Loyalist Land Ownership in Upper Canada's Norfolk County, 1792-1851 Colin Read, 2025-09-12 After the American Revolution many Loyalists moved north where the British colonial government awarded them generous land grants on favourable terms The intention behind these grants was to create a landed gentry in Upper Canada that would safeguard the colony's political security and build social cohesion among its leadership Loyalist Land Ownership in Upper Canada's Norfolk County 1792 1851 examines the long term landholding of Loyalists and other settlers who arrived in the county before 1812 to judge whether this social experiment succeeded Colin Read explores the various ways that settlers acquired and transmitted land the nature of familial land sales and the place of women in owning land Consulting land records and genealogical research he finds that no landed elite endured in Upper Canada Loyalists owned only marginally more land than non Loyalists by 1851 and it was commonplace for latecoming settlers to eventually own land Yet early arrival was a significant determinant of later landholding and property size it mattered who settled first Land was the main source of wealth in early Canada This fine grained study sheds light on how it was acquired disposed of and passed down through generations in the nineteenth century Although a landed aristocracy was never realized the colonial state's allocation of land to settlers laid the foundation for their social standing **Foreign Ownership of Canadian Industry** A.E.

Safarian, 2011-12-15 Foreign ownership is an ongoing national policy issue for Canadians and a matter of utmost concern in the public mind Recently the issue has been hotly debated in sectors as diverse as telecommunications mining technology retail steel and aerospace Foreign Ownership of Canadian Industry A E Safarian's classic investigation into the behaviour of branch plant firms in Canada has proven an enduring and important analysis of this national policy problem and is now back in print This third edition of Foreign Ownership of Canadian Industry features a new preface contextualizing Safarian's influential work against contemporary economic issues and policies As the question of foreign takeovers becomes increasingly critical not only in Canada but in other countries as well Safarian emphasizes the continuity of concerns over who owns a country's industries **International Business in the Information and Digital Age** Rob van Tulder, Alain

Verbeke, Lucia Piscitello, 2018-11-16 The information and digital age is shaped by a small number of multinational enterprises from a limited number of countries This volume covers the latest insight from the International Business discipline on prevailing trends in business model evolution It also discusses critical issues of regulation in the new information and digital space **Vol.1 A.I.D.A.A. Collision of Empires G. Bruce Strang, 2016-05-23 Italy's invasion of Ethiopia in 1935 marked a turning point in interwar Europe The last great European colonial conquest in Africa the conflict represented an enormous gamble for the Fascist dictator Benito Mussolini He faced a challenge not only from a stout Ethiopian defence but also from difficult

logistics made worse by the League of Nations half hearted sanctions Mussolini faced down this opposition and Italian troops aided by air superiority and liberal use of yprite gas conquered Addis Ababa within eight months a victory that shocked many military observers of the time with its speed and suddenness The invasion had enormous repercussions on European international relations In the midst of a national election campaign the British National Government had felt constrained to support the League despite fears that sanctions through the League could lead to war with Italy The concentration of the Royal Navy in the Mediterranean Sea alienated Mussolini and placed the French government on the horns of dilemma should France support its military partner Italy or its more important potential ally Great Britain French attempts to mark out a middle ground did little to placate the Duce and the crisis seemed to develop a deep rift between Fascist Italy and the Anglo French democracies while at the same time creating a crisis in Anglo French relations Mussolini turned towards Nazi Germany in an attempt to end his diplomatic isolation during the sanctions episode although Hitler considered the Duce s friendship a mixed blessing The question of American adherence to sanctions increased ill will between British politicians and the Roosevelt administration in Washington as each tended to blame the other for the failure of oil sanctions and the collapse of collective security The international crisis posed similarly thorny problems for the smaller powers of Europe and for Japan and the Soviet Union The crisis impeded common defence against Fascist expansionism while giving impetus to claims of the revisionist powers Despite the tremendous importance of the international crisis however little new work on the subject has appeared in recent decades In this volume an international cast of contributors take a fresh look at the crisis through the lens of new evidence and new approaches to international relations history to provide the most comprehensive coverage of the crisis currently possible and their work provides new frames of reference for exploring imperialism collective security and genocide

The Devil's Trick John Boyko, 2022-05-17 Forty five years after the fall of Saigon John Boyko brings to light the little known story of Canada s involvement in the American War in Vietnam Through the lens of six remarkable people some well known others obscure bestselling historian John Boyko recounts Canada s often overlooked involvement in that conflict as peacemaker combatant and provider of weapons and sanctuary When Brigadier General Sherwood Lett arrived in Vietnam over a decade before American troops he and the Canadians under his command risked their lives trying to enforce an unstable peace while questioning whether they were merely handmaidens to a new war As American battleships steamed across the Pacific Canadian diplomat Blair Seaborn was meeting secretly in Hanoi with North Vietnam s prime minister if American leaders accepted his roadmap to peace those ships could be turned around before war began Claire Culhane worked in a Canadian hospital in Vietnam and then returned home to implore Canadians to stop supporting what she deemed an immoral war Joe Erickson was among 30 000 young Americans who changed Canada by evading the draft and heading north Doug Carey was one of the 20 000 Canadians who enlisted with the American forces to serve in Vietnam Rebecca Trinh fled Saigon with her husband and young daughters joining the waves of desperate

Indochinese refugees thousands of whom were to forge new lives in Canada Through these wide ranging and fascinating accounts Boyko exposes what he calls the Devil s wiliest trick convincing leaders that war is desirable persuading the public that it is acceptable and telling combatants that the deeds they carry out and the horrors they experience are normal or at least necessary In uncovering Canada s side of the story Boyko reveals the many secret and forgotten ways that Canada not only fought the war but was forever shaped by its lessons and lies The Middle Power Project Adam Chapnick,2011-11-01 The Middle Power Project describes a defining period of Canadian and international history During the Second World War Canada transformed itself from British dominion to self proclaimed middle power It became an active enthusiastic and idealistic participant in the creation of one of the longest lasting global institutions of recent times the United Nations This was in many historians opinions the beginning of a golden age in Canadian diplomacy Chapnick suggests that the golden age may not have been so lustrous During the UN negotiations Canadian policymakers were more cautious than idealistic The civil service was inexperienced and often internally divided Canada s significant contributions were generally limited to the much neglected economic and social fields Nevertheless creating the UN changed what it meant to be Canadian Rightly or wrongly from the establishment of the UN onwards Canadians would see themselves as leading internationalists Based on materials not previously available to Canadian scholars The Middle Power Project presents a critical reassessment of the traditional and widely accepted account of Canada s role and interests in the formation of the United Nations It will be read carefully by historians and political scientists and will be appreciated by general readers with an interest in Canadian and international history Annual Report of the Commissioner of Patents United States. Patent Office,1917 Prior to 1862 when the Department of Agriculture was established the report on agriculture was prepared and published by the Commissioner of Patents and forms volume or part of volume of his annual reports the first being that of 1840 Cf Checklist of public documents Washington 1895 p 148 **The Foundations of Modern Arms Control** Robert M. Blum,2024-04-30 This book is an international history of the foundation of modern arms control highlighting the fact that the instrument is varied resilient successful and enduring The narrative begins after the Napoleonic wars when newly arisen peace movements focused on arbitration as a path to ending the war system It moves on to the international community s embrace of total and complete disarmament and then to its acceptance of more limited measures by 1968 including the agreements that remain in force today The book connects the past to the present of multiple negotiations successful and failed and underlines how the peace movement increasingly influenced the national policy of the major Western powers especially the United States It also highlights the increasing diversification of arms control players including women and people of color as well as the countries they represented Based on original research in multinational records and the latest scholarship the book illustrates the reasons multilateral arms control remains a key instrument of international relations The chapters are organized both chronologically and thematically with the result that they cover different amounts of time in order to encompass a given issue

and to capture the development of particular threads The main narrative evolves into a decadeslong quest for a global treaty on general and complete disarmament which otherwise paces the book and shapes its chapters This book will be of much interest to students of arms control global governance peace studies and International Relations *Handbook of Canadian Foreign Policy* Patrick James, Nelson Michaud, Marc O'Reilly, 2006-05-04 *Handbook of Canadian Foreign Policy* is the most comprehensive book of its kind offering an updated examination of Canada's international role some 15 years after the dismantling of the Berlin Wall ushered in a new era in world politics Tackling recent developments in Canadian foreign policy the authors of this work spotlight Canadian idiosyncrasies within a global context that are defined by wrenching juxtapositions The specialists who have contributed their expertise to this book provide sophisticated analysis conceptual as well as historical rather than simply impressionistic judgments about contemporary events Highlighting both well known and understudied topics this handbook presents a marriage of the familiar and the underappreciated that enables readers to grasp much of the complexity of current Canadian foreign policy and appreciate the challenges policymakers must meet in the early 21st century

Canada and the End of Empire Phillip Buckner, 2013-12-01 Sir John Seeley once wrote that the British Empire was acquired in a fit of absence of mind Whatever the truth of this comment it is certainly arguable that the Empire was dismantled in such a fit This collection deals with a neglected subject in post Confederation Canadian history the implications to Canada and Canadians of British decolonization and the end of empire *Canada and the End of Empire* looks at Canadian diplomatic relations with the United Kingdom and the United States the Suez crisis the changing economic relationship with Great Britain in the 1950s and 1960s the role of educational and cultural institutions in maintaining the British connection the royal tour of 1959 the decision to adopt a new flag in 1964 the efforts to find a formula for repatriating the constitution the Canadianization of the Royal Canadian Navy and the attitude of First Nations to the changed nature of the Anglo Canadian relationship Historians in Commonwealth countries tend to view the end of British rule from a nationalist perspective *Canada and the End of Empire* challenges this view and demonstrates the centrality of imperial history in Canadian historiography An important addition to the growing canon of empire studies and imperial history this book will be of interest to historians of the Commonwealth and to scholars and students interested in the relationship between colonialism and nationalism

Rise to Greatness, Volume 3: Realm (1949-2017) Conrad Black, 2017-05-05 Colourful comprehensive and masterfully written this is the third and final volume in a major history of our country by one of our most respected thinkers and historians a book every Canadian should own From the acclaimed biographer and historian Conrad Black comes the definitive history of Canada a vivid revelatory account of the people and events that shaped a nation The final of three volumes spanning from the year 1949 to 2014 this compelling history challenges our perception of our Canada's role in the world taking on sweeping themes and recounting the story of Canada's development from colony to dominion to country Black persuasively reveals that while many would argue that Canada was perhaps never predestined for greatness the

opposite is in fact true the emergence of a magnificent country against all odds was a remarkable achievement Brilliantly conceived this major new reexamination of our country s history is a riveting tour de force by one of the best writers writing today **Délibérations Et Mémoires de la Société Royale Du Canada** Royal Society of Canada,1901 **The Canadian Field-naturalist** ,1898 **American Kennel Club Stud Book** ,1929 Canadian Books in Print ,2000
