Broadcasting ,1982-07 Chinese Television in the Twenty-First Century Ruoyun Bai, Geng Song, 2014-09-15 The past two decades witnessed the rise of television entertainment in China Although television networks are still state owned and Party controlled in China the ideological landscape of television programs has become increasingly diverse and even paradoxical simultaneously subservient and defiant nationalistic and cosmopolitan moralistic and fun loving extravagant and mundane Studying Chinese television as a key node in the network of power relationships therefore provides us with a unique opportunity to understand the tension fraught and paradox permeated conditions of Chinese post socialism This book argues for a serious engagement with television entertainment rethinking It addresses the following questions How is

entertainment television politically and culturally significant in the Chinese context How have political industrial and technological changes in the 2000s affected the way Chinese television relates to the state and society How can we think of media regulation and censorship without perpetuating the myth of a self serving authoritarian regime vs a subdued cultural workforce What do popular televisual texts tell us about the unsettled and reconfigured relations between commercial television and the state The book presents a number of studies of popular television programs that are sensitive to the changing production and regulatory contexts for Chinese television in the twenty first century As an interdisciplinary study of the television industry this book covers a number of important issues in China today such as censorship nationalism consumerism social justice and the central and local authorities As such it will appeal to a broad audience including students and scholars of Chinese culture and society media studies television studies and cultural studies **What Would Marv** Berry Do? Claire Sandy, 2014-07-31 A laugh on every page Lucy Diamond bestselling author of The Beach Cafe What Would Mary Berry Do by Claire Sandy is a delicious feast of a funny novel perfect for fans of Jenny Colgan and Allison Pearson Marie Dunwoody doesn t want for much in life She has a lovely husband three wonderful children and a business of her own But her cupcakes are crap Her meringues are runny and her biscuits rock hard She cannot bake for toffee Or for that matter make toffee Marie can t ignore the disappointed looks any more or continue to be shamed by neighbour and nemesis Lucy Gray Lucy whips up perfect profiteroles with one hand while ironing her bed sheets with the other Marie's had enough this is the year it all changes She vows to follow to the letter recipes from the Queen of Baking and at all times ask What would Mary Berry do Husband Robert has noticed that his boss takes crumb structure as seriously as budget cuts and with redundancies on the horizon he too puts on a pinny Twins Rose and Iris are happy to eat all the half baked mistakes that come their way but big brother Angus is more distant than usual as if something is troubling him And there is no one as nosey as a matching pair of nine year old girls Marie starts to realise that the wise words of Mary Berry can help her with more than just a Victoria Sponge But can Robert save the wobbling souffl that is his career And is Lucy's sweet demeanour hiding something secretly sour This is a work of fiction in no way endorsed by Mary Berry and where neither Mary Berry herself nor her recipes feature The Chinese Television Industry Michael Keane, 2015-07-07 Television is a massive industry in China yet fewer people are watching television screens This ground breaking study explores how television content is changing how the Chinese government is responding to the challenges presented by digital media and how businesses are brokering alliances in both traditional and new media sectors The Encyclopedia of American Animated **Television Shows** David Perlmutter, 2018-05-04 Once consigned almost exclusively to Saturday morning fare for young viewers television animation has evolved over the last several decades as a programming form to be reckoned with While many animated shows continue to entertain tots the form also reaches a much wider audience engaging viewers of all ages Whether aimed at toddlers teens or adults animated shows reflect an evolving expression of sophisticated wit adult humor
