Elle James,2009-08-18 Special Agent Ben Parrish had been thought dead for two months So when he suddenly reappeared  
bruised and battered on his pregnant wife s doorstep claiming he d been working deep undercover even the FBI had trouble  
believing him Before he could be debriefed though he had to convince Ava to trust him with her safety and that of their

William Bernhardt,1998 Oklahoma attorney Ben Kincaid takes on his sixth case that of a former football hero who leads  
police on a car chase after his wife and children are found murdered     *No Grammar Tears* 2 Marthus-Adden  
Zimboiant,2013 First of all other I find *No Grammar Tears* very informative What amazes me is the kind of dedication and  
patience Marthus Adden spent in writing this book This is because this kind of genre actually needs full attention Truly  
whatever he has written is precise and correct I really admire his generosity of sharing his knowledge about English owing to  
the fact that English is his second language What is good about the book is that the writer wrote it in a manner that readers  
can easily understand it In other words what makes this book different from the other English grammar books in the market  
is that it is more user friendly which means he wrote it in a manner that can easily be understood especially by those who  
just learned English and want to learn more Correctly put this book is a guide to those who wants to learn English on their  
own As a matter of fact he has a knowledge check in every subject he has discussed in this book He catered everything  
especially in the part on how to construct sentences which are very precise and which make it very easy to learn the book He  
did not change anything at all in terms of the right way to speak and learn English but instead he made it easier and more  
convenient for those people whose English is not their first language In point of fact he wrote this book not because he wants  
to show off to the world that he is a good grammarian but because he wants to help those struggling to learn English The  
book therefore deserves recognition because he is actually giving a favour to those who can t afford to have a private tutor to  
teach them how to speak English correctly I must in conclusion admit that this book will really help those people who want to  
learn English language those people who are striving to speak perfect English and those people that English is their second  
language I will therefore commend the author for this book     Extreme Justice William Bernhardt,2012-10-02 DIVRetired  
from law Ben Kincaid is forced to return to the bar when a case and a corpse fall in his lap divDIV After years of struggling  
Ben Kincaid shuts down his small legal office and decides to make a living doing something that compared to practicing law  
in Tulsa is easy money playing jazz piano He buys a minivan to haul his gear and gets steady gigs playing in a combo at Uncle  
Earl s Jazz Emporium His new career is just starting to take off when a body falls from the Emporium ceiling knocking the

wind out of Kincaid and sending him right back to his old profession divDIV divDIVThe dead woman is Cajun Lily Campbell a grand dame of the Tulsa music scene and onetime girlfriend of Uncle Earl himself And Kincaid must be careful as he readies the old jazzman s defense because there is a killer on the north side of town who would like nothing more than to hear the piano player s last tune div
