Oxford Companion To The Brontes:

The Oxford Companion to the Brontës Christine Alexander, Margaret Smith, 2018-04-12 This special edition of The Oxford Companion to the Brontës commemorates the bicentenary of Emily Brontës birth in July 1818 and provides comprehensive and detailed information about the lives works and reputations of the Brontës the three sisters Charlotte Emily and Anne their father and their brother Branwell Expanded entries surveying the Brontës lives and works are supplemented by entries on friends and acquaintances pets literary and political heroes on the places they knew and the places they imagined on their letters drawings and paintings on historical events such as Chartism the Peterloo Massacre and the Ashantee Wars on exploration slavery and religion Selected entries on the characters and places in the Brontës juvenilia provide a glimpse into their early imaginative worlds and entries on film ballet and musicals indicate the extent to which their works have inspired others A new foreword to the text has been also penned by Claire Harman award winning writer and literary critic and recent biographer of Charlotte Brontës This is a unique and authoritative reference book for the research student and the general reader The A Z format extensive cross referencing classified contents chronologies illustrations and maps both facilitate quick reference and encourage further exploration This Companion is not only invaluable for quick searches but a delight to browse and an inspiration to further reading

The Oxford Companion to the Brontës Christine Anne Alexander, 2006 [The Oxford Companion to the Brontës](#) Alexander, Christine Anne Alexander, Margaret Smith, 2011 **A Companion to the Brontës** Diane Long Hoeveler, Deborah Denenholz Morse, 2016-04-04 A Companion to the Brontës brings the latest literary research and theory to bear on the life work and legacy of the Brontës family Includes sections on literary and critical contexts individual texts historical and cultural contexts reception studies and the family's continuing influence Features in depth articles written by well known and emerging scholars from around the world Addresses topics such as the Gothic tradition film and dramatic adaptation psychoanalytic approaches the influence of religion and political and legal questions of the day from divorce and female disinheritance to worker reform Incorporates recent work in Marxist feminist post colonial and race and gender studies **A Study Guide for Emily Bronte's "Remembrance"** Gale, Cengage Learning, 2016 **A Study Guide for Emily Bronte's "The Old Stoic"** Gale, Cengage Learning, 2016 A Study Guide for Emily Bronte's The Old Stoic excerpted from Gale's acclaimed Poetry for Students This concise study guide includes plot summary character analysis author biography study questions historical context suggestions for further reading and much more For any literature project trust Poetry for Students for all of your research needs [The Brontës in the World of the Arts](#) Sandra Hagan, Juliette Wells, 2016-12-05 Although previous scholarship has acknowledged the importance of the visual arts to the Brontës relatively little attention has been paid to the influence of music theatre and material culture on the siblings lives and literature This interdisciplinary collection presents new research on the Brontës relationship to the wider world of the arts including their relationship to the visual arts The

contributors examine the siblings artistic ambitions productions and literary representations of creative work in both amateur and professional realms Also considered are re envisionings of the Bront s works with an emphasis on those created in the artistic media the siblings themselves knew or practiced With essays by scholars who represent the fields of literary studies music art theatre studies and material culture the volume brings together the strongest current research and suggests areas for future work on the Bront s and their cultural contexts

Reading and Interpreting the Works of the Brontë Sisters Naomi Pasachoff,2017-07-15 The literary output of the Bront sisters was small but their novels remain immensely popular more than 150 years after their deaths Each sister wrote a novel that challenged the ideas of the day on what was fit to print Charlotte s Jane Eyre by examining the interior life of a young girl Emily s Wuthering Heights by overturning the conventions of the novel even while making use of traditional literary forms Anne s The Tenant of Wildfell Hall by depicting a husband s alcoholism and debauchery This guide which roots the writers work in their unusual upbringing and describes and challenges the so called Bront myth aims to provide both first time readers and long time Bront enthusiasts with a deeper understanding of their work and the reasons it continues to engross readers today

Anglican Women Novelists Judith Maltby,Alison Shell,2019-06-27 What do the novelists Charlotte Bront Charlotte M Yonge Rose Macaulay Dorothy L Sayers Barbara Pym Iris Murdoch and P D James all have in common These women and others were inspired to write fiction through their relationship with the Church of England This field defining collection of essays explores Anglicanism through their fiction and their fiction through their Anglicanism These essays by a set of distinguished contributors cover a range of literary genres from life writing and whodunnits through social comedy children s books and supernatural fiction Spanning writers from the nineteenth to the twenty first century they testify both to the developments in Anglicanism over the past two centuries and the changing roles of women within the Church of England and wider society

The Brontës in Context Marianne Thormählen,2012-11-01 Very few families produce one outstanding writer The Bront family produced three The works of Charlotte Emily and Anne remain immensely popular and are increasingly being studied in relation to the surroundings and wider context that formed them The forty two new essays in this book tell the Bront story as it has never been told before drawing on the latest research and the best available scholarship while offering new perspectives on the writings of the sisters A section on Bront criticism traces their reception to the present day The works of the sisters are explored in the context of social political and cultural developments in early nineteenth century Britain with attention given to religion education art print culture agriculture law and medicine Crammed with information The Bront s in Context shows how the Bront s fiction interacts with the spirit of the time suggesting reasons for its enduring fascination

A Brontë Encyclopedia Robert Barnard,Louise Barnard,2013-03-29 A BRONT ENCYCLOPEDIA This lively absorbing meticulously researched compendium is a rich resource both for the general reader and for the specialist Bront scholar It contains much to enlighten and surprise even those who think they know the Bront s well Heather Glen University of

Cambridge Aficionados of all things Bront must have this encyclopedia on their desks Even those with just a passing interest in Bront or literary research can become trapped in this book for hours Looking up one entry leads to looking up another and then another This book has references to the important and the arcane and the obscure references to places the Bront s visited people they knew in short everything English Literature in Transition 1820 1920 A Bront Encyclopedia is a complete guide to the life and work of the most notable literary family of the 19th century Comprising approximately 2000 alphabetically arranged entries this authoritative volume Brings to light the significant people and places that influenced the Bront s lives Defines and describes the Bront s fictional characters and settings Incorporates original literary judgments and analyses of characters and motives Includes coverage of Charlotte s unfinished novels and her and Branwell s juvenile writings Features a full range of illustrations A Bront Encyclopedia is the most original and accessible work of its kind

The Shelleyan Brontës J. E. Young, 2024-05-26 This book explores the significant textual relationship between Mary and Percy Shelley and the early works of the Bront siblings Through a detailed examination of the Shelleyan narrative accessible to the Bront s from their childhood to their final novels this study argues for a fresh perspective on the Bront s engagement with the Shelleys in both their juvenilia and later seven novels In this respect the book considers the Bront s as readers rather than exclusively as writers viewing them as a product of the early nineteenth century literary marketplace which maintained affinities to Romanticism Reading rewriting and appropriating the textual Shelleys was a fundamental vein stemming the Bront s writing from childhood with Mary epitomising the model for what the sisters would eventually become the female novelist

Charlotte Brontë, Embodiment and the Material World Justine Pizzo, Eleanor Houghton, 2020-06-09 Comprising nine original essays by specialists in material culture book history literary criticism and curatorial and archival studies this co edited volume addresses a wide range of Bront s writing from vignettes composed during her teenage years The Tea Party and The Secret to completed novels The Professor Jane Eyre Shirley and Villette and unfinished works Ashworth and Emma In bringing to life the surprising array of embodied experiences that shaped Bront s creative practice from writing to book making painting and drawing Charlotte Bront Embodiment and the Material World forges new connections between historical material and textual approaches to the author s work

The Palgrave Encyclopedia of Victorian Women's Writing Lesa Scholl, Emily Morris, 2022-12-15 Since the late twentieth century there has been a strategic campaign to recover the impact of Victorian women writers in the field of English literature However with the increased understanding of the importance of interdisciplinarity in the twenty first century there is a need to extend this campaign beyond literary studies in order to recognise the role of women writers across the nineteenth century a time that was intrinsically interdisciplinary in approach to scholarly writing and public intellectual engagement

Boxing Kasia Boddy, 2013-06-01 Throughout history potters sculptors painters poets novelists cartoonists song writers photographers and filmmakers have recorded and tried to make sense of boxing From Daniel Mendoza to Mike Tyson boxers have embodied and

enacted our anxieties about race ethnicity gender and sexuality In her encyclopedic investigation of the shifting social political and cultural resonances of this most visceral of sports Kasia Boddy throws new light on an elemental struggle for dominance whose weapons are nothing more than fists Looking afresh at everything from neoclassical sculpture to hip hop lyrics Boddy explores the ways in which the history of boxing has intersected with the history of mass media Boddy pulls no punches looking to the work of such diverse figures as Henry Fielding and Spike Lee Charlie Chaplin and Philip Roth James Joyce and Mae West Bertolt Brecht and Charles Dickens in an all encompassing study that tells us just how and why boxing has mattered so much to so many *Charlotte Brontë from the Beginnings* Judith E. Pike, Lucy Morrison, 2016-09-19

Composed of serialized works poems short tales and novellas Charlotte Brontë's juvenilia merit serious scholarly attention as revelatory works in and of themselves as well as for what they tell us about the development of Brontë as a writer This timely collection attends to both critical strands positioning Brontë as an author whose career encompassed the Romantic and Victorian eras and delving into the developing nineteenth century's literary concerns as well as the growth of the writer's mind As the contributors show Brontë's authorship took shape among the pages of her juvenilia as figures from Brontë's childhood experience of the world such as Wellington and Napoleon transmuted to her fictional pages while her siblings' works and worlds both overlapped with and extended beyond her own **1650-1850** Kevin L. Cope, 2020-02-14

1650 1850 publishes essays and reviews from and about a wide range of academic disciplines literature philosophy art history history religion and science Interdisciplinary in scope and approach 1650 1850 emphasizes aesthetic manifestations and applications of ideas and encourages studies that move between the arts and the sciences **Walking with Anne Brontë (black & white edition)** Tim Whittome, 2023-07-31

Whether on the seashore or on the trails between clumps of Haworth heather let us walk with Anne Brontë and listen to her discussing the kind of truth that always conveys its own moral to those who are able to receive it Join us in our academic and personal celebratory reflections on gentle Anne's core of steel sense of family duty and enduring courage Anne was the most underrated and least known of the three Brontë sisters for the better part of a century after she died in May 1849 *Walking with Anne Brontë* adds gravitas and personality to the growing chorus of academic and other voices honoring the youngest Brontë sibling's inspirational life and literary legacy **The Brontës and Education** Marianne Thormählen, 2007-06-21

All the seven Brontë novels are concerned with education in both senses that of upbringing as well as that of learning The Brontë sisters all worked as teachers before they became published novelists In spite of the prevalence of education in the sisters' lives and fiction however this was the first full length book on the subject when it was published in 2007 Marianne Thormählen explores how their representations of fictional teachers and schools engage with the intense debates on education in the nineteenth century drawing on a wealth of documentary evidence about educational theory and practice in the lifetime of the Brontës This study offers much information both about the Brontës and their books and about the most urgent issue in early nineteenth century British social politics the education of the people of

all classes and both sexes **Tales of Glass Town, Angria, and Gondal** The Brontës, 2010-09-23 We pretended we had each a large island inhabited by people 6 miles high In their collaborative early writings the Brontës created and peopled the most extraordinary fantasy worlds whose geography and history they elaborated in numerous stories poems and plays Together they invented characters based on heroes and writers such as Wellington Napoleon Scott and Byron whose feuds alliances and love affairs weave an intricate web of social and political intrigue in imaginary colonial lands in Africa and the Pacific Ocean The writings of Glass Town Angria and Gondal are youthful experiments in imitation and parody wild romance and realistic recording they demonstrate the playful literary world that provided a myth kitty for their early and later work In this generous selection the writings of Charlotte Emily Anne and Branwell are presented together for the first time The Introduction explores the rich imaginative lives of the Brontës and the tension between their maturing authorship and creative freedom The edition also includes Charlotte Brontë's Roe Head Journal and Emily and Anne's Diary Papers important autobiographical sources ABOUT THE SERIES For over 100 years Oxford World's Classics has made available the widest range of literature from around the globe Each affordable volume reflects Oxford's commitment to scholarship providing the most accurate text plus a wealth of other valuable features including expert introductions by leading authorities helpful notes to clarify the text up to date bibliographies for further study and much more
