Sculpture in the Age of Doubt Thomas McEvelley, 1999-08 Framed in a lucid discussion of the intellectual issues surrounding the postmodern movement the essays in this book re-examine the course of twentieth century art through the work of twenty five major sculptors McEvelley masterfully traces the evolution of modern sculpture from the readymades of Marcel Duchamp to the anti painting statements of the 1960s to the spiritualism and conceptualism of the 1980s and 1990s This is a groundbreaking work in the field of art criticism and a fundamental text for anyone interested in the history of current art and culture Allworth Press an imprint of Skyhorse Publishing publishes a broad range of books on the visual and performing arts with emphasis on the business of art Our titles cover subjects such as graphic design theater branding fine art photography interior design writing acting film how to start careers business and legal forms business practices and more While we don't aspire to publish a New York Times bestseller or a national bestseller we are deeply committed to quality books that help creative professionals succeed and thrive We often publish in areas overlooked by other publishers and welcome the author whose expertise can help our audience of readers

Art After the Bomb Darrell D. Davisson, 2008 This book is requisite reading material for any person claiming to be an educated and informed member of the global community Our understanding in the West of the Eastern cultures specially the different cultures involving the Muslims is alarmingly low The book strives to offer a view from the ground a keyhole perspective that offers the readers a close and personal peek into some of the ethical underpinnings and the philosophical guiding parameters that inform the Muslim and the Eastern mind There are over 1.3 billion Muslims in the world It would be a serious intellectual fallacy to assume that they are all homogenous or to be more preposterous assume they are all terrorists It is extremely tragic that it took the Iranian hostage crisis to teach us about Shia Islam and 9/11 to teach us about Wahabi Islam Properly acquired knowledge not just what we learn from the media will allow us to be anticipatory and rational rather than being reactive and emotional For the Muslim reader specially the children and the youth the book strives to offer a deeper understanding of Islam beyond the boundaries of ritual Islam into the wide open space of spiritual and intellectual Islam To inspire them to appreciate and live up to the wonderful legacy of Islam and not to be mired down into some deviant interpretations of people with questionable motives The book is designed to encourage the process of tearing down walls and building bridges We share common dreams

aspirations and challenges We share a common globe and a common destiny The author believes that there are no clashes of civilizations just clashes of ignorance and misunderstanding Arts Digest ,1989 *Encyclopedia of New Jersey* Maxine N. Lurie,Marc Mappen,2004 Contains nearly original articles along with illustrations and maps collecting a wealth of information about the state of New Jersey Arts Magazine ,1989 The Washingtonian ,1988-10
