Video Source Book ,2008 **Red Dwarf: Discovering the TV Series** Tom Salinsky,2024-11-30 Explores the unique journey of the long running British sitcom detailing its creation cast changes and enduring legacy through critical analysis and behind the scenes insights Red Dwarf is virtually unique among British sitcoms It began in 1988 and was still releasing new episodes in 2020 making it one of the longest running sitcoms of all time but the core cast has remained largely unchanged And its science fiction flavor contrasts strongly with the drawing rooms and sofas which were the norm when it launched and the fast cut mockumentary style which is popular today And yet this is a show which nobody wanted to make and which only barely made it to our screens at all In this work Tom Salinsky will look at exactly how it came to be who was considered for the cast but didn t make it how it was radically reinvented for the third sixth seventh ninth and tenth seasons how it survived the breakup of its key creative partnership the loss of the original spaceship models BBC strikes the departure of a major cast member and the seemingly self defeating rules which the writers imposed on themselves But this isn t just a behind the scenes account It s also a detailed critical analysis examining why the best episodes succeed and why the less impressive episodes struggle while also finding time to ask just how a hologram made of light can smell burning camphor wood why a creature evolved from a cat is familiar with Wilma Flintstone or just how long Lister and Kochanski were dating for How can all this possibly be contained in one book It can t Volume I will cover the first six series and Volume II will conclude the story of Red Dwarf on television as well as looking at the novels comic strips computer games and more

Gender, Supernatural Beings, and the Liminality of Death Rebecca Gibson,James M. VanderVeen,2021-03-02 Gender Supernatural Beings and the Liminality of Death Monstrous Males Fatal Females examines representations of the supernatural dead to demonstrate shifts in the manifestation of gender Including readings of East Asian detectives cyborgs Iranian vampires and African zombies among others This collection offers a multi faceted look at myth legend and popular culture representations of the gendered supernatural from a broad range of international contexts The contributors show that as creatures pass through the liminal space of death their new supernatural forms challenge cultural conceptions of gender masculinity and femininity **Models of Implementation of Article 12 of the Convention on the Rights of Persons with Disabilities (CRPD)** Maciej Domański,Bogusław Lackoroński,2023-11-30 This book examines the implications of Article 12 of the UN Convention on the Rights of Persons with Disabilities CRPD its resulting standard of protection for

persons with disabilities and the way it is understood and implemented in its diverse signatory states Its overarching theme is to assess the impact of CRPD Article 12 on the private law concept of legal capacity and its limitations the significance of which carries over into the realm of penal law regulations Its impact is analysed primarily from the legal point of view but with due regard for its psychological and psychiatric ramifications Recognising the importance of these disciplines is important when implementing CRPD Article 12 into domestic law as they contribute to the determinants in creating a qualificatory legal framework for all persons with disabilities in particular to exercise their rights to legal capacity without let or hindrance As active legal capacity is a notion rooted in and coming from private law this forms the main research perspective The first section discusses the foundational concepts constituting the CRPD Article 12 standard from domestic private law and international law perspectives The work shows that the concepts adopted in private law interact with the protection of persons with disabilities as victims provided for in criminal law In addition where relevant authors also look at public law institutions that are connected with the private law solutions The volume will be an essential reference for academics researchers and policy makers working in the areas of private law criminal law mental health law human rights discrimination law as well as psychology and psychiatry
