Women, you're not alone in your marriage. You never have been and you never will be. While it may not always feel like it, God wants you to have a relationally healthy, emotionally engaged, and spiritually mature husband. In *Loving Him Well* (previously titled *Sacred Influence*) Gary Thomas builds on concepts from his bestselling book *Sacred Marriage* to reveal the inner workings of a man's heart and mind. He delves into Scriptures that help women gain biblical insight to influence their husbands. Exploring the research of neuroscientists, trained counselors, and abuse victim advocates, Gary also interviews dozens of wives to find what has worked and what hasn't as they've sought to build the best marriage possible. With new stories and fresh illustrations to help wives understand love and influence their husbands, *Loving Him Well* offers encouragement, biblically based support, and practical applications for the transformation of your marriage, drawing you and your husband closer together the way God intended. Perfect for women in good marriages who want a great marriage, women who feel invisible or marginalized in their marriage, engaged or newly married women who want to start investing in their marriage from the start. You'll discover the influence you can gain and the peace of mind you can build when you go first to God for your worth, validation, protection, and provision, and then learn how to use that platform to help your husband draw closer to you and closer to God. *Loving Him Well* includes study questions at the end of each chapter and is also available in Spanish. *Amndolo bien Women, Men and Relationships* Marie Ryan, 2014-03-15 *Women, Men and Relationships* lets couples discover the keys to a happy and healthy relationship from the day they meet through years of married life together. has perfectly studied the hen as leader using both the good and the bad side of the hen to reveal the behaviours of leaders especially in the churches today What I love on this book is that it tackles everything Every realistic situation on every ones life is revealed in this book After reading this book it will enlighten you about both good and bad leaders For example it will help you understand that something you thought it was right will actually prove the opposite This book is informative in a way that you will be able to review every bad thing you did which will help you make sure you are not going to do that again in the future In effect this book is a self guide about leadership
