Nurse Sarah's Confusion Mary Curtis Bowers,1983 **Nurse Katie's Rival** Ethel E. Bangert,1986 The Attic Nichole LeeAnn Turnow,2007-09-13 Sometimes when we least expect it life changes leaving us dazed and wondering what has happened Later we decide that we must have missed something or lost a moment in time Did life take a leap when we werent watching or did we simply forget Is the world keeping something from us or are we keeping something from ourselves As Doctor Samuels probes Sarahs mind she begins putting the pieces together In the midst of being plagued by flashbacks and blocked memories she senses that something strange is happening Sarah is aware that she is depressed and crazy but begins questioning how crazy she really is While her fears come to life and the shadows of her dreams seep into reality the true picture awakens inside her mind No longer does she wonder how she came to be in the mental hospital and no longer does she want to know the truth Sarah discovers that she is forever a prisoner and may never leave She is trapped locked inside The Attic Shattered Smiles Through the Glass Danielle Todd,2014-10-14 Angelle and Sarah continue to look for love Sarah is determined not to give up on Drake while Angelle and Logan fight to keep their love whole *Sarah's Search* Rhoda Fegan,2018-07-18 Destiny Fate Sarah didn t believe that life was contributable to these uncontrollable forces but to the choices of human beings and a very real and loving God Although still single she believed that God s plan for her included marriage and a family with her as a pastor s wife or hopefully the wife of a foreign missionary Her prayers for this very special man and their service together were more than a decade old She saw no likely candidates but trusted God with her life So Sarah lived her life in the moment serving God and looking for the joy God provided in each day That joy now found her on a dream vacation in Toledo Spain where she had fallen in love with the culture the people and the city She had little more than a day left on her vacation and used her unscheduled time to visit an art gallery near her hostel where she met Phillip They had a few hours together before Sarah dashed back to the safety of her familiar life Vacation Sarah was little threat to Satan in Toledo even if her witness did win one man to the Enemy The salvation of this waiter was an incidental note on the demon Warning s report to his Master But Sarah doesn t stay in her room and Phillip isn t a man to give up easily Warning Satan s demon observer reports to his Master that Sarah is becoming a real threat to Satan s plans Demons are ordered to intervene but Sarah s angels don t leave her defenseless Is God working and answering prayers Will the assigned demons keep Sarah from a future with Phillip who is not saved and who has distanced himself from God Nurse Carol's Truce Mary Curtis Bowers,1985 **Echoes of Elsewhere** D. M. Gurno,2024-08-31 When Sarah discovered her ability to shift realities she became the key to saving the multiverse Teaming up with Ethan and Zack seasoned veterans of interdimensional travel Sarah embarks on a heart pounding adventure through collapsing worlds With each jump they edge closer to the source of the destruction witnessing the eerie remnants of realities on the brink of oblivion But new realities bring new dangers from rogue Anchors to alternate versions of people she thought she knew Sarah must push her powers to

the limit learning to adapt and trust herself in the face of the unknown As they navigate the ever changing landscapes of the multiverse they unravel clues pointing to a mysterious force behind the collapse Can this trio of Anchors find a way to stop the destruction and restore balance to the multiverse or will they become the last remnants of a forgotten existence Their quest will take them to the very limits of reality and force Sarah to confront the true depths of her abilities The fate of infinite worlds rests on their shoulders and the clock is ticking Sarah's Choice Thérèse A.
