Bulwer- Lytton (1st baron.), 1847 **Lucretia Or the Children of Night** Edward Bulwer Lytton Baron Lytton, 1999 **Lucretia: Or, The Children of Night** Edward Bulwer Lytton Lytton, 1846 **Lucretia, Or the Children of the Night (Classic Reprint)** Edward Bulwer Lytton, 2015-07-10 Excerpt from *Lucretia or the Children of the Night* *Lucretia or the Children of Night* was begun simultaneously with *The Caxtons* a Family Picture The two fictions were intended as pendants both serving amongst other collateral aims and objects to show the influence of home education of early circumstance and example upon after character and conduct *Lucretia* was completed and published before *The Caxtons* The moral design of the first was misunderstood and assailed that of the last

was generally acknowledged and approved the moral design in both was nevertheless precisely the same But in one it was sought through the darker side of human nature in the other through the more sunny and cheerful one shows the evil the other the salutary influences of early circumstance and training Necessarily therefore the first resorts to the tragic elements of awe and distress the second to the comic elements of humour and agreeable emotion These differences serve to explain the different reception that awaited the two and may teach us how little the real conception of an author is known and how little it is cared for we judge not by the purpose he conceives but according as the impressions he effects are pleasurable or painful But while I cannot acquiesce in much of the hostile criticism this fiction produced at its first appearance I readily allow that as a mere question of art the story might have been improved in itself and rendered more acceptable to the reader by diminishing the gloom of the catastrophe In this edition I have endeavoured to do so and the victim whose fate in the former cast of the work most revolted the reader as a violation of the trite but amiable law of Poetical Justice is saved from the hands of The Children of Night About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works
