My Confessional:

The Priest, the Woman and the Confessional Charles Paschal Telesphore Chiniquy, 2022-05-29 In The Priest the Woman and the Confessional Charles Paschal Telesphore Chiniquy presents a compelling exposé of the Catholic confessional system weaving personal anecdotes and theological critique into a narrative that challenges the sanctity of clerical authority. This work employs a straightforward yet evocative literary style infused with Chiniquy's fervent conviction that aims to unmask the manipulative dynamics of confession. Set against the backdrop of 19th century religious tensions in North America, the book also engages with contemporary debates surrounding morality, gender, and the role of clergy, making it a seminal text in the discourse on church power dynamics and women's agency. Chiniquy, a former Catholic priest turned Protestant reformer, draws from his own experiences within the confessional system, weaving his journey from devotion to disillusionment into the very fabric of this work. His background imbues the text with authenticity and urgency as he reflects on the moral dilemmas faced by women subjected to clerical scrutiny and exploitation. Chiniquy's own transformation from a member of the Catholic clergy to an outspoken critic is pivotal in shaping his narrative approach and themes. This book is highly recommended for readers interested in religious history, gender studies, and critiques of power structures within religious institutions. Chiniquy's passionate advocacy for reform continues to resonate today, making this work an essential read for anyone seeking to understand the complexities of faith, control, and personal agency.

The Priest, the Woman, and the Confessional Chiniquy, Charles, 2015-02-20 There are two women who ought to be constant objects of the compassion of the disciples of Christ and for whom daily prayers ought to be offered at the mercy seat: the Brahmin woman who, deceived by her priests, burns herself on the corpse of her husband to appease the wrath of her wooden gods; and the Roman Catholic woman who, not less deceived by her priests, suffers a torture far more cruel and ignominious in the confessional box to appease the wrath of her wafer god. For I do not exaggerate when I say that for many noble-hearted, well-educated, high-minded women to be forced to unveil their hearts before the eyes of a man, to open to him all the most secret recesses of their souls, all the most sacred mysteries of their single or married life, to allow him to put to them questions which the most depraved woman would never consent to hear from her vilest seducer, is often more horrible and intolerable than to be tied on burning coals. More than once I have seen women fainting in the confessional box who told me afterwards that the necessity of speaking to an unmarried man on certain things on which the most common laws of decency ought to have forever sealed their lips had almost killed them. Not hundreds but thousands of times I have heard from the lips of dying girls as well as of married women the awful words I am forever lost. All my past confessions and communions have been so many sacrileges. I have never dared to answer correctly the questions of my confessors. Shame has sealed my lips and damned my soul. How many times I remained as one petrified by the side of a corpse when these last words, having hardly escaped the lips of one of my female penitents who had been snatched out of my reach by the merciless hand of death before I could give her pardon through the

deceitful sacramental absolution I then believed as the dead sinner herself had believed that she could not be forgiven except by that absolution For there are not only thousands but millions of Roman Catholic girls and women whose keen sense of modesty and womanly dignity are above all the sophisms and diabolical machinations of their priests They never can be persuaded to answer Yes to certain questions of their confessors The Priest the Woman and the Confessional

Rediscovering Confession is about recovering the experience of confession in danger now of becoming a lost art It identifies four elements present in psychotherapy and confession a state of heightened self awareness a growing realization that our predicament points in some meaningful direction beyond itself the necessity to make a relevant response to our situation and a potential for spiritual encounter that accompanies the process Each chapter contains a section devoted to practice with exercises for individual contemplation and experimentation guidelines for forming a confessional partnership directions for conducting discussions in a study group and ways to organize a small confessional group The Confession Sheldon

Siegel,2010-09-06 Confessions abound some of them quite unexpected in Sheldon Siegel s new legal thriller Mike Daley doesn t go to confession much since he left the priesthood twenty years ago and became a lawyer but that doesn t stop his old friend Father Ramon Aguirre from trying to get him there It wouldn t kill you to go to church once in a while he tells Mike But it does kill someone For several months a ruinous sexual harassment suit has been building against the San Francisco Catholic Archdiocese and when the plaintiff s lawyer is found dead an apparent suicide an almost audible sigh of relief is heard in certain quarters But that is before the police find evidence of murder Even worse the evidence points to Father Aguirre Mike and his ex wife law partner Rosie jump in to take the priest s case but what started out as difficult soon appears impossible as forensics witnesses and secrets from Father Aguirre s past all incriminate their client Soon their wits are the only things keeping the priest from a life sentence or worse and wits simply may not be enough unless they can conjure up a miracle of their own **My Confessional** ,1934 **The Afterlife Confessional** Bill Edgar,2024-07-02 A private

The Spirit Divided Benedict R. Maryniak, John Wesley Brinsfield, 2007 Civil War Chaplains wondered whose side God was on and if their ministries might be in vain They saw on both sides God's Spirit at work Was the Spirit divided was God punishing both North and South for their sins or was there some other explanation for this seemingly endless war

Sex, Celibacy, and Priesthood Lou A. Bordisso, 2011-08-19 The traditional Catholic Church views true celibacy as a gift from God But today's reality paints a much different picture In Sex Celibacy and Priesthood Lou A Bordisso reviews the research on sexual activity and celibacy among Catholic priests Featuring heart-wrenching anonymous and candid self-disclosures about the sexual behaviors of heterosexual gay and bisexual priests Bordisso explores the meaning of celibacy in accordance with Roman Catholic Church teachings doctrine and canon law Sex Celibacy and Priesthood provides an honest and frank study of current perspectives on celibacy in light of priestly sexual behaviors It allows for Roman Catholic priests to speak out in their own voices about their struggles and the conflicts they experience between celibacy and their sexual activities At a time when most are disgusted with the sexual scandal coverups smokescreens and veil of secrecy provided by many Roman Catholic bishops and their apologists Sex Celibacy and Priesthood tells the truth and encourages us to think imaginatively and compassionately about an issue of crucial importance to the Roman Catholic Church at this moment in history
