How to Get Lucky (Harriman Classics) Max Gunther, 2021-09-21 Max Gunther's lost classic now in a new Classics edition Some people think you're either born lucky or not But what if you could actively get lucky As Max Gunther shows in this page turning classic some people really are luckier than others and not by accident Lucky people arrange their lives in characteristic patterns They tend to position themselves in the path of onrushing luck they tend to go where events are moving fastest and where they can find their lucky break Lucky people take risks but not silly ones They stick with a cause a job or a partner but not when all hope is lost In short they move with life not against it This book gives you 13 different techniques by which you can discover and take advantage of life's good breaks while minimising the effects of its bad ones

The Mental Game of Trading Jared Tendler, 2021-04-09 A step by step system for mastering trading psychology Think about your most costly and recurring trading mistakes Chances are that they're related to common errors such as chasing price cutting winners short forcing mediocre trades and overtrading You've likely tried to fix these errors by improving your technical skills and yet they persist That's because the real source of these mistakes is not technical they actually stem from greed fear anger or problems with confidence and discipline If you are like most traders you probably overlook or misunderstand mental and emotional obstacles Or worse you might think you know how to manage them but you don't and end up losing control at the worst possible time You're leaving too much money on the table which will either prevent you from being profitable or realizing your potential While many trading psychology books offer sound advice they don't show you how to do the necessary work That's why you haven't solved the problems hurting your performance With straight talk and practical solutions Jared Tendler brings a new voice to trading psychology In *The Mental Game of Trading* he busts myths about emotions greed and discipline and shows you how to look past the obvious to identify the real reasons you're struggling This book is different from anything else on the market You'll get a step by step system for discovering the cause of your problems and eliminating them once and for all And through real stories of traders from around the world who have successfully used Tendler's system you'll learn how to tackle your problems improve your day to day performance and increase your profits Whether you're an independent or institutional trader and regardless of whether you trade equities forex or cryptocurrencies you can use this system to improve your decision making and execution Finally you have a way to reach your potential as a trader Now's the time to make it happen
