## **Lucilius Und Kallimachos:**

**Callimachus' Iambi** Clayman,2018-08-14 Preliminary Material D L Clayman History of the Text D L Clayman The Iambi Individually and Together D L Clayman Callimachus and Early Iambi D L Clayman Callimachus and Other Hellenistic Iambi D L Clayman The Influence of the Iambi at Rome D L Clayman Bibliography D L Clayman General Index D L Clayman Passages cited D L Clayman [Callimachus in Context](#) Benjamin Acosta-Hughes,Susan A. Stephens,2012-01-26 A new provocative treatment of the Alexandrian poet Callimachus and his reception approaching his work from four varied yet complementary angles **Callimachus of Cyrene: Oxford Bibliographies Online Research Guide** Oxford University Press,2010-05-01 This ebook is a selective guide designed to help scholars and students of the ancient world find reliable sources of information by directing them to the best available scholarly materials in whatever form or format they appear from books chapters and journal articles to online archives electronic data sets and blogs Written by a leading international authority on the subject the ebook provides bibliographic information supported by direct recommendations about which sources to consult and editorial commentary to make it clear how the cited sources are interrelated A reader will discover for instance the most reliable introductions and overviews to the topic and the most important publications on various areas of scholarly interest within this topic In classics as in other disciplines researchers at all levels are drowning in potentially useful scholarly information and this guide has been created as a tool for cutting through that material to find the exact source you need This ebook is just one of many articles from Oxford Bibliographies Online Classics a continuously updated and growing online resource designed to provide authoritative guidance through the scholarship and other materials relevant to the study of classics Oxford Bibliographies Online covers most subject disciplines within the social science and humanities for more information visit [www.aboutobo.com](http://www.aboutobo.com) **Kallimachos in Rom** Walter Wimmel,1960 **Callimachus and His Critics** Alan Cameron,2017-03-14 Callimachus has usually been seen as the archetypal ivory tower poet the epitome if not the inventor of the concept of art for art s sake author of erudite works written to be read in book form by fellow poets and scholars Abundant evidence much of it assembled here for the first time suggests a very different story a world of civic festivals rather than books and libraries a world in which poetry and poets played a central and public role In the course of the argument Cameron casts fresh light on the lives dates works and interrelationships of most of the other leading poets of the age Another axiom of modern scholarship is that the object of Callimachus s literary polemic was epic Yet Cameron shows that the thriving school of epic poets celebrating the wars of Hellenistic kings that has so dominated modern study simply never existed Elegy was the fashionable genre of the age and the bone of contention between Callimachus and his rivals all fellow elegists was the nature of elegiac narrative A final chapter sketches some of the implications of this revised view of Callimachus and his world for the interpretation of Roman especially Augustan poetry Originally published in 1995 The Princeton Legacy Library uses the latest print on demand technology to again make available previously out of print books

from the distinguished backlist of Princeton University Press These editions preserve the original texts of these important books while presenting them in durable paperback and hardcover editions The goal of the Princeton Legacy Library is to vastly increase access to the rich scholarly heritage found in the thousands of books published by Princeton University Press since its founding in 1905

*The Princeton Encyclopedia of Poetry and Poetics* Stephen Cushman, Clare Cavanagh, Jahan Ramazani, Paul Rouzer, 2012-08-26 The most important poetry reference for more than four decades now fully updated for the twenty first century Through three editions over more than four decades The Princeton Encyclopedia of Poetry and Poetics has built an unrivaled reputation as the most comprehensive and authoritative reference for students scholars and poets on all aspects of its subject history movements genres prosody rhetorical devices critical terms and more Now this landmark work has been thoroughly revised and updated for the twenty first century Compiled by an entirely new team of editors the fourth edition the first new edition in almost twenty years reflects recent changes in literary and cultural studies providing up to date coverage and giving greater attention to the international aspects of poetry all while preserving the best of the previous volumes At well over a million words and more than 1 000 entries the Encyclopedia has unparalleled breadth and depth Entries range in length from brief paragraphs to major essays of 15 000 words offering a more thorough treatment including expert synthesis and indispensable bibliographies than conventional handbooks or dictionaries This is a book that no reader or writer of poetry will want to be without Thoroughly revised and updated by a new editorial team for twenty first century students scholars and poets More than 250 new entries cover recent terms movements and related topics Broader international coverage includes articles on the poetries of more than 110 nations regions and languages Expanded coverage of poetries of the non Western and developing worlds Updated bibliographies and cross references New easier to use page design Fully indexed for the first time

**Roman Satire** Jennifer Ferriss-Hill, 2022-06-13 How do you insert yourself into an artistic canon How do you establish yourself as a worthy successor to your predecessors while making your own mark on a genre How do you police a genre's boundaries to keep out the unwanted With particular attention to authorial and national identity artistic self definition and literary reception this volume shows how four ancient Latin poets Lucilius Horace Persius and Juvenal asked and answered these questions between the second century BCE and the second century CE as they invented and reinvented the genre of Roman verse Satire

**The Greek Words in Persius' Literary Programme** Spyridon Tzounakas, 2024-09-02 This book demonstrates that the carefully chosen Greek words in Persius programmatic passages play a significant role in the context of his literary criticism they allow him to express his objection to the Graecizing poetic compositions of his day more convincingly while facilitating intertextual dialogues with many writers Greek words that occur in programmatic passages throw into relief various pathologies of poetry which Persius disapproves of and which contribute effectively to a justification of his rejection However this practice which does not continue into the rest of his work where Greek words are incorporated into the satirist's thought more harmoniously appears to serve specific

expediciencies and should not be considered characteristic of Persius attitude towards Greek culture in general Besides the satiric persona adopts a positive stance regarding Greek philosophy or comedy and criticizes the ignorant critics of Greek culture while many aspects of Greek thought enrich his own poetry in several passages Thus despite the intensity with which he turns against the Graecizing compositions of his day generalizations regarding an anti Hellenic stance on Persius part should be deemed unfounded

**Catullus and the Poetics of Roman Manhood** David Wray, 2001-09-06 This book applies comparative cultural and literary models to a reading of Catullus poems as social performances of a poetics of manhood a competitively often outrageously self allusive bid for recognition and admiration Earlier readings of Catullus based on Romantic and Modernist notions of lyric poetry have tended to focus on the relationship with Lesbia and to ignore the majority of the shorter poems which are instead directed at other men Professor Wray approaches these poems in the light of more recent models for understanding male social interaction in the premodern Mediterranean placing them in their specifically Roman historical context while bringing out their strikingly postmodern qualities The result is an alternative way of reading the fiercely aggressive and delicately refined agonism performed in Catullus shorter poems All Latin and Greek quoted is supplied with an English translation

**Propertius** A.M. Keith, 2008-11-10 In *Propertius Poet of Love and Leisure* Alison Keith explores Propertius elegiac poetry in the context of early imperial Roman society Examining a variety of themes associated with both Propertian poetics such genre theory poetic models the girlfriend the rival and the poet s social context within the early Augustan principate such as Roman imperialism the elite male cursus honorum Augustus building projects she offers a synthetic overview of Propertius achievement in his four books of elegies She considers the neglected relationship of rhetoric to Propertian elegiac poetics as well as Propertius debt to the classical literary tradition and she explores themes in the corpus that reflect the Augustan imperial context in which Propertius lived and wrote Arguing for neither a pro nor an anti Augustanism on display in Propertian elegy Keith brings to light the multiple ways in which Roman imperial rule the new pax Augusta and new forms of elite Roman political competition intersect in and inform Propertius poetry The volume aims to contribute to our understanding of both Latin literature and Augustan culture its sustained exploration of refractions of the Roman imperialist enterprise in Propertius elegiac poetry

**Horace on Poetry** C. O. Brink, Prof C O Brink, 2011-06-09 This is the first of Professor Brink s three volume commentary on Horace s literary epistles originally published in 1963 The volumes chief focus is the primary source of Horatian literary criticism the *Epistula ad Pisones* known as the *Ars Poetica* to most ancient and modern readers Volume I of *Horace on Poetry* looks at the structure of the *Ars Poetica* Neoptolemus and literary criticism and the criticism and satire of Horace Professor Brink s overriding argument is that the common dismissal of the *Ars* as a disorderly piece fails to take into account Horace s architectonic style For Brink this disorder is itself part of an intrinsic poetic design The complete three volume commentary constitutes one of the fullest scholarly commentaries on Horace s critical writing It will continue to be of great value to all with an interest in

this much debated subject      **Roman Manliness** Myles McDonnell, 2006-07-03 Publisher Description      **A History of Roman Literature (2 vols.)** M. von Albrecht, 2019-09-16 Michael von Albrecht's A History of Roman Literature originally published in German can rightly be seen as the long awaited counterpart to Albin Lesky's Geschichte der Griechischen Literatur In what will probably be the last survey made by a single scholar the whole of Latin literature from Livius Andronicus up to Boethius comes to the fore Literature is taken here in its broad antique sense and therefore also includes e.g. rhetoric philosophy and history Special attention has been given to the influence of Latin literature on subsequent centuries down to our own days Extensive indices give access to this monument of learning The introductions in Von Albrecht's texts together with the large bibliographies make further study both more fruitful and easy      *Horace's Epodes* Philippa Bather, Claire Stocks, 2016-03-10 Horace's Epodes rank among the most under valued texts of the early Roman principate Abrasive in style and riddled with apparent inconsistencies the Epodes have divided critics from the outset infuriating and delighting them in equal measure This collection of essays on the Epodes by new and established scholars seeks to overturn this work's ill famed reputation and to reassert its place as a valid and valued member of Horace's literary corpus Building upon a recent surge in scholarly interest in the Epodes the volume goes one step further by looking beyond the collection itself to highlight the importance of intertext context and reception Covering a wide range of topics including the iambic tradition and aspects of gender it begins with a consideration of the influences of Greek iambic upon the Epodes and ends with a discussion on their reception during the seventeenth century and beyond By focusing on the connections that can be drawn between the Epodes and other ancient works as well as between the Epodes themselves the volume will appeal to new and seasoned readers of the poems In doing so it demonstrates that this smallest and seemingly most insignificant of Horace's works is worthy of a place alongside the much lauded Satires and Odes      *Ennius*, 1972-12-31      *Latin Literature* Gian Biagio Conte, 1999-11-19 This history of Latin literature offers a comprehensive survey of the 1000 year period from the origins of Latin as a written language to the early Middle Ages It offers a wide ranging panorama of all major Latin authors

**A Companion to Persius and Juvenal** Susanna Braund, Josiah Osgood, 2012-11-29 A Companion to Persius and Juvenal breaks new ground in its in depth focus on both authors as satiric successors detailed individual contributions suggest original perspectives on their work and provide an in depth exploration of Persius and Juvenal's afterlives Provides detailed and up to date guidance on the texts and contexts of Persius and Juvenal Offers substantial discussion of the reception of both authors reflecting some of the most innovative work being done in contemporary Classics Contains a thorough exploration of Persius and Juvenal's afterlives      **Ainai, Logoi, Mythoi** G. J. Van Dijk, 1997 The first intertextual study of all allusions to fables occurring in Archaic Classical and Hellenistic Greek literature examining both modern and ancient fable theory as well as Greco Roman terminology of the genre      **Classical Epic Tradition** John Kevin Newman, 2003-04-01 The literary epic and critical theories about the epic tradition are traced from Aristotle and Callimachus through Apollonius Virgil

and their successors such as Chaucer and Milton to Eisenstein Tolstoy and Thomas Mann Newman's revisionist critique will challenge all scholars students and general readers of the classics comparative literature and western literary traditions

*Αἶνοι, Λόγοι, Μῦθοι* Gert-Jan van Dijk, 2018-07-17 The first study to focus on the numerous ancient Greek fables occurring outside and predating the extant fable collections Divided into three parts its core is an intertextual analysis of the functions of fables and their allusions Here the author covers many different authors and a variety of genres in Archaic Classical and Hellenistic Greek Literature ranging from lyric to historiography from Aristotle to Hesiod and from Agamemnon to Zopyrus This analysis is based on a study of both modern and ancient fable theory the latter having hitherto never been studied in toto and incorporating the Graeco Roman terminology of the genre The book's third part is a collection of all texts and contexts studied which greatly facilitates cross referencing

## Decoding **Lucilius Und Kallimachos**: Revealing the Captivating Potential of Verbal Expression

In a period characterized by interconnectedness and an insatiable thirst for knowledge, the captivating potential of verbal expression has emerged as a formidable force.
