[Love in the Zone](#) Elizabeth Spaur, 2018-10-30 One week six years ago was all they had before secrets and lies tore them apart After hurling words like daggers before they d parted they never dreamed they would see each other again If they can open their hearts they might be able to let go of the past and build a future Francesca Frankie O Connell was a woman in a man s world A former Marine and star wide receiver in a women s football league she was used to always following the play When an old friend offers her a chance at her dream job it also comes with a place that might be the secret to her father s recovery from a stroke Working with the man who broke her heart wasn t something she prepared for Will the one who got away throw a wrench in all her new plans or will he help her succeed beyond her wildest dreams Rushford Avery hadn t planned on settling in King s Folly permanently Accepting a job at Cormac University was supposed to be temporary until he got his grandmother settled in her childhood hometown Then it was back to England and his plans for his future Instead every day he planted deeper roots and became more involved in the lives of people in the community He hardly ever thought about the woman who d destroyed him six years ago with a few well chosen words Will

her reappearance in his life help him strengthen his place in the community or tear it out at the roots Rush and Frankie still have chemistry for days The problem is their vivid memories of the circumstances that tore them apart are just as powerful Their jobs an unexpected dance competition and the reappearance of an ex push them together and force them to confront the lies and secrets that have haunted them both for six years Will love help them look past their mistakes and find their destiny together Welcome to Love in the Zone the fourth book in the Gridiron Knights series set in King s Folly South Carolina where football is king and the locals have something to say about everything When you come for a visit you ll never want to leave This is a stand alone romance It can be read and enjoyed on its own If it s your first taste of the Gridiron Knights check out Second Chance Option to find out how Tess and Cade found their happily ever after Shotgun Romance to learn Olivia and Nick s story and Romancing the Receiver to get a taste of Ben and Lily Love Tony Milligan,2014-10-14 What is love What is it to be loved Can we trust love Is it overrated These are just some of the questions Tony Milligan pursues in his novel exploration of a subject that has occupied philosophers since the time of Plato Tackling the mood of pessimism about the nature of love that reaches back through Schopenhauer and Kierkegaard he examines the links between love and grief love and nature and between love of others and loving oneself We love too few things in the world Milligan concludes adding that we need to be loved too to appreciate our own value and the worth of life itself *Shotgun Romance* Elizabeth Spaur,2018-08-31 He had no faith in love She had no faith in men They ve got eight months to find faith in each other Since the night his life had taken a dramatic left turn Nick Jacobs had been searching for a chance to prove he was the man he d always wanted to be When his old friend calls him and offers him a chance to help rebuild the Cormac University football program he thinks this is his shot He didn t count on falling for Olivia or getting her pregnant Can he juggle all his responsibilities and prove to himself once and for all that he s worthy of love After the traumatic loss of her mother Olivia Valenti shut herself off from the world Running the Cormac University English department is a dream come true She didn t think she would ever want or need anything else One night with Nick in Las Vegas and motherhood is on the horizon Can she open her heart to Nick and build the home she never knew she dreamed of An instant attraction and a night of celebration leads to an unexpected pregnancy which Nick and Olivia are determined to face together Unfortunately their pasts and present are about to collide and old secrets will challenge the foundation they re trying to build their family on Can they learn to let go of the past in time to share a future Will they realize that love always wins Welcome to Shotgun Romance the second book in the Gridiron Knights series set in King s Folly South Carolina where football is king and the locals have something to say about everything When you come for a visit you ll never want to leave This is a stand alone romance It can be read and enjoyed on its own If it s your first taste of the Gridiron Knights check out Second Chance Option and find out how Tess and Cade found their happily ever after **Love's provocations, by Cuthbert Bede** Edward Bradley,1855

**Just a Song** Stephen Owen, 2020-10-26 Song Lyric ci remains one of the most loved forms of Chinese poetry From the early eleventh century through the first quarter of the twelfth century song lyric evolved from an impromptu contribution in a performance practice to a full literary genre in which the text might be read more often than performed Young women singers either indentured or private entrepreneurs were at the heart of song practice throughout the period the authors of
