Martin, 2015-10-22 Who is God

What must we come to know in order to know God What is the kingdom of Heaven What sums up God's law that all the prophets spoke to What is the source of the universe and all that exists What binds us to God and to one another Why did He come into our world What gives us eternal life What is the great beginning and the ultimate end Is there something truly universal that we can come to know answering all of these questions Love and Spirit says there is presenting one word that could explain everything It lives in the hearts of all people waiting to be discovered nurtured and understood love First Love and Other Stories Ivan Sergeevich Turgenev, 1999 Bringing together six of Turgenev's best known stories in one volume this collection includes First Love Asya Mumu The Diary of a Superfluous Man Song of Triumphant Love and King Lear of the Steppes **Love Disconsolated** Timothy P. Jackson, 1999-11-25 Few concepts are more central to ethics than love but none is more subject to false consolation This 1999 book explores several theological philosophical and literary accounts of love

focusing on how it relates to matters such as self interest and self sacrifice and invulnerability and immortality Timothy Jackson first considers key aspects of what the Bible says about love then he further examines the meaning of love and sacrifice through a close reading of novels by Fitzgerald and Hemingway Lastly he evaluates how love constrains and is constrained by other traditional moral concepts Throughout Jackson defends the moral priority of what the Christian tradition calls agape He argues that a proper understanding of agapic love rejects both moral relativism and the comfort of believing that good people cannot be harmed or that God causally necessitates every historical action and event When love is thus disconsolated it neither fears death nor despises life *Young Love* John Gordon Brandon,1926 The One Year Love Language Minute Devotional Gary Chapman,2014-09-26 Are you and your spouse speaking the same language He sends you flowers when what you really want is time to talk She gives you a hug when what you really need is a home cooked meal The problem isn't love it's your love language The Love Languages Devotional by Gary Chapman author of the New York Times bestseller The 5 Love Languages is the Christian couple's daily guide on how to express heartfelt love to your loved one Each day contains a selection from Scripture an insightful message about communicating love to your spouse and a prayer Start any day of the year You'll read about topics like Learning the love language of touch Handling anger constructively Sharing money Personality differences Grow closer to your spouse this year with the One Year Love Language Minute Devotional
