This is a wonderful addition to the field of nursing. Score 100, 5 stars. Doody's Foundations of Clinical Nurse Specialist Practice serves as a comprehensive textbook and practice reference for graduate-level CNS students and practitioners. Compiled and edited by experts in the field, this book discusses every aspect of Clinical Nurse Specialist practice from its historical foundations to chapters on implementing the business of CNS practice. With this book, readers will gain essential knowledge on delivering client care to the individual patient, the family, and the community. The text includes major sections on designing and evaluating client care interventions, promoting innovation, change, and diffusion in practice; client care delivery; and a wealth of information on the business aspects of CNS practice. Key topics discussed include: How to use the Clinical Reasoning Model (CRM), a clinical inquiry guide for problem solving; How to use complex adaptive systems theory to influence change; Using population-based data analysis to improve patient care outcomes; Exploring the business aspects of CNS practice with discussions on economics, consultation, technology, management, and billing and reimbursement issues; Practice Exemplars on hospital-based CNS practice, collaborative private practice, and entrepreneurship; Role Exemplars that range from pediatric, bariatric, and pain management to psychiatric liaison, rehabilitation, CNS, and Emergency CNS.

Quality Caring in Nursing Joanne Duffy, 2008-12-15 Winner of an AJN Book of the Year Award for 2009. This book offers a coherent theoretical and research-guided framework for quality nursing caring in practice, education, and leadership. A foundational, timeless yet transformative framework of substance. Jean Watson, PhD, RN, AHN, BC, FAAN, College of Nursing, University of Colorado Denver. Dedicated time spent with patients and families in clinical settings is often limited, rushed, and impersonal. How can nurses develop more positive caring relationships with their patients and help to improve the quality of patient care at large? This book addresses this critical question by presenting Joanne R. Duffy's Quality Caring Model, the result of 35 years of clinical experience and educational acumen. This values-based model will bring caring back into the foreground of nursing practice by providing revised curricula for educational programs and outlining the core caring principles for nurse administrators. Key Features: Establishes Relationship-Centered Caring with discussions on how to care for the self, patients, and families; each other, and communities. Offers multiple case examples and includes reflective questions and applications for use in educational programs, workshops, conferences, and clinical practice. Demonstrates how the Quality
