Loyal till Death

Indians and the
North-West Rebellion

Blair Stonechild

Bill Waiser

Loyal Till Death

John Debrett

Loyal Till Death:

Loyal Till Death Blair Stonechild, W. A. Waiser, 1997 Nominee Governor General's Literary Award for Non Fiction This startling retelling of the North West Rebellion explodes the myth of a grand Indian Métis alliance and delves into the reasons why Indians have been branded as traitors and rebels in both the public imagination and official records After the rebellion twenty eight reserves were officially identified as disloyal and more than fifty Indians including Poundmaker and Big Bear were convicted of rebellion related crimes The most damning event was the mass execution of eight Indian warriors at Fort Battleford in November 1885 But Indian elders have long told stories about how First Nations remained faithful to their treaty promises during the conflict Having their own peaceful strategies for dealing with an insensitive federal government they were not interested in Riel's activities and any Indian involvement was isolated sporadic and minimal But Ottawa deliberately portrayed the Indians as outlaws to justify increasingly restrictive and repressive measures an injustice that has left a lasting legacy with First Nations people *Loyal till Death* is the first comprehensive look at the Indian version of the North West Rebellion It brings to life many personalities particularly those of the Indian leaders whose voices have seldom been heard in conventional histories of the Canadian West Combining oral history and exhaustive research and illustrated with more than one hundred archival photographs the book sheds new light on a greatly misunderstood aspect of our past

Loyal Till Death Guy Breshears, 2003 The 13th New York Artillery Battery served from October 1861 July 1865 in the Union army during the Civil War This unit participated in some famous battles Chancellorsville Gettysburg Atlanta as well as numerous smaller engagements Masses of papers generated by this unit offer candid comments on those battles as well as daily camp life and the personalities of many of the officers and men This book comprises orders reports memos personal letters etc received and issued by the officers of the unit during this time It is organized in the form of a unit diary and could be considered what the battery would have written if it could Some of the most beautifully crafted letters by any soldier in the Civil War were written by William Wheeler who served as captain of the 13th until his death in June of 1864 Until now these letters were available only in a privately published collection printed in 1875 Few libraries have that volume and many of the best historians of the Civil War have never seen the letters or even heard of Wheeler Appendices round out this comprehensive work providing information on unit service officers battles a brief historical sketch of the unit inscriptions on war monuments and the eulogy for William Wheeler A bibliography and index are also included

The Memoirs of Miss Chief Eagle Testickle: Vol. 2 Kent Monkman, Gisele Gordon, 2025-05-27 From global art superstar Kent Monkman and his longtime collaborator Gisele Gordon a transformational work of true stories and imagined history that will remake readers understanding of the land called North America For decades the singular and provocative paintings by Cree artist Kent Monkman have featured a recurring character an alter ego of sorts a shape shifting time travelling elemental being named Miss Chief Eagle Testickle Though we have glimpsed her across the years and on countless canvases it is finally time to hear

her story in her own words And in doing so to hear the whole history of Turtle Island anew The Memoirs of Miss Chief Eagle Testickle A True and Exact Accounting of the History of Turtle Island is a genre demolishing work of genius the imagined history of a legendary figure through which a profound truths emerge a deeply Cree and gloriously queer understanding of our shared world its past its present and its possibilities Volume Two which takes us from the moment of confederation to the present day is a heartbreaking and intimate examination of the tragedies of the nineteenth and twentieth century Zeroing in on the story of one family told across generations Miss Chief bears witness to the genocidal forces and structures that dispossessed and attempted to erase Indigenous peoples Featuring many figures pulled from history as well as new individuals created for this story Volume Two explores the legacy of colonial violence in the children s work camps called residential schools by some the Sixties Scoop and the urban disconnection of contemporary life Ultimately it is a story of resilience and reconnection and charts the beginnings of an Indigenous future that is deeply rooted in an experience of Indigenous history a perspective Miss Chief a millennia old legendary being can offer like none other Blending history fiction and memoir in bold new ways The Memoirs of Miss Chief Eagle Testickle are unlike anything published before And in their power to reshape our shared understanding they promise to change the way we see everything that lies ahead *The New Buffalo* Blair Stonechild,2006 Post secondary education often referred to as the new buffalo is a contentious but critically important issue for First Nations and the future of Canadian society While First Nations maintain that access to and funding for higher education is an Aboriginal and Treaty right the Canadian government insists that post secondary education is a social program for which they have limited responsibility In *The New Buffalo* Blair Stonechild traces the history of Aboriginal post secondary education policy from its earliest beginnings as a government tool for assimilation and cultural suppression to its development as means of Aboriginal self determination and self government With first hand knowledge and personal experience of the Aboriginal education system Stonechild goes beyond merely analyzing statistics and policy doctrine to reveal the shocking disparity between Aboriginal and Canadian access to education the continued dominance of non Aboriginals over program development and the ongoing struggle for recognition of First Nations run institutions *Married To The Deadly Mafia King* Author Feathers,2022-11-04 Williamson Ace the absolute cold hearted devil who rules the biggest mafia empire in the world He doesn t beleive in love and happiness Dolly Sylvester a nineteen years old with a soft and innocent heart Williamson Ace and Dolly Sylvester were arranged into a marriage for family business purpose What will be the fate of Dolly Sylvester as a wife of the heartless devil Williamson Ace [White Man's Law](#) Sidney L. Haring,1998-01-01 In this sweeping re investigation of Canadian legal history Haring shows that Canada has historically dispossessed Aboriginal peoples of even the most basic civil rights **From Treaties to Reserves** D.J. Hall,2015-11-01 Though some believe that the Indian treaties of the 1870s achieved a unity of purpose between the Canadian government and First Nations in *From Treaties to Reserves* D J Hall asserts that as a result of profound cultural differences each side interpreted the

negotiations differently leading to conflict and an acute sense of betrayal when neither group accomplished what the other had asked Hall explores the original intentions behind the government's policies illustrates their attempts at cooperation and clarifies their actions While the government believed that the Aboriginal peoples of what is now southern and central Alberta desired rapid change the First Nations in contrast believed that the government was committed to supporting the preservation of their culture while they adapted to change Government policies intended to motivate backfired leading instead to poverty starvation and cultural restriction Many policies were also culturally insensitive revealing misconceptions of Aboriginal people as lazy and over dependent on government rations Yet the first two decades of reserve life still witnessed most First Nations people participating in reserve economies many of the first generation of reserve born children graduated from schools with some improved ability to cope with reserve life and there was also more positive cooperation between government and First Nations people than is commonly acknowledged The Indian treaties of the 1870s meant very different things to government officials and First Nations Rethinking the interaction between the two groups From Treaties to Reserves elucidates the complexities of this relationship Louis Riel and the Creation of Modern Canada Jennifer Reid, 2008-11 Since he was tried and hanged for treason in November of 1885 Louis Riel has been the subject of more histories biographies novels and poetry than any other figure in Canadian history Politician founder of Manitoba and leader of the aboriginal Métis people Riel led two resistance movements against the Canadian government the Red River Uprising of 1869-70 and the North West Rebellion of 1885 in defense of Métis and other minority rights Against the backdrop of these legendary uprisings Jennifer Reid examines Riel's religious background the mythic significance that has consciously been ascribed to him and how these elements combined to influence Canada's search for a national identity Reid's study provides a framework for rethinking the geopolitical significance of the modern Canadian state the historic role of Confederation in establishing the country's collective self image and the narrative space through which Riel's voice speaks to these issues

Lodge's Peerage and Baronetage (knightage & Companionship) of the British Empire, 1861 The Peerage and Baronetage of the British Empire ...
