Loves Revenge:

Love's Revenge Mary Lyons,1995 **Love's Legacy** Joan Avery,2014-11-10 Grenada British West Indies 1875 English plantation owner Geoffrey Worth has misgivings about hiring an American widow as a governess But while Geoffrey longs to forget the past and the daughter who reminds him of it daily there is still duty to consider And Bellefleur his plantation This is his life now Warmth family love these things only bring pain And scars he ll carry forever Elizabeth Malfonte is certainly not the aged widow he had anticipated She s young and beautiful with a determination that wakes something deep within Geoffrey Yet Elizabeth hides her own secret the babe within her womb And despite Geoffrey s handsome yet scarred face her new employer has a cold and unforgiving nature that unsettles her even as Elizabeth s wariness slowly heats to desire But the bright beauty of this land is no match for the dark ominous clouds of the past Love's Revenge Marie Adelaide Belloc

source A hard working anthropologist in the region is puzzled Rumors from the Congo River frighten villagers into moving away In the remote regions of Southwestern China the People s Liberation Army has started moving thousands of troops and heavy military equipment into the area but places a news blackout over the district and will not disclose the reason for the maneuvers In Washington DC hundreds of analysts watch and wait as information trickles into their domain The bureaucracy is beginning to awaken to an unknown threat that looms over vast areas of the world This hurried city of blurry eyed office workers living and working out of sight of the public are the brains and sensory receptors of the most powerful people in America Two of them are buried deeply in the maze of offices that become the centers of the microscopic analysis of events around the globe Patsy and Crag will soon be the center of the information flow that means life and death for the world as a super invader awaits to spring its attack on an unsuspecting humanity The adversary will not wait long Both Patsy and Crag suffer personal turmoil and endure an abiding loneliness that may interfere with their perception of the danger Can the world die because of the loneliness of two people Patsy and Crag have to battle one another as well as the unknown evil lurking outside Will their friends Cheryl and Becky help or hinder the search for answers in an erupting arena of horror Will nations be pulled apart by the threats that will soon be upon them The humans of earth are threatened by an enemy of countless numbers Will they be overwhelmed or will they defend the earth to the last The answers await in a traditional story of an invasion of earth *Savage Invasion* Love Elegies Hammond,1752 LeJeune Bill E Mixon,2017-05-04 Love between vampires is forbidden When the vampire LeJeune falls in love with another vampire named Love The One he is hunted imprisoned and put on trial by the evil Vampire Congress of No Hope LeJeune can only wait to be rescued by his Love Aided by some unlikely allies Love is also accompanied by her killer feline Mauler and LeJeune s winged horse Scout as they begin to battle the Vampire Horde that holds LeJeune hostage This fantasy romance is written in the unique style of the almost forgotten and ancient method of bardic storytelling It takes place over several hundred years as the action travels from Europe to San Antonio Texas telling of the brave battle for Love in an ultimate clash between good and evil *Poems* Angela Herrick,2013-11-18 When in love The heart wishes to be full Love wishes to take her place Nothing better is what comes from loving hearts Love always shows her truth and power In *Poems* Angela Herrick shares a diverse collection of verse that intimately explores all the realms of love In her reflections Herrick encourages others to lift their imaginations and open their hearts to experiences that release feelings and explore new beginnings Through creative interplay between mythical characters Herrick links the planets of the universe with Earth while illustrating the power of love to overcome differences barriers to happiness and past hurts While focusing on kindness loyalty and forgiveness Herricks poems prove that love is a gift that should never be taken for granted *Poems* intertwines planetary and earthly journeys in a lyrical exploration of love and all that encompasses the greatest emotion of all **Greedy Business** Leonard Amattey,2015-12-04 The book GREEDY BUSINESS is a satire directed at human behaviour particularly in regards to human priorities to choose between acts of

humanitarianism and greed The author notes that politics indeed is part and parcel of life but no where is it so vividly portrayed than in education and at the work place to satisfy human obsession with greed Then he admitted I cannot deny my role in that but that cannot justify it As individuals we allow Greed to Triumph Morality without humanitarian consideration for others in our efforts to improve quality of our life and that is inexcusable This book is therefore about that aspect of human thinking that can justify individuals doing things to others that they would not like others to do them I wonder how many of us find the necessity to take a step backward to explore the choices we have made to do the things we have done to others that we would not like to be done to us because if done to us they would likely destroy our quality of life Yet some how some of us can justify some of the things we do to others as the result of the choices we have made without humanitarian consideration for them in the name of improving quality of our lives at the expense of our victims Well I did take a step backward and my observations suggest that humans obsession with Greed confirms why we do the things to others that we would not like to be done to us Our tendency to want more and more at the expense of others without humanitarian consideration for the quality of life of others has blinded our moral responsibility to be fair The purpose of writing this book is therefore to share my observations and thoughts with others in the hope that they too may find the need to take a step backward and explore the choices made in the past to do certain things to others that they would not like others to do to them
