Racism And Empire White Settlers And Colored Immigrants In The British Self Governing Colonies 1830 191:

Colonial South Africa and the Origins of the Racial Order Timothy J. Keegan, 1996 An analysis of the origins of South Africa's racial order Dr Keegan argues that the Cape rather than the industrial Highveld was the seedbed of dispossession and accumulation out of which the racial state of South Africa emerged

Colonialism and Male Domestic Service across the Asia Pacific Julia Martínez, Claire Lowrie, Frances Steel, Victoria Haskins, 2018-11-29 Examining the role of Asian and indigenous male servants across the Asia Pacific from the late 19th century to the 1930s this study shows how their ubiquitous presence in these purportedly humble jobs gave them a degree of cultural influence that has been largely overlooked in the literature on labour mobility in the age of empire With case studies from British Hong Kong Singapore Northern Australia Fiji and British Columbia French Indochina the American Philippines and the Dutch East Indies the book delves into the intimate and often conflicted relationships between European and American colonists and their servants It explores the lives of houseboys cooks and gardeners in the colonial home considers the bell boys and waiters in the grand colonial hotels and follows the stewards and cabin boys on steamships travelling across the Indian and Pacific Oceans This broad conception of service allows *Colonialism and Male Domestic Service* to illuminate trans colonial or cross border influences through the mobility of servants and their employers This path breaking study is an important book for students and scholars of colonialism labour history and the Asia Pacific region

Ruling Minds Erik Linstrum, 2016-01-04 The British Empire used intelligence tests laboratory studies and psychoanalysis to measure and manage the minds of subjects in distant cultures Challenging assumptions about the role of scientific knowledge in the exercise of power Erik Linstrum shows that psychology did more to reveal the limits of imperial authority than to strengthen it
