Cuba and the Fall Eduardo González, 2010-08-05 The literature of Cuba argues Eduardo González in this new book takes on quite different features depending on whether one is looking at it from the inside or from the outside a view that in turn is shaped by official political culture and the authors it sanctions or by those authors and artists who exist outside state policies and cultural politics González approaches this issue by way of two twentieth century writers who are central to the canon of gay homoerotic expression and sensibility in Cuban culture José Lezama Lima 1910 1976 and Reinaldo Arenas 1943 1990 Drawing on the plots and characters in their works González develops both a story line and a moral tale revolving around the Christian belief in the fall from grace and the possibility of redemption that bring the writers into a unique and revealing interaction with one another The work of Lezama Lima and Arenas is compared with that of fellow Cuban author Virgilio Piñera 1912 1979 and in a wider context with the non Cuban writers John Milton Nathaniel Hawthorne William Faulkner John Ruskin and James Joyce to show how their themes get replicated in González's selected Cuban fiction Also woven into this interaction are two contemporary films *The Devil's Backbone* 2004 and *Pan's Labyrinth* 2007 whose moral and political themes enhance the ethical values and conflicts of the literary texts Referring to this eclectic gathering of texts González charts a cultural course in which Cuba moves beyond the Caribbean and into a latitude uncharted by common words beyond the tyranny of place

Becoming Reinaldo Arenas Jorge Olivares, 2013-04-11 *Becoming Reinaldo Arenas* explores the life and work of the Cuban writer Reinaldo Arenas (1943-1990) who emerged on the Latin American cultural scene in the 1960s and quickly achieved literary fame. Yet as a political dissident and an openly gay man, Arenas also experienced discrimination and persecution; he produced much of his work amid political controversy and precarious living conditions. In 1980, having survived ostracism and incarceration in Cuba, he arrived in the United States during the Mariel boatlift. Ten years later, after struggling with poverty and AIDS in New York, Arenas committed suicide. Through insightful close readings of a selection of Arenas's works, including unpublished manuscripts and correspondence, Olivares examines the writer's personal, political, and artistic trajectory, focusing on his portrayals of family, sexuality, exile, and nostalgia. He documents Arenas's critical engagement with cultural and political developments in revolutionary Cuba and investigates the ways in which Arenas challenged literary and national norms. Olivares's analysis shows how Arenas drew on his life experiences to offer revealing perspectives on the Cuban Revolution, the struggles of Cuban exiles, and the politics of sexuality.
