Want You to Be Tomáš Halík, 2016-08-15 In his two previous books translated into English *Patience with God* and *Night of the Confessor* best-selling Czech author and theologian Tom Halík focused on the relationship between faith and hope Now in *I Want You to Be* Halík examines the connection between faith and love meditating on a statement attributed to St Augustine *amo volo ut sis* I love you I want you to be and its importance for contemporary Christian practice Halík suggests that because God is not an object love for him must be expressed through love of human beings He calls for Christians to avoid isolating themselves from secular modernity and recommends instead that they embrace an active and loving engagement with nonbelievers through acts of servitude At the same time Halík critiques the drive for mere material success and suggests that love must become more than a private virtue in contemporary society *I Want You to Be* considers the future of Western society with its strong division between Christian and secular traditions and recommends that Christians think of themselves as partners with nonbelievers Halík's distinctive style is to present profound insights on religious themes in an accessible way to a lay audience As in previous books this volume links spiritual and theological philosophical topics with a tentative diagnosis of our times This is theology written on one's knees Halík is as much a spiritual writer as a theologian *I Want You to Be* will interest both general and scholarly readers interested in questions of secularism and Christianity in modern life **Listening: God's Word for Today** M. A Grammar of Christian Faith Joe R. Jones, 2002-06-03 A Grammar of Christian Faith is a two volume set that aims to confront the widespread disarray in the language and practices of Christian faith today As a grammar it explains how Christian faith provides special ways of speaking and acting that make sense of human life by giving it meaning practicality and hope It advances the thesis that learning how to speak Christian language in worship and life is crucial to learning how to be a Christian Rather than supposing that Christian language and theology need continual updating in order to be relevant to the world Jones urges the church to recover anew how Christian concepts and understanding are intended to form Christian life in all its rich depths Construing theology as confessional theology in the context of the church Jones understands the church as that liberative and redemptive community called into being by the Gospel of Jesus Christ to witness in word and deed the triune God for the benefit of the world The full range of doctrinal themes that are deemed essential to the witness of the church are explored including clear explanations of why they are essential and how they are to be understood In pursuit of a truthful and beneficial witness of the church the work centers on a trinitarian understanding of God in which God freely and lovingly interacts with the world as Creator Reconciler and Redeemer The work throughout affirms the belief that the gracious triune God is the Ultimate Companion who will redeem all creation
