Lucifer Book of God Eric Johnson,2019-04-01 Society once prosperous and free has degraded to a state of chaos and disorder by crooked police and rich politicians The leaders of the world have driven their countries into poverty and decay with the threat of nuclear war hanging in the air Scandal and heavy government regulation threaten the very lives of the churches that once taught quality morals standards and ethics to the believers and the faithful Oppressive taxes massive unemployment unjust courts and uncontrolled population explosions reek havoc upon the economy and the citizens spawning violence that is killing thousands Lucifer the fallen angel of God walks freely among us as the wealthy businessman Mep Deville Deville Inc has nurtured and cultivated the greed and desires of those in power Mep then offers to cure those societal ills with a prescription of fine gold bouillon that will cost those making a deal with their souls Ultimately the goal of all the bribes payoffs and murders is to allow Mep Deville to enter the mortal world and seize the power of God for himself Six men of various denominations six men holy and pure in the light and love of God are chosen by Heaven to take the one holy book of life that tells of all creation The Book of God to a long hidden and forgotten temple of the Archangel Michael that covers the entrance to Hell and damnation Tasked with stopping the lord of Hell these holy men must survive the servants of evil while facing their fears and resisting their own mortal weaknesses and temptations The rise of Lucifer Armageddon the second coming of Christ and Judgment Day awaits failure Can Lucifer be denied the power that drives him to become our God *Lucifer Vol. 2: Father Lucifer* Holly Black,2017-03-07 After being wrongfully accused of deicide by his angelic brethren the Prince of Hell undertook an epic quest through the cosmos to clear his name Now he wants nothing more than to retire to his Los Angeles club Ex Lux and drown the world s sorrows one drink at a time With the throne of Heaven still vacant archangels are turning on each other in an effort to seize their absent Father s crown And since the Lightbringer has no desire to revisit his former kingdom a vicious power struggle has erupted in the infernal realm as well Caught between chaos above and below Earth has never been more vulnerable In order to keep his terrestrial retreat safe from collateral damage Lucifer must reluctantly rejoin the fight for control over Creation But as the battle rages the aftershocks from his Father s demise are growing stronger and making it clear that some fates really are worse than death The saga of the world s original antihero reaches new heights and depths in LUCIFER VOL 2 FATHER LUCIFER collecting issues 7 12 of the acclaimed series from author Holly Black The Spiderwick Chronicles and artist Lee Garbett Loki **Lucifer Son of the Morning** Anthony Dean Jr.,Bonita Green,2018-08-20 Our manuscript Lucifer Son of the Morning is what we feel to be a reasonable interpretation into the path of one of the most talked about characters throughout the history of man Through no small effort on our behalf and with great attention to that which is written concerning him in scripture as well as being careful to scour through the countless mythologies surrounding our books protagonist it was our goal to take the reader into

the story with a tale from behind the gates and to paint a picture of the rebellious archangel both before and after the profound catharsis that spawned he who is readily felt by many faiths to be the embodiment of evil Our book begins in heaven with Lucifer leading a worship session adorned in gold and silk he is flawless to look upon loving in nature and still very much in good standings with his father the almighty king Jehovah God At the onset of the book Lucifer is a humble and revered prince who takes exceeding pleasure in writing beautiful hymns and raising beautiful praises to his father Though Lucifer is tasked with much in the kingdom he embraces it all with good cheer praising Jehovah through verse is sustenance for him Although Lucifers prominence is illustrated through displays of reverence by the heavenly hosts his prestige as an archangel is not too great that the angels feel separated from him by class No it is balanced completely by his humility and earnestness Jehovah publicly exalts Lucifer before the entire angelic body Throughout time the transition begins to awaken Lucifer in profound ways A byproduct of Lucifers ever escalating wisdom is a knowledge of the thoughts of his contemporaries The quiet subjugation from those near him comes with a twist Suddenly there are internal questions that begin to surface questions about his pedigree God announces man and calls Adam his greatest creation and behind this decree the angels are told to bow Lucifer is incensed He refuses and blatantly disobeys Jehovah Soon there are conspirators and clandestine meetings in secret corners of heaven There with the assistance and abetting of many Lucifer once the humble steward and servant of his father the king calculates and devises a web of subterfuge in heaven and brings his own war to the gates of paradise It sure is a lot of fun getting him there Thanks Anthony and Bonita

Lucifer Kenneth Gullett, 2017-02-27 Lucifer s name is mentioned only once in scripture yet he remains a powerful evil influence over the world This has been the case from the time of Adam and Eve to today and will remain so until final judgment is executed upon the Earth What is Lucifer s ultimate goal How can we fight such a daunting adversary when angels themselves with their supernatural strength dare not contend with him Furthermore since the Bible tells us that Lucifer is the god of this world what kind of merchandise does he use in tempting us to sin The scripture is clear in its description of who he is and what he

intends Being the fallible beings that we are how can we resist the evil temptations that can draw us away from the True God of heaven who is the Creator of all things It is God Who separated the light from the darkness according to Genesis chapter one and it is He who separates good and evil through His living Word Jesus Christ therefore it s in Him alone that we have hope and salvation not in Lucifer nor in ourselves This work is intended to reveal who Lucifer our great adversary really is his attributes merchandise and his goals But foremost through this work the true King of Kings and Lord of Lords will also be revealed Lucifer's War Linda Rios Brook,2012-10-02 Something Has Gone Terribly Wrong in Our World Two thousand years after the cross evil continues to brutalize and pillage in every nation and no one appears able to do very much about it Why has the church made so little progress While Satan lost his authority to rule on the earth he did not lose his power Failure to recognize this crucial difference has caused us to miss the point as to what the war over the planet is about and therefore what we must do to win it Lucifer s War offers a detailed historical examination of Satan the demon gods who are aligned with him and their ancient struggle with God over humanity While the church is the only agency on earth authorized by Jesus to deal with evil at its root cause believers must acknowledge what has not worked and pursue a different strategy that will This book will change the way you pray equip you to understand the times we are living in and prepare you for what may happen next and what you can do about it
