Real People Real Faith:

Real People, Real Faith Cindy Halvorson, 2022-02-15 The characters in Scripture are often portrayed as one dimensional as caricatures instead of human beings with real needs authentic pain and compelling fears When their problems are viewed as one dimensional so is their faith Approaching biblical characters in this way can inhibit listeners ability to hear the biblical witness as relevant to their own lives and can minimize the impact of Scripture on their faith journey Real People Real Faith provides practical tools to portray biblical characters as multidimensional human beings who encountered and journeyed with God Placing high value on historical cultural and scriptural contexts Cindy Halvorson demonstrates techniques for generating holistic characters particularly by exploring archetypical human reactions and spiritual longings She shows how the preacher can use this method to reimagine the biblical characters present figures with whom listeners relate and empathize and draw portraits of real people whose relationship with God is in many ways like listeners own people with whom they may sojourn and grow When listeners are touched by a biblical character s story and shown how their relationship with God was transformed they too may experience the Divine s love and care for them

Authentic Faith Travis Michael Hovde, 2014 There are times and places where heaven and earth collide where the line between eternity and time grows dim and the reality of God becomes real There are experiences and circumstances that force our beliefs to cross over from a mundane theory and into a living reality This is my story It is our story It is His story It is not perfect but it is real It is a story of my experiences with God calling to ministry journey of planting a church and surviving disaster and devastation This book is for anyone who ever desperately wondered if God exists or if He cares It is for honest people who have questioned Christians been disappointed with church as usual or simply wondered if there was more I hope my story will inspire and challenge you to discover the wonderful treasure of authentic faith or galvanize the faith you already have

Real Faith in

Action Curl Oral Hazell, 2009-09-01 In this day of increasing uncertainty and fear faith in God is needed more than ever before In addition to its incalculable other benefits faith in God brings peace comfort and overflowing joy to those who put their trust in God But not any kind of faith can procure these benefits only biblical faith can When understood in its biblical authenticity and then put into action faith always leads to triumph in that it enables us to experience what God ordained for us to obtain perform and become In light of this it is extremely important that we the people of God possess a comprehensive biblically based practical tool to aid us in achieving this understanding *Real Faith in Action* is that tool It presents an unconventional multi dimensional view of faith revealing many aspects usually not discussed in other works through nine principles that are clearly laid out by the Holy Spirit in what is unquestionably the most comprehensive reporting of the working of faith in all of Scripture the roll call of faith in Hebrews 11 The principles are thus illustrated through the real life experiences of fellow humans who dared to believe God for the impossible Accordingly the book goes beyond explaining faith to demonstrating faith It is designed to captivate and draw the reader into the world of the faith heroes of the past thus inspiring him or her to do likewise Furthermore in that real life experiences are discussed any thought of being incapable of doing the same should be vanquished knowing that others succeeded in their accomplishments by utilizing the same faith to which we also have access

Real Faith Theresa OConnor,2017-10-21 Hebrews 11 1 Now faith is the substance of things hoped for the evidence of things not seen Real People Real Faith is a study based on Hebrews 11 the Hall of Faith This one chapter gives us a perfect picture of what faith in our lives should look like and gives examples of people who are known by their faith in the One True God Heroes of Faith A Difficult standard for us to live up to don t you think However when we look deeper into the lives of many of these people we see not so perfect lives We see real people with real struggles and real questions real doubts and real failures real hope and real faith As you go through this study you will look closer at faith what the Word says it is examples from the Word of those who lived it our successfully and some who failed at it miserably and how you can apply these principles in your own life We will look at those mentioned in Hebrews 11 and many more We will look at Real People We will look at Real Faith *21 Stories of Faith* Shelley Hitz,2014-03-24 21 Stories of Faith Real People Real Stories Real Faith Are you living a life of faith Or are you weighed down with doubts worries and fears In this book you will read 21 real stories of faith from ordinary everyday people like yourself Some of the stories focus on coming to faith in Christ for the first time while other stories share lessons learned about faith during a difficult season in their lives Ultimately we hope and pray that God uses these stories to inspire and encourage you in your own walk of faith That by reading this book your eyes will be fixed on Jesus the author and perfecter of your faith Hebrews 12 2 allowing Him to strengthen your faith Because without faith it is impossible to please Him for he who comes to God must believe that He is and that He is a rewarder of those who diligently seek Him Hebrews 11 6 NKJV Join us in this journey of living a life of faith *Idol and Grace* Orlando E. Espin,2013-12-13 Proposes a theology that draws out the subversive hope of the gospels and the role of the marginalized in passing along the Christian message **True Faith** Rev. Silas Kanyabigega DMin,2017-02-24 God required the price to remove his anger against the humankind who offended him He wanted to see in that price a death with bloodshed as evidence demonstrating a sacrifice for the forgiveness of the sinners For God all sinners had to die So when Jesus died the corpse of Jesus represented the corpse of all sinners God was satisfied when he saw the corpse of Jesus God put in his mind that he had killed all mankind The punishment was then given and the problem between him and the humankind was resolved Jesus Christs corpse has ability to be the price required by God His blood as a killed sacrifice is the evidence of the death required by God The blood of animals was not needed in the mankind s salvation process The blood required by God was to be a mankind s blood This blood had to come from the death of a perfect person perfect as God himself The problem was only to be solved by the blood of God himself because only God is perfect But God could only die by taking human form that is why the Second Person of the Trinity Jesus Christ descent to earth to die in the place of humankind through an agonizing death at the cross of Golgotha and therefore he paid the price required by God Then God died as self substitution for men He was God man In beliefs of

different world religions we cant find any other god who died for people Only God in whom Christians believe in died for humankind and he had risen He is alive Only the Faith in God propitiated for sinners is True Faith and other beliefs are false faith *Faith Walkers III* ,2012-12-14 **The Manikin Jesus** Thomas E. Martin,2005-01-24 The purpose of this book is to reveal to the reader the difference between the true called out ones of God and the false ones that say they are called of God but are not The destiny of our future is too important for us to allow false leaders that can be identified to entice us to follow a manikin Jesus That which is born of the flesh is flesh and that which is born of the Spirit is spirit Jn 3 6 It is the Holy Spirit that quickeneth performs the new birth and reveals spiritual truth the flesh unspiritual people without Holy Spirit witness profiteth nothing nothing for the kingdom of Christ The words that I speak unto you said Jesus they are spirit and they are life Jn 6 36 par To those who hunger and thirst to dwell in and to be led by the Holy Spirit and who really yearn to know the real living Jesus of Nazareth will find this book to be a great treasure and window that opens the mind to Biblical truths that are a mystery to multitudes But to the critic this book will be no more to them than any other book that reveals truth to the soul And to self blinded unspiritual church leaders this book will only shame them *Slaves of Christ* Robert Gadeken,2025-05-29 No one in the first century could imagine a world without slavery Yet it was merely part of an entire social system of obligation in which no one was entirely free Responsibility was built into their world whether service to or benefit from those above them These relationships defined them Modern Christians have lost the sense of responsibility and obedience that is part of a relationship with Jesus Their obsession with freedom and independence threatens their relationship with Jesus They see slavery as the opposite of freedom but the early Christians saw slavery to Jesus as the only real freedom When Paul said Christians are slaves of Christ he said it with joy Moderns who take that phrase as a metaphor for commitment miss the point It is a definition It is a relationship that defines a person As Luther said a Christian is someone who has been purchased with the blood of Christ that I may be his own live under him and serve him When modern Christians recover the meaning of slave of Christ they too can say it with joy *What's In the Bible* R. C. Sproul,Robert Wolgemuth,2011-04-12 Explore the most monumental story ever recorded a story filled with intrigue drama and real life accounts of God at work in the universe Highly respected theologian R C Sproul and best selling author Robert Wolgemuth have collaborated to highlight the essence of God s voice activity and purpose throughout the Old and New Testaments in an understandable and thoroughly readable introduction to the Bible Written from the perspective of a theologian and a layman What s in the Bible is a road map that will help you better comprehend the whole of Scripture This revised and updated edition includes a new topical index
