Dani Morana, more commonly known as Death, is busy not just with people dying as usual but with the deaths caused by Chaos as well. She's been horribly lonely for a long time but knows no one could possibly love her for who she is. Overwhelmed when the world erupts in fear and violence, she needs someone to turn to. Midwife Parthenia Blenkinsop has delivered countless babies but nothing prepares her for the experience that unfolds when she arrives at Mary Wollstonecraft's door. Over the eleven harrowing days that follow as Mrs Blenkinsop fights for the survival of both mother and newborn, Wollstonecraft recounts the life she dared to live amidst the impossible constraints and prejudices of the late 18th century, rejecting the tyranny of men and marriage, risking everything to demand equality for herself and all women. She weaves her riveting tale to give her fragile daughter a reason to live, even as her own strength wanes. Wollstonecraft's urgent story of loss and triumph forms the heartbreakingly brief intersection between the lives of a mother and daughter who will change the arc of history and thought. In radiant prose, Samantha Silva delivers an ode to the dazzling life of Mary Wollstonecraft, one of the world's most influential thinkers and mother of the famous novelist Mary Shelley. But at its heart, *Love and Fury* is a story about the power of a woman reclaiming her own narrative to pass on to her daughter and all daughters for generations to come.

**The Gathering Place** Mitch Gray, 2018-04-18 One of the greatest callings within humanity is unity. To live together, walk together, work together, and serve together. In love, this calling can be brought to reality. The Gathering Place explores the opportunities of walking in love, acting in mercy, and speaking in grace. Love is present within each one of us. Within humanity, The Gathering Place entertains the idea of what living this life in love and making unity our mission can look like in this very moment.

**The Gospel of Love According to Juan/a** Bishop Pablo Virgilio S. David, DD, Nina L. B. Tomen, 2017-07-10 This book is the second in The Gospel According to Juan/a series. Like its precursor, *The Gospel of Mercy According to Juan/a*, it is a compilation of true-to-life stories and reflections from the perspective of the Filipino everywoman. It is intended to be read as a prequel rather than a sequel to *The Gospel of Mercy* because love encompasses all virtues. It is only through the eyes of love where one can truly appreciate all that is good in the human spirit. In this day and age when there is but a thin line between virtual and real, one is hard put to see through the layers of filters that post-modern and post-truth civilization offers. To those who may find themselves lost in this maze, this book serves as a signpost that directs one back to the primary source of love, mercy, and compassion: the God who loved us first, Jesus who taught us how to love, and the Holy Spirit who continually prompts us to keep loving despite the challenges and distractions.

*Parents and Children: Relationships Born from Love: Inspired by the Wisdom of Yoga* Anna V. In *Parents and Children: Relationships Born from Love*, you'll learn meditation techniques to calm emotions, yoga postures that promote a healthier body, and ways people of all ages can use yoga to alleviate the harmful effects of a wide spectrum of physical and emotional conditions. This is a clear, comprehensive, easy-to-understand and follow guidebook for creating happy, harmonious, loving family relationships. The book is written with such kindness and compassion, exactly the qualities the author hopes to awaken in her readers. This book could do immense good to help individuals and families find their way to the fulfillment of heart we all seek.
