The Science and Theology of Godly Love Matthew T. Lee, Amos Yong, 2012-06-15 Arguing that there are ways to move beyond the limitations of methodological atheism without compromising scientific objectivity the essays gathered in *The Science and Theology of Godly Love* explore the potential for collaboration between social science and theology They do so within the context of the interdisciplinary study of Godly Love which examines the perceived experience of loving God being loved by God and thereby being motivated to engage in selfless service to others This volume serves as an introduction to and a call for further research in this new field of study offering ten methodological perspectives on the study of Godly Love written by leading social scientists and theologians Drawing on the work of Douglas Porpora and others the contributors contend that agnosticism is the appropriate methodological stance when religious experience is under the microscope Godly Love does not force a theistic explanation on data instead these essays show that it sensitizes researchers so that they can take seriously the faith and beliefs of those they study without the assumption that these theologies represent an incontestable truth

To Love and Be Loved Jim Towey, 2023-09-05 From a trusted advisor and devoted friend of Mother Teresa comes a powerful The Washington Free Beacon firsthand account of the miraculous woman behind the saint and a book that is rich in reflection on contemporary sanctity George Weigel Mother Teresa was one of the most admired women of the 20th century and her memory continues to inspire charitable work around the world She believed the greatest need of a human being is to love and be loved In 1948 she founded the Missionaries of Charity to work directly with the very poorest of Calcutta From the efforts of one woman entering the slums of Entally the Missionaries of Charity grew into an organization operating soup kitchens health clinics hospices and shelters in 139 countries at no cost to any government or to those who served In 2016 she became Saint Teresa of Calcutta Author Jim Towey had been a high flying Congressional staffer and lawyer in the 1980s until a brief meeting with Mother Teresa illuminated the emptiness of his life He began volunteering at one of her soup kitchens and using his legal skills and political connections to help the Missionaries of Charity When Mother Teresa suggested he take up shifts at her AIDS hospice Towey
