Shaping the Eighteenth Amendment Richard F. Hamm, 1995 Richard Hamm examines prohibitionists struggle for reform from the late nineteenth century to their great victory in securing passage of the Eighteenth Amendment Because the prohibition movement was a quintessential reform effort Hamm uses it as a case **Dying to be Beautiful** Gwen Kay, 2005 Dying to Be Beautiful tells the story of how cosmetics came to be regulated in early 20th century America In 1906 the Food and Drug Administration was given the power to control food and drugs Not until 1938 were other products that went into or onto the body including cosmetics similarly regulated The intervening years saw death by depilatory and blindness by mascara and a rise in consumer and grassroots political activism This book examines who fought for regulation of these inherently feminine products and why it took so long for their goals to be achieved Book jacket **The West Tennessee Historical Society Papers** West Tennessee Historical Society, 1986 **Current Catalog** National Library of Medicine (U.S.), 1980 First multi year cumulation covers six years 1965 70 *Establishing Research Corporation* Thomas D. Cornell, 2004 From its outset in 1912 founder Frederick G Cottrell expected Research Corporation to function as a philanthropic organization as well as a business His intent was to see if public service could be given precedence over profit making This book analyzes both the engineering and philanthropic efforts of Research Corporation s formative years And because its establishment involved so many other organizations studying its early history affords an opportunity to survey the beginnings of organized research and philanthropy in early twentieth century America P 4 of cover *Before Scopes* Charles Alan Israel, 2004 The 1925 Tennessee v John Scopes case the Scopes Monkey Trial is one of America s most famous courtroom battles Until now however no one has considered at length why the sensational divisive trial of a public high school science teacher indicted for teaching evolution took place where and when it did This study ranges over the fifty years preceding the trial to examine intertwined attitudes toward schooling and faith held by Tennessee s politically dominant white evangelical Protestants Those decades saw accelerating social and economic change in the South writes Charles A Israel Education long the province of family and community grew ever more centralized professionalized and isolated from

the local values that first underpinned it As Israel tells how parents and church civic and political leaders at first opposed public education then endorsed it and finally fought to control it he reveals their deep ambivalence about the intangible costs of progress Lessons that Evangelicals took away from failed adult temperance campaigns also prompted them to reexert control over who and what influenced their children Evangelicals rallied behind a 1915 bill requiring the Bible to be read daily in public schools The 1925 Butler bill criminalized the teaching of evolution which had come to symbolize all that was threatening about theological liberalism and materialistic science The stage for the Scopes trial had been set Delving deeply into the collective mind of a people in an age of uncertainty Before Scopes sheds new light on religious belief ideology and expression **Subject Catalog** Library of Congress,1978 **Subject Catalog, 1978** Library of Congress,1978
