Oklahombres Particularly The Wilder Ones:

Oklahombres Evett Dumas Nix,1929 **Badasses of the Old West** Erin H. Turner,2009-09-18 Badasses of the Old West brings together thirty six tales of the worst and best robbers rustlers and bandits who shaped the history of the Wild West in one compelling volume From the famous such as Billy the Kid and the Wild Bunch to the lesser known but still colorful and wicked Charles Brown and Bud Stevens Here are just some of the fascinating and forbidding faces you ll meet Bud Stevens whose murder of a cattle king s son rang a death knell for an entire South Dakota town William Quantrill the terror of Civil War era Missouri Legendary bandits Frank and Jesse James Cold blooded Sam Brown who sneered while cutting out a man s heart but screamed in terror when the tables turned Jack Slade a composite of gentleman and murderer who was such an enigma across much of the West that he charmed both Mark Twain and Buffalo Bill Dust off your six shooter and settle into your saddle because this collection compiles the stories of the most notorious black hat wearers of a notorious age **The Mythical West** Richard W. Slatta,2001-11-20 This cultural journey down memory lane showcases how major Western figures events and places have been portrayed in folk legends art literature and popular culture Ever since the days of the 49ers and George Armstrong Custer the Old West has been America s most potent source of legend But it is sometimes hard to separate fact from fiction Did you know for example that Annie Oakley was a talented marksman who shot an estimated 40 000 rounds per year while practicing and performing for Buffalo Bill Cody s Wild West Show in the late 1800s Or that many interpreters believe that The Wonderful Wizard of Oz is not just a fairy tale but also a Populist allegory These are just two of the folk legends dissected and examined in this veritable cultural geography The volume covers everything from billionaire Howard Hughes and composer Aaron Copeland to Aztlan the legendary first city of the Aztecs and Area 51 the top secret U S Air Force base at Groom Lake Nevada that has fascinated UFO and conspiracy buffs Progressive Oklahoma Danney Goble,2015-07 Progressive Oklahoma traces Oklahoma s rapid evolution from pioneer territory to statehood under a model Progressive constitution Author Danney Goble reasons that the Progressive movement grew as a reaction to an exaggerated species of Gilded Age social values the notion that an expanding marketplace and unfettered individualism would properly regulate progress Near the end of the territorial era that notion was challenged commercial farmers and trade unionists saw a need to control the market through collective effort and the sudden appearance of new corporate powers convinced many that the invisible hand of the marketplace had become palsied After years of territorial setbacks Oklahoma Democrats readily embraced the Progressive agenda and swept the 1906 constitutional convention elections They went on to produce for their state a constitution that incorporated such landmark Progressive features as the initiative and referendum strict corporate regulation sweeping tax reform a battery of social justice measures and provisions for state owned enterprises Goble is keenly aware that the Oklahoma experience was closely related to broader changes that shaped the nation at the turn of the century Progressive Oklahoma examines the elemental changes that transformed Indian
