until he saw her By his side since the dawn of time Gabriel was Lucifer s closest companion in brilliant light But seeing her in the flesh changed him Lucifer can t look away And not because she s perfection personified Beyond Gabriel s cascading hair porcelain skin and blushed lips her silvery eyes are the windows to her very soul and her eternal hope even for an unworthy angel like him And Lucifer is unworthy His thoughts of her alone are a sin The intimate acts he imagines committing with her could cost him more than his place amongst the archangels But he can t stop how he feels when she looks at him When Gabriel s gentle hand lays flat over Lucifer s chest his heart beats faster for her Controlling the forbidden desires that rule Lucifer will be the hardest thing he s ever had to endure but giving in to them could cost him the one being he can t live without
