Murderers Choice:

Choices Merle Hoffman, 2023-11-14 Merle Hoffman has always known that in a democracy we each have decision making power over the fate of our own bodies She is a national hero for us all Gloria Steinem In the wake of the Supreme Court overturning Roe V Wade and a country divided a pioneer in the pro choice movement and women s healthcare offers an unapologetic and authoritative take on abortion and women s right to choose Merle Hoffman has been at the forefront of the reproductive freedom movement since the 1970s Three years before the Supreme Court legalized abortion through Roe v Wade she helped to establish one of the United States first abortion centers in Flushing Queens and later went on to found Choices one of the nation s largest and most comprehensive women s medical facilities For the last five decades Hoffman has been a steadfast warrior and fierce advocate for every woman s right to choose when and whether or not to be a mother Now amidst the aftermath of the Dobbs Decision Hoffman has carefully compiled her decades of analysis research and experience into a tour de force manifesto that sheds light on the catastrophic repercussions of overturning Roe and what we must do moving forward to ensure the safety and legality of abortion nationally In Choices Hoffman expresses her views on where we are and what lies ahead She covers topics ranging from revamping the healthcare system to support women s rights combatting rising authoritarianism the weaponization of religion fighting the antis practicing courage sabotage from within the movement and activating the next generation in the fight for reproductive justice **Logizomai** Kyle

McDanell, 2010-10-14 Logizomai is the Greek word meaning to reckon or to reason The Apostle John identifies Jesus as the Logos John 1 1 14 the Divine Word To most Christians in the West today Christianity is nothing more than a duty a feeling a name badge or something one does on Sunday s But Christianity is more than that Christianity is a complete worldview that makes sense of the world A right theology results in a right understanding of the world and the gospel is that right theology The Church is sick because she is shallow What we need is a logizomai faith a reasonable faith Such a reasonable faith encounters hardships with perseverance animosity with love and evangelism with Spirit filled skill Most refuse to share their faith because they don t understand it and are unable to articulate it If Christianity is logizomai then the issues we face today present no real challenge We must therefore learn to apply the truths of the gospel to our dying hurting world To do so we must have reason rooted in the gospel and inspired by the cross GED Test Stuart Donnelly, 2017-07-13 1 001 practice opportunities for passing the GED test Ready to take the GED test Get a head start on a high score with 1 001 GED Test Practice Questions For Dummies Inside you ll find 1 001 practice questions on all four sections of the GED test Mathematical Reasoning Science Social Studies and Reading Language Arts All of the question types and formats you ll encounter on the exam are here so you can study practice and increase your chances of scoring higher on the big day Earning a passing score on the GED test will boost your self esteem enable you to continue your education and qualify you for better paying jobs it s a win win If you re preparing for this important exam there are 1 001 opportunities in this guide to roll up your sleeves put

Encyclopedia of Canadian Organized Crime Peter Edwards,2012-07-31 You may never again think of Canadians as law abiding Respected crime reporters Peter Edwards and Michel Auger have pooled their research and expertise to create The Encyclopedia of Canadian Organized Crime Sometimes grim sometimes amusing and always entertaining this book is filled with 300 entries and more than 150 illustrations covering centuries of organized crime From pirates such as Black Bart who sheltered in isolated Newfoundland coves to strike at the shipping lanes between Europe and the North American colonies all the way to the most recent influx of Russian mobsters who arrived after the end of the Cold War in 1989 and are now honing their sophisticated technological skills on the Western public Edwards and Auger enumerate the personalities and the crimes that have kept Canadian law enforcement busy Here too are the Sicilian and Calabrian gangs the American and Colombian drug connections the bikers whose internal struggles have left innocent bystanders dead and who tried to murder Auger as well as many unexpected figures such as the Sundance Kid who spent years in Canada Arranged in alphabetical entries for easy browsing and illustrated throughout with photographs and drawings this is a book that will both entertain and inform

Kant's Concept of Dignity Yasushi Kato,Gerhard Schönrich,2019-12-16 Nearly all philosophers refer to Kant when debating the concept of dignity and many approve of Kant s conception unaware of the tensions between Kant s conception and the modern idea of dignity intimately connected to the idea of human rights What exactly is Kant s conception of dignity Is there a connecting tie between dignity and the legal sphere of human rights at all Does Kant s concept refer to a superior status human beings seem to own in comparison to non rational beings Or does it refer to an absolute value The contributions of this volume are organised in five broader topics In the first section tensions within the Kantian conception of dignity are discussed C Horn D Birnbacher G Sch nrich The second group of articles illuminates the intimate connections between dignity and human rights R Mosayebi M Kettner The third group discusses the prevailing moral conception of

dignity S Yamatsuta S Shell O Sensen The fourth group focuses on the relation of dignity and end in itself T Hill D Sturma A Wood The central theme of the fifth group of contributions are the social political and cultural dimensions of dignity Y Kato K Ameriks K Flikschuh T Saito The End of Democracy and Faith Sean Wallace,2016-03-15 We are born into an automatic social contract democracy that we never consent to While seemingly championing the individual and the value of individual choice democracy ultimately degenerates into collectivism and mob rule Coupled with a reified religious mythology widespread economic and market collapse and deep political corruption the individual is lost within a democracy to the collective majority However can a just viable form of governance and society exist without the coercion of democracy The End of Democracy and Faith presents an alternative vision that wrests the value of individual choice from mob rule and restores the consent and supremacy of the individual in the social contract Eschewing faith and hope instead for a movement toward building bonds with our fellow men and women and for taking the reins and helping each other save our future it explores the connections between our morality identity history philosophy and economy And with the introduction of the concept of the voluntary state it offers a philosophical foundation in support of using freedom instead of coercion to handle our responsibilities regarding our own income retirement health care and way of life The promises of democracy and any individualism inherent to the founding of the nation have been largely replaced by a perilous disenfranchising collectivism Pursuing an alternative social reality one that can truly enable free markets overcome religious myth and restore individual choice represents a true challenge to the moral depravity of democracy and faith There are certain elements holding back our economy the author asserts though economists rarely make mention of them due to their status as societal sacred cows His arguments against democracy are the most engaging sections of the book in part because such cases are so infrequently made Kirkus Reviews In the Name of Love Aharon Ben-Ze'ev,Ruhama Goussinsky,2008 We yearn to experience the idealized love in so many novels movies poems and popular songs Ironically it is the idealization of love that arms it with its destructive power Popular media consistently remind us that love is all we need but statistics concerning the rate of depression and suicides after divorce or romantic break up remind us what might happen if all that we need is taken away This book is about our ideals of love our experiences of love the actual disparity between the two and the manners of coping with this disparity L A major study case of the book concerns men who have murdered their wives or partners allegedly out of love It is estimated that over 30% of all female murder victims in the United States die at the hands of former or present spouses or boyfriends How can murdering a loved one be associated with the assumed moral and altruistic love Not only is love intrinsically ambivalent but it can also give rise to dangerous consequences Some of the worst evils have been committed in the name of love L A unique collaboration between a leading philosopher in the field of emotions and a social scientist In the Name of Love presents fascinating insights into romantic love and it s future in modern society **Serial Killers and the Phenomenon of Serial Murder** David Wilson,Elizabeth Yardley,Adam Lynes,2015-07-28 A superbly

targeted resource for those learning about serial killings Serial Killers and the Phenomenon of Serial Murder examines and analyses some of the best known as well as lesser cases from English criminal history ancient and modern It looks at the lifestyles backgrounds and activities of those who become serial killers and identifies clear categories of individuals into which most serial killers fall Led by Professor David Wilson the authors are all experts and teachers concerning the ever intriguing subject of serial killing why when and how it happens and whether it can be predicted Taking some of the leading cases from English law and abroad they demonstrate the patterns that emerge in the lives and backgrounds of those who kill a number of times over a period The book is designed for those studying the topic at advanced level whether as an academic discipline on one of the many courses now run by universities and colleges or as a private quest for understanding It contains notes on key terms and explanations of topics such as co activation Munchausen syndrome cooling off period psychopathy checklist social construction case linkage family annihilation activity space rational choice theory medicalisation and rendezvous discipline As the first textbook of its kind it will be an invaluable resource for teachers and students of serious crime

The Golem Gustav Meyrink, 2023-11-06 The Golem is a novel written by the Austrian author Gustav Meyrink It was first published in 1915 and is considered a classic of early 20th century horror and supernatural fiction The novel is set in the Jewish ghetto of Prague and is heavily influenced by the legend of the golem a creature brought to life through mystical means The story follows the character of Athanasius Pernath an alchemist and antiquarian who becomes embroiled in the mysteries of the ghetto including the enigmatic Rabbi L w and the legend of the golem The novel weaves elements of mysticism the occult and the supernatural into a dark and atmospheric narrative Gustav Meyrink was known for his interest in the esoteric and the mystical and The Golem reflects his fascination with these themes The novel has had a lasting impact on the horror and supernatural fiction genres and is celebrated for its eerie and atmospheric storytelling It continues to be a significant work in the realm of early 20th century horror literature

A Short History of the American Civil War Paul Christopher Anderson, 2019-12-26 The American Civil War 1861-65 remains a searing event in the collective consciousness of the United States It was one of the bloodiest conflicts in modern history claiming the lives of at least 600 000 soldiers and an unknown number of civilians and slaves The Civil War was also one of the world's first truly industrial conflicts involving railroads the telegraph steamships and mass manufactured weaponry The eventual victory of the Union over the Confederacy rang the death knell for American slavery and set the USA on the path to becoming a truly world power Paul Christopher Anderson shows how and why the conflict remains the nation's defining moment arguing that it was above all a struggle for power and political supremacy but was also a struggle for the idea of America Melding social cultural and military history the author explores iconic battles like Shiloh Chickamauga Antietam and Gettysburg as well as the bitterly contesting forces underlying them and the myth making that came to define them in aftermath He shows that while both sides began the war in order to preserve the integrity of the American state in the case of the Union the integrity of a culture a value system and

as slave society in the case of the Confederacy it allowed the American South to define a regional identity that has survived into modern times

Evening Street Review Number 38 Barbara Bergmann, Gordon Grigsby, 2023-07-01 Evening Street Press is centered on Elizabeth Cady Stanton's 1848 revision of the Declaration of Independence that all men and women are created equal with equal rights to life liberty and the pursuit of happiness It recognizes that all people are created equal and focuses on the realities of experience personal and historical from the most gritty to the most dreamlike including awareness of the personal and social forces that block or develop the possibilities of a new culture Evening Street Press is no longer accepting work for publication We will continue to vet and publish online work from incarcerated people for our DIY Prison Project You can read all our publications at www.eveningstreetpress.com Order print copies of any of our publications from our website www.eveningstreetpress.com

Engaging Raz, 2025-05-22 Joseph Raz 1939-2022 was a towering figure in late 20th century and early 21st century analytical philosophy His work in moral political and legal philosophy profoundly influenced the discipline informing debates about practical reasoning value theory foundations of liberalism personal autonomy perfectionism the nature of authority theories of rights free expression multiculturalism the nature of promises the rule of law toleration and pluralism and the nature of law among others This collection the product of two highly selective international conferences held in Raz's honour soon after his passing pays tribute to Raz's enormous influence in moral political and legal philosophy The collected essays all engage with Raz's work but not necessarily as critiques or interpretations of his work The collection is a testament to Raz's impact direct and indirect on a wide range of philosophical issues and on a large and diverse set of philosophical communities The overarching themes tackled in the collection include 1 Normativity and Values 2 Practical Reasoning 3 Agency and Autonomy 4 Rights and Obligations 5 The Public Domain and 6 Authority Contributors include both leading figures and rising stars

Jesus' Course in Miracles, 2000 The JCIM derives from the Hugh Lynn Cayce version of the Course which was completed by Helen Shucman and Bill Thetford in 1972 Later editing by others removed about 25% of the material contained in the first five chapters and made numerous editorial changes which affected both the tone and the content of the message Many students consider study of the unabridged JCIM version to be indispensable in their curriculum Text only This edition does not include the Workbook or the Teachers Manual There is a good explanation of the JCIM on our website at <http://jcim.net/sacredsource.html> 306 pages plus 102 page appendix comparing the JCIM with the popular commercial version of the Course

Atlanta and Its Builders Thomas H. Martin, 1902

Beyond Endurance Ronald J. Knapp PhD, 2005-01-31 No event is as traumatic as the death of a child Dr Knapp has interviewed over 155 families who experienced such a loss to determine how they coped or failed to cope This book presents the results of his research shedding light on constructive measures for responding to the tragedy and calling attention to the special needs of surviving family members Dr Knapp examines three types of death death occurring after a long illness sudden or unexpected death and death by murder

Freedom and Self-creation Katherin A. Rogers, 2015 Katherin A Rogers

presents a new theory of free will based on the thought of Anselm of Canterbury We did not originally produce ourselves Yet according to Anselm we can engage in self creation freely and responsibly forming our characters by choosing from ourselves a set between open options Anselm introduces a new agent causal libertarianism which is parsimonious in that unlike other agent causal theories it does not appeal to any unique and mysterious powers to explain how the free agent chooses After setting out Anselm's original theory Rogers defends and develops it by addressing a series of standard problems levelled against libertarianism These include the problem of internalism in that an agent is not the source of his original motivations how can the structure of his choice ground his responsibility the problem of Frankfurt style counterexamples Do we really need open options to choose freely and the problem of luck If nothing about an agent before he chooses explains his choice then isn't the choice just dumb luck The Anselmian answer to this perennial criticism is especially innovative proposing that the critic has the relationship between choices and character exactly backwards Finally as a theory about self creation Anselmian Libertarianism must defend the tracing thesis the claim that an agent can be responsible for character determined choices if he himself formed his character through earlier choices Throughout the book defends and exemplifies a new methodological suggestion someone debating free will ought to make his background world view explicit In the ongoing debate over the possibility of human freedom and responsibility Anselmian Libertarianism constitutes a new and plausible approach

Firearm Abuse Steven Brill, 1977 Analysis of statistics from Atlanta Baltimore Chicago Detroit Houston New York Philadelphia San Francisco and Washington DC to study trends in firearm abuse as a first step toward developing policy alternatives This study represents the first sustained effort to examine from the police perspective the problem of firearm abuse by using police records Some intriguing information has been developed For example a significant finding emerges from an examination of samples of firearms confiscated in ten cities Data show the frequency with which higher priced well known brands of handguns appear in the samples of firearms believed to be involved in murder robbery assault and other felonies This evidence clearly indicates that the belief that so called Saturday night specials inexpensive handguns are used to commit the great majority of these felonies is misleading and counterproductive and can confuse the police administrator in confronting the problem of firearm abuse The variations in firearm confiscation rates among the ten cities studied in this report suggest that police policy and procedures in these cities should be studied further so that police efforts to confiscate illegally possessed firearms can be improved

Would You Lie to Save a Life Michael Glenn Maness, 2007-09 The Sparrow and the Crow is and will be an epic journey deep within your wildest imagination It takes you in places that light cannot exist but love does It makes you fear what you don't believe and except what you can't conceive Christ was a flower a perfect flower taken into the eye of the sparrow Hatred rage anger became justice caught within the heart of the crow The power of Christ has traveled through the ages searching for two people a man and a woman who are not perfect before God but their hearts are pure and one with creation They are the chosen ones Two people willing to die for each other for no other reason

than to preserve a single burning light within a darkened night A candlelight burning within the Eye of the Sparrow His
promise to Adam and Eve becomes the Omen of the Crow That he who seeks the rose shall inherit the Heavens and Earth
