Gold Brian Belval, 2006-08-15 Why do the properties of this precious metal make gold the ideal material for new uses in technology electronics architecture and medicine Beautiful full color photographs and diagrams complement the text

Popular Photography, 1992-12 *New York Magazine*, 1994-08-22 New York magazine was born in 1968 after a run as an insert of the New York Herald Tribune and quickly made a place for itself as the trusted resource for readers across the country With award winning writing and photography covering everything from politics and food to theater and fashion the magazine s consistent mission has been to reflect back to its audience the energy and excitement of the city itself while celebrating New York as both a place and an idea **Engineering and Mining Journal**, 1880 *New York Magazine*, 1984-12-03 New York magazine was born in 1968 after a run as an insert of the New York Herald Tribune and quickly made a place for itself as the trusted resource for readers across the country With award winning writing and photography covering everything from politics and food to theater and fashion the magazine s consistent mission has been to reflect back to its audience the energy and excitement of the city itself while celebrating New York as both a place and an idea **New York Magazine**, 1989-09-04 New York magazine was born in 1968 after a run as an insert of the New York Herald Tribune and quickly made a place for itself as the trusted resource for readers across the country With award winning writing and photography covering everything from politics and food to theater and fashion the magazine s consistent mission has been to reflect back to its audience the energy and excitement of the city itself while celebrating New York as both a place and an idea *New York Magazine*, 1980-01-28 New York magazine was born in 1968 after a run as an insert of the New York Herald Tribune and quickly made a place for itself as the trusted resource for readers across the country With award winning writing and photography covering everything from politics and food to theater and fashion the magazine s consistent mission has been to reflect back to its audience the energy and excitement of the city itself while celebrating New York as both a place and an idea **Popular Photography - ND**, 1947-05 New York Vertical Horst Hamann, 2001 Some people may mistakenly overlook this book because of the novelty of its central idea upending a panoramic camera to shoot New York City vertically But veteran photographer Horst Hamann s pictures have nothing gimmicky about them in fact like Berenice Abbott s they seem destined for New York City photo immortality The pictures are beautifully controlled in vision in camera technique and in printing What s more Hamann bends the city to his vision of light air and geometry A shot of the Statue of Liberty s right arm holding the lamp aloft is a masterwork of composition and care It s as if Hamann somehow arranged for the sea below to darken in precisely the same gradations as the Lady s stately arm Compare it to a dizzying picture of one of the Chrysler Building s shiny eagle heads or a serene moment among the hosta lilies in Trinity Church cemetery for a grasp of Hamann s range Each photograph is paired with a quotation on the opposite page such as Walt Whitman s The beautiful city the city of hurried and sparkling waters or former mayor James J Walker s quip I d rather be a lamppost in New York

than Mayor of Chicago The back of the book contains information on the places in the photographs On a shelf of New York books this one might take its place next to Paul Goldberger's classic *The City Observed* as a fresh example of how New York's stone steel and glass architectural icons are reinvented with each new visionary

Old Paris and Changing New York Kevin D. Moore,2018-01-01 An insightful new look at two renowned photographers their interconnected legacies and the vital documents of urban transformation that they created In this comprehensive study Kevin Moore examines the relationship between Eugène Atget 1857-1927 and Berenice Abbott 1898-1991 and the nuances of their individual photographic projects Abbott and Atget met in Man Ray's Paris studio in the early 1920s Atget then in his sixties was obsessively recording the streets gardens and courtyards of the 19th century city old Paris as modernization transformed

it Abbott acquired much of Atget's work after his death and was a tireless advocate for its value. She later relocated to New York and emulated Atget in her systematic documentation of that city, culminating in the publication of the project *Changing New York*. This engaging publication discusses how during the 1930s and 1940s Abbott paid further tribute to Atget by publishing and exhibiting his work and by printing hundreds of images from his negatives using the gelatin silver process. Through Abbott's efforts, Atget became known to an audience of photographers and writers who found diverse inspiration in his photographs. Abbott herself is remembered as one of the most independent, determined, and respected photographers of the 20th century.
