perry is no stranger to seeming impossibilities So when she arrived in war torn Southern Sudan with little more than her faith in God's promises she did what everyone told her was crazy she opened a home for orphaned children in the middle of guerilla warfare territory and has now become mama to over one hundred little lives With a deft pen she recounts unforgettable stories of life in the bush stories that capture the reader with the stark realities of living in a war zone and the power of God's love to transform them Her own story is just as compelling as the ministry she is living From working in the slums of India to finding her home in war ravaged Africa Michele's life has been a journey deeper into the supernatural power of God Readers will be swept up in one woman's poignant spellbinding captivatingly honest journey of love and the glimpses of God's tender grace and mercy in the midst of a broken and hurting world

Love and Organization Michael Pirson, 2022-06-30 Organizations are not human but they are made up of people Examining the organization functioning growing and developing and moving together as one unit the well being and success of that organization depends on the well being of people that make it up Love in its various forms is the energy that motivates and fuels creativity care innovation progress and well being Traditionally organizational structures have been set up to support compliance and command and control which often discourages love and creates policies against love at the workplace The result has been reduced growth productivity and retention of businesses as well as reduced well being for employees This reduced connectivity between individuals has also at a higher level adversely affected society Without love people are working and performing with reduced energy and at reduced capacity While prior research has been focused on love at the workplace from the viewpoint of psychologists this book explores the impact of love within organizational contexts from various viewpoints including management psychology and philosophy It explores love in the organizational context by looking at how it affects meaning purpose well being motivation faith care spiritual development and how the identity and well being of each person in the organization positively affects retention and the growth and success of that organization It will be of interest to researchers academics and advanced students in the fields of organizational studies leadership and management

Works of Love Robert L. Perkins, 1999 To claim that Works of Love is an important philosophical essay is to assume hazardous burden of proof The book's title is an allusion to the Bible's injunction that we should love our neighbor as we love ourselves a far cry far instance from Diotima's ladder of erotic desire up which we climb from the love of bodies until we catch a vision of that single sea of beauty beauty itself Plato Symposium This contrast given that some of some of our

neighbors may not be particularly likable or one may even be a determined enemy suggests immediately to some that a book with such an obviously religious title must be excessively moralistic and at best full of sermon helps for the harried clergy or at worst laden with rules for the unlearned laity A casual perusal of a few paragraphs however shows these put down views of the book to be unfounded *A Laggard in Love* Mrs. Coulson Kernahan, 1890 ARCANA CCELESTIA: OR HEAVENLY MYSTERIES CONTAINED IN THE SACRED SCRIPTURES, OR WORD OF THE LORD, MANIFESTED AND LAID OPEN: BEGINNING WITH THE BOOK OF GENESIS INTERSPERSED IN THE WORLD OF SPIRITS AND THE THE HEAVEN OF ANGELS. EMANUEL SWEDENBORG, 1803 **Cultivating the Mind of Love** Thich Nhat Hanh, 2004-02-09 Lessons on love and Dharma with commentaries on 3 essential sutras of Mahayana Buddhism from the celebrated monk who introduced mindfulness to the Western world Just might be my favorite book of Thich Nhat Hanh Natalie Goldberg author of *Writing Down the Bones* In *Cultivating the Mind of Love* Thich Nhat Hanh gives a most unusual Dharma teaching the story of his first love He pairs these personal memories with his insightful commentaries on classic Buddhist teachings including the Diamond Lotus Avatamsaka and Vimalakirti Sutras In combining personal experience and Dharma teachings Nhat Hanh allows his readers to experience and to appreciate what is human and wonderful in all of us He shows us how to cultivate our own mind of love and how to bring joy and hope to ourselves and those around us Being Right with God John James Miller, 2011-01-14 For sincere seekers teachers and preachers This book consists of the most complete and understandable explanation of BEING right with God to be found anywhere After a lifetime of becoming acquainted with Christian literature and 28 years of listening to other preachers the author observed the lack of presenting BEING right with God even though it is the most important thing to be achieved in life Only partial explanations are given in sermons that touch on the subject of being As a result people have a fragmented and incomplete understanding of BEING right with God The Bible contains what it is to BE right with God but not in an organized and systematic way Many scriptures are brought together in this book in order to present a full and understandable Biblical explanation of what it is to BE right with God and how to GET right with God Built for Growth Arthur Rubinfeld, Collins Hemingway, 2005 From a major player in Starbucks expansion and the co author of *Bill Gates Business at the Speed of Thought* come specific solutions to create a brand and presence that generates true customer passion and lays a solid foundation for long term success **Sounds of Destiny** Mary E. Adams, 2008 Adams suggests that this is the time to take a firm stand for rebuilding the walls of faith that have been broken down in families cities churches and nations Practical Life **Developing Games on the Raspberry Pi** Seth Kenlon, 2018-12-19 Learn to set up a Pi based game development environment and then develop a game with Lua a popular scripting language used in major game frameworks like Unreal Engine BioShock Infinite CryEngine Far Cry series Diesel Payday The Heist Silent Storm Engine Heroes of Might and Magic V and many others More importantly learn how to dig deeper into programming languages to find and understand new functions frameworks and languages to utilize in your games You ll start by learning

Love as Common Ground Paul S. Fiddes,2021-09-23 This book explores the way in which the study and practice of love creates a common ground for different faiths and different traditions within the same faith For the contributors common ground in this context is not a minimal core of belief or a lowest common denominator of faith but a space or area in which to live together consider together the meaning of the love to which various faiths witness and work together to enable human flourishing Such a space the contributors believe is possible because it is the place of encounter with the divine This book is the fruit of a Project for the

Study of Love in Religion which aims to create this space in which different traditions of love converge from Islam Judaism and the Christianity of both East and West Tools employed by the contributors in exploring this space of love include exegesis of ancient texts theology accounts of mystical experience philosophy and evolutionary science of the human Insights about human and divine love that emerge include its nature as a form of knowing its sacrificial and erotic dimensions its inclination towards beauty its making of community and its importance for a just political and economic life **70 Greatest Love**
